MAKE IDAHO "DRY"

STATE-WIDE MOVEMENT FOR PROHIBITION.

Anti-Saloon League Starts a Campaign Through Idaho Churches to Carry the State—Hinging Resolution Calls for Decisive Action in the Matter.

The Boise Capital News says of the project to make the entire state of Idaho "dry":

The prohibitionists of the state of Idaho have started a campaign towards obtaining local option laws in the various business centers and to make a decided stand against the liquor traffic.

They have for years been working to this end and the general wave of reform which has been sweeping across the continent has been the means of forcing the temperance question into many of the states in the Union with the result that the liquor business has received its death blow. The campaign was inaugurated in Boise last evening in a resolution presented by the ministers to their congregations.

By practically a unanimous vote a resolution asking for the consideration of the local option law was passed by the congregations in the First Presbyterian and Methodist churches last evening. A routing address was delivered at the Presbyterian church at this time by Rev. C. E. Holman of Caldwell, president of the state Anti-saloon league. He stated that from now on it is the intention of the league to force the issue and the ministers and church people are asked to help.

During the coming campaign Mr. Holman stated that the prohibitionists will go into the conventions of the political parties and use their influence to send officers into the legislature who will go on record for the suppression of the liquor traffic. It was shown in the discussion of Mr. Holman that Idaho is behind her sister states in this movement and that now is the time to become active. After his address the following resolution was presented and adopted unanimously and this was also done at the same time in the Methodist church:

"Resolved, That we, qualified voters of Ada county, earnestly request the central committees of the different political parties to see that the time and place of caucuses and primaries and conventions are duly advertised.

"We further request that the said central committees use their influence to secure the nomination of candidates for all offices having to do with the enactment and enforcement of law only those persons who are known to be in favor of the more rigid enforcement of our present laws and who favor and will work for the enactment of at least a local option law.

"And we, as voters stand ready to assist in the nomination and election of such candidates."

It can't be beat. The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that is claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines for weakness, lame back, and all run-down conditions. Best too, for chills and malaria. Sold under guarantee at Tallman & Co.'s drug store, 25c.

FIVE ARE KILLED AND SIX INJURED

Accident on Interurban Line Near Los Angeles.

Los Angeles, July 7.—Four children and the father of two of them are dead and six persons are injured as the result of a collision between a farm wagon containing eight children, two men and one woman, and an electric car on the Santa Ana line near Watts, about 10 miles from this city, last night. The dead: Jose Oller, aged 46. Jose Oller, Jr., aged 14. H. Oller, aged 8, all of Linwood, near Watts.

Elsie Kuehner, 9 years old. Theo. Kuehner, aged 7, both of 404 North Vignes street, Los Angeles.

The injured: Peter Kuehner, aged 45, left leg fractured. Annie, aged 12, Marie, aged 10, and Bertha Oller, aged 8, bruised, not serious.

Alexio Kuehner, aged 11, left leg broken, and Mrs. Antonio Kuehner, slightly bruised.

The Kuehner family had been spending the day with the Ollers and the latter family had accompanied the Kuehners to the Santa Ana line where they were to take the car to the city. When near the tracks, Jose Oller, who was driving, saw the car coming and tried to cross in front of it.

The car hit the wagon squarely, and some of the occupants went under the car while others were thrown clear of the wreckage. Mrs. Kuehner saw the car and jumped, escaping with slight injuries. Up to a late hour she did not know that two of her children were dead.

RAILROAD OPPOSES RATES.

O. R. & N. Have Rate Order of Commissioners Set Aside.

Portland, July 7.—Argument in the case of the Oregon Railroad & Navigation company against the state railroad commissioners and the attorney general of Oregon, in which the complainants ask that the order of the commissioners relative to certain rates in this state be temporarily restrained and later permanently restrained from being carried into effect, was begun before Judge Wolverton in the United States circuit court this morning.

J. N. Teal appeared for the defendants. The commissioners, Clyde B. Alchinson, Oswald West and T. K. Campbell, are attending the hearing as well as is the other defendant, Attorney-General Crawford. The railroad company is represented by W. W. Cotton.

The railroad attorneys are asking for an injunction on the grounds that interstate rates are concerned and contend further that the law in question is unconstitutional.

Mr. Teal, for the defendants, in endeavoring to show cause why the injunction should not be issued, sets forth the claim that so far as local rates are concerned there will be no control over them unless the ruling of the commissioners is upheld.

LIVED FOUR MONTHS MINUS PART OF BRAIN

New York, July 7.—After living nearly four months with four ounces of his brain removed, Joseph Ritz, a tailor of Brooklyn, is dead. He was taken to St. Mary's hospital, where doctors took out about four ounces of brain matter. For a time it was believed that Ritz would recover. Recently, however, there was a change and he gradually grew weaker.

Ritz, after the operation, learned to play chess, a game he was never able to master before.
