CROP WILL BE GOOD ANYHOW

WHEAT FIELDS WILL GIVE GOOD YIELD.

Freight Agent Says There Will Be Much Wheat to Ship This Fall Notwithstanding Complaints of Lack of Rain From Different Sections of the Wheat Belt—Umatilla County Will Fare as Good as Any.

E. A. McKenna, traveling freight agent for the Northern Pacific, who travels extensively all over the inland empire, says that the prospect for a good wheat crop is as good in Umatilla county as anywhere else in eastern Oregon or Washington.

In the Eureka flat country, the boasted wheat district of eastern Washington and in the Palouse country, complaints of the dry weather are being made constantly but there will be an excellent crop in both those sections, just the same.

In the northern part of Umatilla county tributary to the Northern Pacific the prospects for a crop are good

WILSON CAPTURES BAD CHECK ARTIST

Man Wanted at Walsburg Taken by Local Deputy Sheriff.

T. B. Newton, wanted at Walsburg, Wash., on the charge of passing bogus checks, was arrested here last evening by Deputy Sheriff Bert Wilson and taken to Walla Walla on the noon train by Sheriff Haviland.

Wilson was given a telephone description of the man wanted, a few minutes before the train from Walla Walla was due to arrive and it is partly due to his sprinting ability as well as his ability to spot a man with a slight description, that enabled him to make the capture.

Newton is a young man, well dressed and of good appearance. He had several bogus checks in his possession when searched and it is believed he exchanged some of the worthless paper for good coin of the realm in Walla Walla as well as Walsburg, though none has been reported as yet.

Many 'Phones Are Out.

Owing to the fact that the saloons are to go out of business on July 1, about 40 telephones have been ordered out at that time. When Eugene went "dry" two years ago 90 telephones were taken out, but within six weeks the company had gained back that number and within two months over 120 new phones had been installed in Eugene. So Manager Marston is not alarmed at the prospect and expects to gain back more 'phones than are lost within a few months after prohibition goes into effect.

J. M. Bryson, the pioneer wood dealer of Meacham, who has been at Fresno, Cal., for the past five months, returned to the city last evening and will remain here a few days visiting friends before going to Meacham to look after his wood business. He will set it out in fruit next year perhaps and believes that he has secured a fortune.

PENDLETON WINS IN GREAT GAME

SENSATIONAL CONTEST WITH DRAMATIC FINISH.

Game Won in the Last Half of the Ninth With Two Men Down—Conrad Makes the Drive That Counts—Aubin Pitched and Played Good Game—Everybody Played Ball and Fans Are Delighted—Locals in Second Place.

	Played.	Won.	Lost.	P. C.
La Grande	16	13	3	.813
Pendleton	15	7	8	.467
Walla Walla	16	7	9	.438
Baker City	15	4	11	.267

One of those thrillers which the devoted fans are always praying for and so seldom getting, was pulled off yesterday at the Matlock grounds between the baseball teams of Pendleton and Baker City, the victory remaining with the locals by a score of 3 to 2.

There was everything yesterday that the most critical fan could wish for. Brilliant plays, tight holes, pretty steals, clean hits and little ragging. In short, while there were several errors, some of which were due to the gale and the clouds of dust which swept across the diamond, it was nearly an ideal game.

The real sensation came in the last half of the ninth, however. Two men were down and two men on bases when Conrad, the doughty first baseman, came to bat and picked out the first ball that came over, swatting the horsehide sphere fair on the nose and sent it hurtling through the air far and away over the left fielder's head, scoring the winning run and an extra one for good measure.

Teams Strike Their Pace. Like Sunday's contest, the game from the start was the real thing and it would seem that both teams have struck their gate and will play good ball for the rest of the season. It was no disgrace to lose such a contest as yesterday's and there is all the more glory to win.

Pendleton took the lead in the very beginning by registering one run in the first canto. But while they were ahead, La Grande came so dangerously near scoring on several occasions as to keep the fans up in the air and everybody playing all the time.

In the sixth was when things looked the brightest for the visitors, when with nobody down, the bases were filled, Aubin rose to the occasion, however, and accept for the low ball which Boever was unable to stop in time to prevent the one run, there was nothing doing. The score was then tied and in the seventh Baker added another, placing them one to the good.

When the locals came, to bat they evened things up and when neither side was able to score in the eighth the crowd began to whisper of extra innings. Baker failed to do anything in their half of the last and though Pendleton succeeded in getting her first two men up on the bases, the next two went out and it remained for Conrad to win the trick which won the game.

The funeral of Henry Schomburg, who died at Cayuse station June 10, will be held this evening at 7 o'clock at Baker & Folsom's undertaking parlors under the auspices of the Eagles. All members of the order are urged to attend.
