GOVERNMENT NOW REPAIRING THE DITCH

About Three Thousand Feet Have Been Causing Much Trouble—Land Sales Continue in Great Numbers in This Vicinity—Have Fine Thoroughbred Hogs.

Hermiston, July 14.—Fifty government employes are now at work lining the immense feed canal of the Umatilla irrigation project for a distance of 3000 feet just below Echo. The canal parallels the Umatilla river for over a mile, the track of the O. R. & N. lying between the stream and the canal. The cost of the work will be between \$15,000 and \$20,000. When the canal was filled with water last spring, the seepage softened the roadbed until constant work and watching were necessary to keep the line open for trains. Landslides would cover the track and the rails would be driven out of place. While trouble has been constant there have been no accidents, and it will now be so repaired that there will be no further trouble.

C. Jackson, the local station agent, who has been east on a vacation, has returned and is again attending to his duties at the depot.

Land Sells.

A number of eastern people have purchased lands under the Umatilla project of late, and several large deals are under way which will be closed in the next week. The real estate dealers report no lull in the general business.

Thoroughbred Hogs.

Col. J. F. McNaught has purchased 50 head of thoroughbred hogs from A. L. Swaggart of Athens, one of the best known breeders of Poland-China hogs in the northwest. A number of the settlers have started in the hog industry here in a small way, and as this is a good hog raising section it promises to become very profitable.

Pleasant Social.

The ladies Aid of the Baptist church has made arrangements for a social in the basement of the church Wednesday evening. A fine program has been arranged for this occasion.

Kodol will without doubt help anyone who has stomach disorders or stomach trouble. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by Tallman & Co.

HOUSE WORK

Thousands of American women in our homes are daily sacrificing their lives to duty.

In order to keep the home neat and pretty, the children well dressed and tidy, women overdo. A female weakness or displacement is often brought on and they suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden. It is to these faithful women that

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

comes as a boon and a blessing, as it did to Mrs. F. Ellsworth, of Mayville, N. Y., and to Mrs. W. P. Boyd, of Beaver Falls, Pa., who say: "I was not able to do my own work, owing to the female trouble from which I suffered. Lydia E. Pinkham's Vegetable Compound helped me wonderfully, and I am so well that I can do as big a day's work as I ever did. I wish every sick woman would try it."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it? Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Harvest Now Goes on in Earnest—Cherries Have About All Been Gathered—This Promises to Be One of Best Fruit Years in History of County.

Freewater, July 14.—A number of campers have gone out from Freewater and Milton of late to enjoy the cool of the mountains for a time. Since the rain it has been somewhat cooler here, however.

Harvesting the wheat crop in this vicinity is now going on in earnest in all directions. Reports of fairly good yields are being received, and it looks as though there would be 30 bushel yields where wheat was in shape to cut at all, and in some places even more.

R. C. Wire, who has been conducting a photograph gallery here for some months, has gone to Seattle to locate.

Nearly all the cherries of the early varieties have been shipped out. The crop was heavy this year.

J. H. Hadley had the misfortune to sprain his ankle Saturday while stepping upon the bank of an irrigation ditch.

This promises to be one of the best fruit years in the history of this section. The fruit dealers are making preparations for the handling of an immense lot of the late fruits, and the cannery will also handle great quantities this year. It is estimated that the product of the cannery this year will amount to over \$200,000.

The Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing others promise, but fail to perform," says Mrs. E. R. Pierson, of Auburn Center, Pa. "It is curing me of throat and lung trouble of long standing, that other treatments relieve, only temporarily. New Discovery is doing me so much that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at Tallman & Co.'s drug store, 50c and \$1.00. Trial bottle free.

RESIGNS AS AGENT.

Be Almost a Normal Wheat Crop About Here.

Weston, July 14.—James H. Price has resigned his position as agent for the Kerr-Gifford company, wheat buyers, and he will now look after his wheat holdings in this section. Frank Price, a brother will now look after the warehouse.

John A. Reed has opened an ice cream depot at this place. This fills a long felt want as it has been necessary to ship cream from Pendleton and Walla Walla in the past.

Harvesting is on in many of the wheat fields surrounding Weston, and it is believed that there will be almost a normal crop in most places about here.

BIG RIFLE MATCH COMING.

Crack Shots of the Nation to Gather Together at Perry, Ohio.

Washington, D. C., July 14.—In one month the great national rifle matches will be in progress on the beautiful range at Camp Perry, Ohio. Lying on the banks of Lake Erie, across from Put-in-Bay, adjacent to Sandusky, and within easy reach of Cleveland, Toledo and Detroit, Camp Perry is the most accessible of all large rifle ranges, which fact augurs well for the attendance on these matches. It is expected that more than 1000 of the crack military shots will be in attendance who, with the 1200 officers, scorers, markers, guards, etc., will make a camp of about nearly 2,500 men.

The principal match at Camp Perry will, of course, be the national team match, for which congress has provided the trophy. It is for teams of 12, open to the army, (2), navy, marine corps, military and naval academies, and the national guard of the various states and territories, including the District of Columbia.

In this match there will probably be forty entries. The second team receives the famous Hilton trophy and the third the soldier of Marathon, while there are six cash prizes for the six highest teams. Each member of the winning team receives a medal.

Next in importance are the national rifle and the national pistol matches, in both of which there are a number of cash and medal prizes.

Last year there were 648 competitors in the individual rifle, and 250 in the pistol match, and more are expected to enter this year.

SHRINERS IN SESSION.

Business Will Be Concluded Tomorrow—Remainder of Week Will Be Given to Entertainment.

St. Paul, Minn., July 14.—Escorted by the visiting patrols, in brilliant uniforms, to music supplied by many bands, through streets decorated in every color of the rainbow, the members of the imperial council, Ancient Arabic Order Nobles of the Mystic Shrine, marched to St. Paul's magnificent municipal auditorium today and formally opened the 34th annual session.

The business of the council will be concluded tomorrow and the balance of the week will be devoted to carrying out the most elaborate entertainment program ever devised in honor of the Shriners. Visitors from all over the country continue to arrive and the hotels of both this city and Minneapolis are crowded as they have seldom been before.

A grand parade of patrols and Shriners will be held this evening and will be repeated in Minneapolis tomorrow evening. Thursday will be Minneapolis day. Friday will be marked by a civic parade in which Minnesota national guard and troops from Fort Snelling will participate.

PATTERSON NOMINATED.

Nomination by Democrats Equivalent to Election.

Nashville, Tenn., July 14.—Governor M. R. Patterson will be declared the democratic nominee for governor of Tennessee, equivalent to election at the state convention opened in this city at noon today. The convention will also nominate one candidate for the supreme bench, two candidates for the court of civil appeals and a candidate for railroad commissioner.

The gubernatorial fight was really decided in the recent primary and today's convention will only ratify the renomination of Patterson. The principal issue was the liquor question. Governor Patterson standing for local option and his opponent, former Senator Carmack, demanding statewide prohibition. The victory of Patterson is looked upon as the turning of the prohibition tide which has been sweeping all before it in the south during the last few years.

A Revelation.

It is a revelation to people, the severe cases of lung trouble that have been cured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. H. Fuggles, Resnor, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet." Pendleton Drug Co.
