## AMONG THE EXCHANGES OF THE INLAND EMPIRE

**Gathering Big Cherry Crop.**  
The gathering of the Cove cherry crop will begin Monday, but packing is not expected to begin until about the last of next week, says the La Grande Star. A very large number of growers of the Cove have arranged to have their fruit handled by E. Z. Carbine of Fruitdale, and Mr. Carbine expects to make shipments direct to Chicago, where the cherries will go into the auction sales in that city.

It is probable that the fruit will be shipped eastward over the Northern Pacific railroad, and a conference was on hand yesterday with the traveling freight agent of that road for some concessions that is expected to put the shipments through on passenger train schedule.

The rains have been beneficial to the cherry crop of Cove and in fact to all the fruit crops. The yield of cherries, it is now estimated, will exceed by at least 25 per cent the former figures.

A couple of weeks ago the yield for Cove district was placed at 140 tons. This figure is now considered not only conservative, but entirely too low. The Cove will produce much more than half of the entire output of the valley. One grower in Cove, George Thomas, will have an output of 60 tons.

**Something About Logan Berries.**  
J. F. Miller was in the city this morning from his ranch three and one-half miles northwest of the city on the Hill road, bringing with him a good load of Logan berries which he disposed of to the various merchants about the city, says the Boise Capital News.

Some of the largest varieties of this practically new fruit, attracted considerable attention at Dolan's fruit stand today and led to the measuring of several berries. One of the largest measured a trifle less than one and one-half inch and nearly all measured an inch in length. The berries are firm and possess a delicate flavor unlike any other variety of fruit.

The Logan berry is a cross between a blackberry and a raspberry and is of a bright red color. Burbank, the famous horticultural experimenter, is the man who started their growth here, and now they are raised by several farmers. The berries are grown similar to grapes, that is, they are trailed on an arbor or fence. They yield heavily and ripen slowly with the season lasting much longer than

raspberries or strawberries and bring a higher price in the market than other small fruit.

**Planting Trout by Thousands.**  
Rainbow trout fry to the number of 15,000 are to be brought to North Yakima this week from the Spokane fish hatchery and liberated in the streams adjacent to this city, says the Yakima Republic.

Game Warden Thomas Mullen has been in communication for some time in an effort to procure a planting of fish for the streams here and has succeeded not only in procuring the rainbow trout, but will receive at the same time some 2000 eastern brook trout fry and has further assurances that a lot of fish from the federal government supplies will be sent to him here.

A day or two ago 30,000 rainbow trout fry, an inch or more in length, were planted in Lake Kachess and of course, owing to the migratory character of the fish, the benefit of this planting will accrue to a large section of territory.

**Killed in Fall From Train.**  
In his dying statement John Jacobson, who was crushed under a train near here last Saturday, swore that the brakeman kicked him in the breast as he was climbing down, knocking him from the top of the coach, says an Ontario dispatch. The dead man was a Scandinavian, 25 years of age, weighed about 200 pounds and was a stationary engineer. He is prominently connected and his brother arrived here before his death. His brother-in-law is a prominent traveling man of Portland. Jacobson was killed by being run over by passenger train No. 2, on the O. S. L., early Saturday morning. Jacobson and four other men were beating their way eastward and were riding on top of the coaches. The flagman climbed on top of the train and made them get off.

**Whiskey Peddler Arrested.**  
Frank Bartmess was arrested yesterday on a warrant from the justice of the peace court charging the defendant with the illegal selling of liquor, says the La Grande Star. The basis of the charge is on information furnished by the Palmer woman. The defendant may have a hearing today. In the meantime there are rumors that others may be brought up before the court on similar charges.

### CHORUS GIRLS PLAY BALL

Lillian Russell Will Umpire Game Played in Costume.

New York, July 17.—Clad in bloomers, the prima donnas and the chorus girls will go out to the Polo grounds tomorrow and settle their differences on the diamond. Miss Lillian Russell, wearing a miracle of a summer gown, will umpire the baseball game between the feudists of the stage. There will be another game between the actors and the theatrical managers, while George M. Cohan's Yankee Doodle nine will engage in a contest with the champions from Jacksonville. Some of the gladiators of the ring will show off their prowess and there will be several brief but exciting wrestling contests between famous professionals. Also—c—sh—it is whispered about that some of the actresses present will wear stunning and distracting sheath gowns, which will probably add to the gate receipts. The occasion of all these doings will be the annual theatrical field day for the benefit of the New York Home for Destitute Crippled Children, a charity supported by people of the stage.

Among those who will be seen on the diamond in costume are Mabel Hite, from "The Merry Go Round," Bessie McCoy and 10 Yama Yama girls from "The Three Twins," Gertrude Hoffman, Tricie and Bessie Friganza, Josephine Cohan, Nora Bayes, Elphye Snowden, Corinne, Marian Livingston, the female wrestler, the Coster Girls from "The Yankee Prince," and scores of others as well known.

Among the men who will appear in costume on the grounds will be Maclyn Arbuckle, Raymond Hitchcock, George Evans, George M. Cohan, Sam Lewis, Tom Ryan, Billie Reeves, Rice and Prevost, Collins and Hart, Gilbert Gregory, McIntyre and Heath, Harry Barry, Arthur Rigby, George Parsons, Donald Brian, "Doc" Charles Wright, Jack Gardner, Barney Bernard, Lee Harrison, Richard Carle, Clifton Crawford and dozens of others.

Among the athletes who will give exhibitions will be Abe Attell, Tom Sharkey, Jack O'Brien, Leach Cross, Harry Harris, James J. Corbett, John L. Sullivan, Joe Walcott, Bert Keyes and others. The wrestlers will be represented by Ernest Roeder, Tom Jenkins, George Bothner, Leo Pardello, John Plening and Jim Galvin.

The Chinese actors are coming from their theaters in Doyers street to present the latest Chinese success, "The Duel," the climax to be a Manchurian sword battle.

Fred Thompson of Luna park, will furnish two big elephants for the youngsters to ride on around the Polo grounds.

The home gets no state or city aid and is not fostered by any church or organization. It is strictly non-sectarian, its sole mission being to aid suffering childhood, without regard to race or creed. ### NATURE TELLS YOU

As Many a Pendleton Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills. Mrs. G. W. Prospeck, living in the western part of Elgin, Ore., says: "Doan's Kidney Pills have proven a priceless remedy to me. Kidney complaint troubled me from infancy and I was gradually becoming worse. I never knew a remedy that would give me relief and every moment of my life was spent in misery. I was troubled with dizzy spells, my back ached severely and my kidneys were so frequent and the secretions so irregular as to cause me great inconvenience. Whenever I took the least cold, it was sure to settle in my kidneys and greatly aggravated my suffering. I took several remedies which gave me temporary relief, and the attacks were sure to return. At last I learned about Doan's Kidney Pills. procured a box, used them as directed and before I had taken one half the contents I was free from backache, and my kidneys were regular and normal in action. I have not had any trouble since and give Doan's Kidney Pills the credit for my present good condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### TO REFORM BILLBOARDS.

Objectionable Advertising Will Be Discouraged by Posters. Detroit, Mich., July 17.—Members of the Associated Billposters and Distributors of the United States and Canada, in annual session here, have agreed to continue the movement for the suppression of all objectionable billboard advertising. Hereafter the "paper" of burlesque shows and similar attractions will be subjected to a severe censorship and pictures of stage beauties likely to bring blushes to the cheeks of passersby, will not be allowed a place on the billboards. Melodramas with suggestive titles have also come under the ban of the billposters' displeasure.

The association practically controls all the billboards in the leading cities and towns of this country and Canada so that the reform will be widespread.

### RUN OVER BY OX TEAM.

It is seldom that we hear of ox teams nowadays, but there are many people who feel so lazy and dumpy that if an ox team came along they would not feel able to get out of the way. For such people there is a remedy equal to Sarsaparilla. Price \$1 a box, six boxes \$5, with full guarantee. Address or call the Pendleton Drug company. This is the store that sells all the principal remedies and does not substitute.

## THE AMOUNT OF YOUR "BELIEF IN ADVERTISING" WHICH IS PUT INTO TYPE IS WHAT COUNTS.

There is probably a clothing ad in today's paper that will remind you that your new suit is overdue. Meet the ad "face to face," and it will help you to meet the clothes problem that way.

It won't pay you to try to deal with a buyer who wants your property only half as much as "the right man" would want it.

Your store is NOT "big enough," or prosperous enough, unless your ambition and aspirations are under-sized.
