BERRY CROP IS
WORTH \$50,000

**BIG YIELD IN MILTON-
 FREEWATER DISTRICT**

Bulk of the Crop Has Been Marketed
 —Half a Dozen Firms at Freewater
 Handle \$50,000 Worth of Berries—
 Cloudy Weather Has Held Back
 the Crop Until It Will Last Longer.

The remarkable growth of the
 strawberry industry in the Freewater-
 Milton district is shown in the state-
 ment of the Freewater Times, which
 places the value of this year's crop
 at \$50,000.

The Times says of the crop and
 the amounts handled by each of the
 fruit companies of Freewater.

Enquiries at the different packing
 and commission houses of the city re-
 veal something of the meaning of the
 strawberry crop to our fruit men
 and the community in general. This
 year the berries are lasting longer,
 and with somewhat larger acreage
 are producing more berries than a
 year ago.

So says N. W. Mumford, local man-
 ager of the Walla Walla Produce Co.,
 of this city. His firm handled up to
 date about \$10,000 worth of straw-
 berries and it is safe to say will han-
 dle \$2000 more, making a total of
 \$12,000.

The Shields Fruit company have a
 similar record, their shipments to
 date in strawberries crowd \$10,000.

The Milton Fruit Growers' union,
 though handicapped for a few weeks
 on account of their new building not
 being completed, have handled al-
 most as many, while the Brady, Had-
 ley, Mitchell Co. handled about \$7,-
 000, Buffum Cotton at Locust \$5,-
 000, while local shipments and sale
 by peddlers will easily run over \$5,-
 000 more.

It will be no exaggeration to put the
 receipts by the fruit men for the pres-
 ent season at \$50,000.

Thinks It Saved His Life.

Wester M. Nelson, of Naples, Me.,
 says in a recent letter: "I have used
 Dr. King's New Discovery many years
 for coughs and colds, and I think
 it saved my life. I have found it a
 reliable remedy for throat and lung
 complaints, and would no more be
 without a bottle than I would be with-
 out food." For nearly 40 years New
 Discovery has stood at the head of
 throat and lung remedies. As a pre-
 ventive of pneumonia, and healer of
 weak lungs, it has no equal. Sold
 under guarantee at Tallman & Co.'s
 drug store. 50c and \$1. Trial bottle
 free.

WILL TEST O. R. & N. RATES.

First Case Under New Law Has Been
 Filed at La Grande.

A case was filed in the circuit court
 at La Grande which has considerable
 distinction in that it is the first case
 in Oregon to come under the new in-
 terstate commerce law passed by con-
 gress.

The suit involves the question of
 rates from Portland to that city and
 the principles in it are the O. R. & N.,
 by Attorney C. A. Johns, for the com-
 pany, and O. F. Coolidge.

The litigation is to recover the dif-
 ference between 35 and 60 cents per
 100 on a shipment of cement to La
 Grande. Mr. Coolidge paid his freight
 bill at the rate of 35 cents per 100 and
 the new laws of the commerce depart-
 ment establishes a rate of 60 cents per
 100.
