ANTLERED HERDS GATHER IN TEXAS

"BEST PEOPLE ON EARTH" MEETING IN ANNUAL SESSION

Droves of Thousands of Elks Pouring Into Dallas—Entire City Dressed in Purple and White—Members of Great Fraternal Order Never Befoe Entertained On Such an Elaborate Scale.

Dallas, Tex., July 10.—Dallas today received its first considerable invoice of the horny-headed sons of joy who will be here in droves of thousands within the next few days, attracted by the annual national assemblage of the Benevolent and Protective Order of Elks, otherwise known as the "Best People on Earth." The advance guard looks good to the enthusiastic people of the North Texas metropolis and they are preparing to make next week's convention a record-breaker in Elkdom history. It is admitted that Philadelphia did a fair job of entertaining last year, but the Texans have fixed up a few high qinks that will make Philadelphia's effort resemble a Quaker prayer meting.

Already the streets of Dallas have taken on a purple and white tint, in honor of the visitors, and the work of decorating has been well night completed. Only a few finishing touches remain to render Dallas-a distinctively Elks city which will gladden the eyes of the good fellows who will be here from all over the land. One hundred thousand dollars represents the amount to be expended in the week's festivities and nearly every citizen of the town has contributed to this great fund.

The most distant delegation will be that from the Philippines, and will extend an invitation to the grand lodge to hold next year's meeting in Manila. It is not likely that this proposition will receive favorable consideration, however, as Seattle, Wash., apparently has a cinch on next year's convention, since it offers the added attraction of an international exposition. Washington and Baltimore delegates will begin booms for the 1910 convention.

The reunion will begin Sunday, when it is expected that most of the delegates and visitors will have arrived. Monday will be given over to receptions and entertainments. The business sessions of the grand lodge will begin Tuesday. Three great food fests will be held during the week and will cost in the neighborhod of $25,000. The feature will be a Mexican dinner, with all the Mexican dainties on tap, and will be one of the biggest grub-stakes on record, since the committee in charge expects to feed 40,000. There will also be a typical southern barbecue and a more formal dinner for grand lodge officers and delegates. There will be balls, band contests, competitive drills, garden parties, fire works displays and last, but not least, a grand parade which the promoters declare will "eclipse any pageant ever witnessed in America." That will be going some, but Dallas feels equal to the job.

Special Social Features

While thousands of dollars are being spent in entertaining the rank and file of Elkdom, the officials will not be forgotten. There will be many social events provided for them and special honors will be paid to the grand exalted ruler of the order, John K. Tener, a banker of Charlerol, Pa.

Aside from his present position, Tener is famous as one of the greatest veterans of the baseball diamond. In 1888 he became one of Captain Anson's colts, and for years was one of the best known pitchers in the National league. He was one of the twirlers in the All-American team which made a tour of the world and introduced the national game to the people of Australia, Europe and the islands of the Pacific.

After deserting the diamond Tener settled in Charlerol, a small town not far from Pittsburg, and engaged in the banking business. He was always a loyal Elk, and in 1899 he organized the Charlerol lodge of Elks, serving three years as its treasurer. In 1902 he was elected its exalted ruler. In 1904 he was elected grand treasurer of the grand lodge, holding the position until his election last year as exalted ruler.

The Order of Elks was organized in New York in 1868, and had its inception in a small social club, composed principally of actors and known as the Jolly Corks. The Elks have continued to merit the name of "jolly," but the order of the present day has many other claims to consideration, chief among which is its spirit of charity.

Nor is it a narrow or sectional or partisan charity, that of the Elks, bound together though they are by the ties of good fellowship, the charity of the Elks knows no confines. It extends to every man, woman or child in time of need. This spirit of universal brotherhood was never better illustrated than at the time of the San Francisco earthquake, when R. W. Brown, managing editor of the Louisville Times ,acting on behalf of the Elks, secured the first telegraph wire into the wrecked and devastated city and sent this message of cheer:

"Five thousand to your credit. If necessary spend five more. Not only for Elks. For everybody."

TO LAUNCH SOUTH CAROLINA.

Another Mighty Sea Fighter Added to American Navy.

Washington, July 10.—Another mighty battleship will be added to Uncle Sam's navy tomorrow, when the South Carolina, a sister ship of the new Michigan, will be launched at the Cramps shipyards at Philadelphia. Imposing ceremonies will mark the event. Later the vessel will go to Charleston, S. C., where the people of the state for which it is named, will hold a great celebration.

The South Carolina and Michigan represent the initial attempt of the United States naval officials to construct a type of vessel, the principal object of which is the carrying of as many guns of even calibre as her displacement will permit.

The new ship, like the Michigan, has a displacement of 16,000 tons, making it slightly less powerful than the vessels of the British Dreadnaught type, which have 17,000 tons. It is alleged by experts, however, that he South Carolina will be able to fire as many guns broadside as can be fired from the five turrets of the Dreadnaught.

DOWNWARD COURSE.

Fast Being Realized by Pendleton People.

A little backache at first.
Daily increasing till the back is lame and weak.
Urinary disorders quickly follow;
Diabetes and finally Bright's disease.
This is the downward course of kidney ills.

Mrs. Laura McClure, living at 1313 Madison avenue, La Grande, Ore., says: "I have used Doan's Kidney Pills off and on for three or four years and the best possible results have always been obtained. Any over-exertion or the contraction of a cold often served to bring on backache and at such times by kidneys would be weak and I would be greatly annoyed by dizzy spells. I would be restless and nervous and as a result of the loss of sleep, would arist in the emorning feeling tired and worn out. Learning of the merits of Doan's Kidney Pills, I procured a box took them according to directions and they relieved me at once. I have kept them them in the house since as I have the greatest confidence in them When I feel any of the attacks coming on I immediately resort to Doan's Kidney Pills and they never fail to give the desired results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

"SHEATH" BATHING SUIT LIKELY TO CAUSE RIOTS

Leads Its Nearest Competitor, the Directoire Gown, by Three City Blocks, Say Knowing Ones.

If a bathing dress composed of a comparatively modest green and black plaid stirred such a storm at Asbury Park last summer as to require police intervention, what will be the result when the bathing suit of the 1908 model displays itself on the seashore sands this year?

For the sheath bathing suit is here. One mere man had the temerity, after summoning sufficient courage to view a half dozen of these beach garments, to unhesitatingly answer the question with the assertion that the "one best bet" is that the life saving corps, the state militia and several detachments of federal troops may be required to lend aid to the summer resort police.

No one, let it be understood, can accuse the bathing suit of not keeping step with fashion's progress. The casual observer must admit that it is leading its nearest competitor, the directoire gown, by three city blocks.

The bathing suit that will be en regale as the Parisan modeste has it, at the summer resorts this year is composed of higher colorature than ever beset a Greig composition or a Chopin etude. It eclipses the rainbow color combination presented. Application of an especially constructed colorimeter, modistes agree, would approximate something like 213 horse power on the low speed. At the port side appears the open slit that has made the directoire gown the cynosure of the sensation seeking eye.

No Street Paving for Grants Pass.

Grants Pass mossbacks have apparently won the day in the fight over street paving. Bonds for $60,000 were recently voted, but the remonstrance petitions have prevented action by the city council. The matter has been fought over for months, and it now looks as though the unprogressive element has won the fight, as they have in Ashland.—Southern Oregonian.

Just Exactly Right.

"I have used Dr. King's New Life Pills for several years, and find them just exactly right," says Mr. A. A. Felton, of Harrisville, N. Y. New Life Pills relieve without the least discomfort. Best remedy for constipation, billousness and malaria. 25c, at Tallman & Co.'s drug store.

Hearst Dreaming Again.

Chicago, July 10.—That the Hearst Independence party will poll a million votes this fall is the claim of the national leaders gathered here today for a sub-committee meeting. It is declared tha this vote will be drawn from the ranks of the democratic party and will render certain the election of Taft. The Hearst party will place a ticket in the field in every state. The national convention will open here two weeks from Monday.
