**CITY SAVES ON
NEW LEEVE BIDS**

**W. C. BETTS GETS CON-
TRACT AT \$1000 LESS**

Work to Commence Monday—City's Protecting Wall of Earth to Be Repaired and Extended—Newport Does Not Get the Contract But Enables City to Save Money by Calling for New Bids.

At a price that is \$1000 lower than the former bid W. C. Betts has been awarded the contract for extending and repairing the levee and he is to commence work next Monday. After his bid was accepted by the council last night the ordinance granting him the contract was introduced and passed. The contract between the levee committee and Betts was then signed up and the city given a bond for the performance of the work.

Bids Were Lower.
The council met in adjourned session at 7:30 last evening and it was found that both Betts and the Newport company had submitted bids upon the levee work. Betts' bid was the same as his former offer excepting that he agreed to make but one charge on earth that was excavated and then used in the embankment. The Newport made a lower bid than formerly on excavating and their prices on the construction work were lower than those of Betts' while their prices for excavating were higher. The following is a detailed statement of the cost of the work under

the respective bids, the figures being those submitted to the council by the levee committee.

WALLA WALLA TEAM.**

With Tallferro in the Box Tatum's Team Cope Out a Victory.

Standing of the Teams.

| Played. | Won. | Lost. | P. C. |
|-------------|------|-------|---------|
| La Grande | 24 | 17 | 7 .708 |
| Pendleton | 25 | 31 | 14 .440 |
| Baker City | 25 | 11 | 14 .440 |
| Walla Walla | 24 | 30 | 14 .417 |

Walla Walla, July 3.—Witnessed by a small but enthusiastic crowd of fans, Walla Walla's league baseball team met defeat in the first of a series of games with the Pendleton nine on Ankeny field yesterday evening.

Despite the fact that the local team lost, which had a slight dampening effect on the rooters, there was no one present who was not satisfied with the playing done during the game. But for one or two costly errors at a time when anything but errors were needed, Walla Walla would have taken the contest by an easy margin.

Owing to the fact that the game was not called until 6:15, both teams were anxious to hurry the plays to finish before dark.

The visitors took the bat in the first inning with Tallferro in the box and Miller behind the bat. Pendleton's twirler is generally conceded to be the best pitcher in the Inland league and while his pitching was nothing sensational yesterday he sustained his reputation.

Anderson sent the horsehide over the plate for Walla Walla, and on the whole, was not far behind Tallferro when it came to curling the ball around the batter's neck. But for one or two plays which necessitated quick work in a doubtful position, he would have played a faultless game. White, the Garden City's star catcher, was unable to play yesterday and his place was filled by "Happy" Boewer, who played a good game.

WENAH SPRINGS POPULAR.

Many Pendleton People Will Spend the Fourth at the Resort.

Several couples left this morning for the place, intending to remain until Monday or later. Among these were Mr. and Mrs. Leon Cohen, Mr. and Mrs. C. E. Roosevelt, Mr. and Mrs. E. J. Burke, Mr. and Mrs. Judd and others.

Tonight train No. 2 will take a large crowd of young men who will go up to spend Saturday and Sunday. Among those now intending to go are Roy Rittner, Ernest Ruppe, Royal Sawtelle, J. L. Clark of the University of Washington, W. R. Saxton and George Brown of Hermiston, Ben Burroughs, Winn Stewart, Al Knight, Fred Lampkin, A. L. Knight and others.

NEW LINE IN IDAHO.

People of Nez Perce Raised \$54,000 for a Road to Vollmer on the Northern Pacific

That the people of Nez Perce, Idaho, are not going to be without adequate transportation facilities is shown by the fact that they have just raised a subscription of \$54,662 for the purpose of building their own electric line from Nez Perce to Vollmer, thus securing direct transportation communication with the outside world.

It is expected that the new line will be ready for operation this year and camps have been located for the surveyors and the work of surveying will proceed at once. Contracts for grading and for ties will be let at once and there is every reason to expect that the line will haul out this year's crop.

Orchard Glad to Live.

When informed late this afternoon by Warden Whitney of the action of the board, Harry Orchard appeared much surprised and pleased that the board had commuted his sentence, says the Boise Capital News. He has not had any hope or sought for pardon or to have his sentence commuted to life imprisonment, he stated that he was glad, and appreciated the action taken by the board, and that it would be his thought and endeavor during his confinement to in every way make reparation so far as is possible for the great wrong that he had done.

**STORES WILL
CLOSE TOMORROW**

DAY WILL BE OBSERVED
WITHOUT CELEBRATION

All General Stores, Together With Banks, Postoffice and Public Offices Will Transact No Business—Barber Shops Will Remain Open Until Noon—Many Will Celebrate in County, While Others Will Go Elsewhere.

Though there is to be no fourth of July celebration in Pendleton this year, yet the city will observe the national holiday to the extent of closing all lines of business. All general stores will be closed during the entire day tomorrow, as will also the banks, postoffice, public offices, etc. The barber shops will be open during the forenoon tomorrow only and in order to handle the extra work that will be required of them the shops will stay open until 10 o'clock tonight.

County Celebrations.

But while there will be no celebration here, there will be an abundance of entertainment at other places in the county. On the reservation the Indians will hold a celebration and the bulk of the people of the city will be there. Two camps are to be held, the Christian Indians at the old agency grounds, while the "old time" celebration will be held at Cayuse. Nearly all the available rigs and autos are now being engaged by parties intending to spend the day on the reservation.

Echo, Pilot Rock and Helix will all hold celebrations and each place will have representatives from Pendleton. Many will also go to Wenaha Springs tonight to spend the next two days at that resort, while some families are already at the two resorts in the south end of the county.

Quite a few are preparing to go to Walla Walla this evening on the evening train. No special train will be run to the Garden City.
