**ESPERANTO KUNVENO**

Disciples of New Universal Language are in Session.

CHAUTAQUA, N. Y., July 21.—Karaĵ, samideano! Vivu, Esperanto! Vivu, Zamenhof! Vivu, la Nacia Esperanta Kunveno!

Freely translated, this means that the disciples of Dr. Zamenhof's new universal language, Esperanto, which is alleged to embrace all the virtues of all other languages and the faults of none, are gathered in Chautauqua today for their first national convention and that they are glad to see each other. Karaĵ, samideano—the same meaning, Shake, brother of the same idea!

Not in many years has this center of learning entertained such an enthusiastic gathering as today's assemblage of Esperantists. Chattering volubly in a language that sounds like a cross between Greek and Choctaw to the uninitiated listener, but which, nevertheless, has a musical and pleasing tang, the followers of Zamenhof, the Russian Pole, are confident that the universal language will soon accomplish its mission. Thus the wrong inflicted upon humanity by the ambitious builders of the tower of Babel will be undone and all nations, joined together by the bonds of a universal talkfest, will settle their differences with words instead of war. Vivu, Esperanto!

The feature of today's session was the raising of the Esperanto flag, which was accomplished with much ceremony and a great flow of Esperanto oratory. A concert, in which Esperanto songs will be sung, will be held this evening.

The convention will continue Thursday and Friday. Systems of instruction will be offered for those who have not yet thoroughly mastered the language. The speakers and instructors on the program include leading educators in the United States, Canada and Mexico.

An attempt will be made to secure next year's International Esperanto Congress for this country. This year's international congress, the fourth, will be held in Dresden, Germany, beginning August 15, and will be attended by many Americans. The Convention last year was held in Cambridge, England, and enlisted the co-operation of many great English educators.

It is stated that General Wood has recommended that the military officials at Washington give official recognition to the new international language and has urged that a delegate be sent to the Dresden convention. United States consuls at Dresden and Geneva have also made reports urging the same action.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. In the spring of 1902 I bought a bottle of Kodol and the benefit I received all the gold in Georgia could not buy. May you live long and prosper. Yours very truly, C. N. Cornell, Roding, Ga., Aug. 27, 1906." Sold by Tallman & Co.

**LACK OF WORK LEADS IN SUICIDE CAUSES.**

Drink Is Second With Gambling Third and Loneliness Fourth—Curious Records Kept by Salvation Army.

Five Salvation Army officials, among them Brigadier Alexander McMillan, founder and head of the famous anti-suicide bureau, will leave Chicago this week to take commands in various parts of the United States.

During the year or more since the "anti-suicide bureau" was started, exactly 400 men and women have applied for advice. According to the army officials a large proportion of these would have taken their lives if the bureau had not intervened. In preparing a final report of the work of this department, Brigadier McMillan has compiled a table of causes of desire to commit suicide. "Lack of employment heads the list with the entry "drink" a close second. Then comes gambling, financial difficulties, family troubles and half a dozen other causes of less frequency. Twenty-seven ascribed their desire for death to loneliness.

Brigadier McMillan, who came to Chicago from Spokane, Wash., in 1905, has been ordered to Des Moines to command the Iowa division.

Brigadier Peebles, who has been in charge of the army's actual and industrial operations throughout the west, goes to Denver to take charge of the Rocky Mountain division of the organization. He will be succeeded by Brigadier Emil Marcu son, who has had charge of the army social work in Cleveland.

Brigadier Kimball gives up the direction of the organization's spiritual work in Chicago to go to New York City. Major Dart is appointed general secretary to Colonel Blanche E. Cox, of Kansas City, and Captain Riddle, who has had charge of children's work in Illinois and Iowa, also goes to Kansas City to undertake similar work in Nebraska, South Dakota and Oklahoma.

**Ranchers' Steel Water**  
Attorney R. B. Williamson, of the United States reclamation service, has filed several informations against ranchers of the sunnyside country charging them with stealing water from the Sunnyside canal since the Yakima Republic. This trouble occurs every year at this time and strong measures are to be taken to protect the canal from being interfered with. Prosecuting Attorney H. H. Wende has promised to give the reclamation service all the assistance in his power to enforce the law and offenders will be dealt with promptly.

The reclamation service officials

**LYDIA E. PINKHAM'S VEGETABLE COMPOUND**

No other medicine for Woman's ills in the world has received such wide-spread and unqualified endorsement as has Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

No other medicine has such a record of success for woman's diseases, or such hosts of grateful friends as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been the standard remedy for feminine ills, Inflammation, Ulceration, and consequent Spinal Weakness.

It has relieved more cases of Backache and Local Weakness than any other one remedy. It dissolves and expels tumors in an early stage of development.

Irregularities and periodic pains, Weakness of the Stomach, Indigestion, Blotting, Nervous Prostration, Headache, General Debility, quickly yielding to it; also deranged organs, causing pain, dragging sensations and backache. Under all circumstances it acts in harmony with the female system.

It removes that wearing feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulency, melancholy or the "blues." These are indications of Feminine disorders, which this medicine overcomes as well as slight derangement of the Kidneys of either sex.

Women who are sick and want to get well should resolve to accept any substitute for Lydia E. Pinkham's Vegetable Compound.

are responsible for the supply of water to the users in the Sunnyside valley and it is alleged that the stealing of water means damage to the canal and interference with the system of distribution.

**EAGLES CELEBRATE.**

State Convention Is in Session in Missoula.

Missoula, Mont., July 21.—A horse racing matinee, a balloon ascension, band concerts and an automobile excursion are among the amusements that Missoula has provided today for the visiting Eagles. The opening session of the state convention was called to order today.

Another business meeting will be held tomorrow, followed by a competitive drilling contest for \$750 in prizes and a baseball game for the Eagle championship of the state. The grand illuminated parade, which is advertised as "the most gorgeous spectacle ever seen in Montana," is scheduled for tomorrow evening, after which \$3000 will be burned up in a fireworks display.

**Rev. J. W. Williams Testifies.**  
Rev. J. W. Williams, Huntington, W. Va., testifies as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble, and am free to say that Foley's Kidney Remedy will do all that you claim for it." Pendleton Drug Co.

We have often wondered if free speech is really on the free list.

**The Cause of Many Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deep-seated and so insidious. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and aching pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**THE AMOUNT OF YOUR "BELIEF IN ADVERTISING" WHICH IS PUT INTO TYPE IS WHAT COUNTS.**

There is probably a clothing ad in today's paper that will remind you that your new suit is overdue. Meet the ad "face to face," and it will help you to meet the clothes problem that way.

If you have lived too long in one place, look at the furnished rooms advertised today—and get a change of scene.

It won't pay you to try to deal with a buyer who wants your property only half as much as "the right man" would want it.

Any quest by which you can make a "new test" of want advertising today? Think it over.

Your store is NOT "big enough," or prosperous enough, unless your ambition and aspirations are under-sized.

There never was a day in any calendar when adequate advertising would do more for your store than it will today.

LOOK IN OUR CLASSIFIED COLUMNS FOR WANT ADVERTISING.
