FAIR BILLS HERE

POSTERS BEING SENT
TO ALL PARTS OF DISTRICT.

Umatilla-Morrow District Exposition
But Two Months Off—Music Promises to Be the Best Yet—De Caprio's Band of Portland and the Wagner Band of Seaside, Being Considered.

Posters and other advertising for the district fair have arrived and they are now being sent out by Secretary Fitz Gerald. Aside from the big show bills numerous small dodgers have been secured and one of these is in the form of confederate money.

As the date for the fair is now but two months distant the commissioners are getting busy with arrangements for the same and they will be occupied from this time on.

Up to the present the band for the fair week has not been engaged. However offers have been received from a number of high class organizations and the commissioners say they will have a better band this year than ever in the past. The De Caprio band of Portland and the Wagner band of Seaside are among those being considered.

Addison Bennett, editor of the Irigon Irrigator, has been commissioned as the judge of the baby show this year and will have entire charge of the awards in that department.

DOUBLE FIRE.

Barn Burns and Gasoline Stove Explodes Early This Morning.

Another barn fire occurred shortly after 6 o'clock this morning when a little stable on the place occupied by Charles Dickens, on Tustin street, was burned. A horse and a cow were in the stable when the fire was discovered but both animals were taken out in safety by Mrs. Dickens.

The blaze is thought to have been started by a tramp who had slept there during the night.

He will thresh next week and expects more than an average yield as crops in that locality have not suffered from the dry weather as in many other parts of the county.

FOR BIGGER FT. HALL PROJECT.

Government Enlarges Irrigation Scheme in Idaho.

The Pocatello Tribune says of the change and enlargement of the Fort Hall government irrigation project, at Fort Hall, Idaho:

F. H. Newell, chief of the United States reclamation service, who was in Pocatello last evening with the Garfield party, announced that the government had virtually decided to make a sweeping change in plans for the Fort Hall irrigation project, and had under consideration a new project which when consummated will mean more to Pocatello than any one thing that has happened, since the birth of the town.

Chief Newell says it is now the intention of the reclamation service to use water from the Jackson lake storage reservoir in Wyoming in the canals of the Fort Hall irrigation project, and conserve water in the proposed Blackfoot storage reservoir for use in reclaiming lands along the upper Portneuf river, along the benches on both sides of that stream and along the left bank of the river between Pocatello and American Falls. This will make Pocatello the center of one of the largest tracts of irrigated lands in Idaho.

Chief Newell says that all the details of the plan have not yet been worked out, but that it was so certain to be finally adopted that engineers have been ordered to make a detailed survey at an early date. A corps of surveyors will be in Pocatello this summer to begin work.

Before the plan is consummated it will be necessary for 90 per cent of homesteaders on the tract proposed to be irrigated to sign contracts to take water.

Bank Cashier Arrested.

Chis Olson, cashier of the Scandia bank, a state institution, was arrested at Everett Friday afternoon on a direct information filed in the superior court charging him with the crime of wilfully and knowingly making a false statement of the assets and liabilities of the bank.

Four buildings were burned at St. Regis, Mont., Monday, causing a loss of about \$12,000.

BISHOP POTTER DIES IN PEACE.

(Continued from page 1.)

thing when he returned to New York, that "You may depend upon it there is no love lost between the two countries. I think there is a good deal of gush about the British protestations of love for America."

He was very liberal with his ministers and was especially hearty toward Dr. Rainsford, at whose views and ways many New York churchmen, at first looked askance. But one day, when a gathering of ministers was at his house Dr. Rainsford arrived late, having just come in from a fishing trip and wearing his angling togs. This was too much for the bishop and he said abruptly, "Oh, Rainsford, please go and put on something canonical," and Rainsford did.

The greatest monument to Bishop Potter's memory will undoubtedly be the famous Cathedral of St. John the Divine, which is being builded on University Heights, New York. The bishop threw his whole soul into this great work, raised millions of dollars for it, but he did not live to see more than a small part of the magnificent structure completed. He himself never expected to see the completion of the work and did not even expect the next generation to see it, but with characteristic greatness of mind he planned far ahead and rejoiced in the idea that some future generation would enjoy the magnificent sight of the completed cathedral.

Bishop Potter was twice married, first in 1858 to Eliza Rogers Jacob, daughter of one of his parishioners in Greensburg, Pa. Mrs. Potter died June 30, 1901, from heart failure, leaving five children. In the autumn of 1902 the bishop was married to Mrs. Alfred Corning Clark, a widow of 55.

ARBA R. MURRAY DEAD.

Young Son of Mr. and Mrs. Pete Murray Succumbs to Spinal Meningitis After Long Illness.

Arba R. Murray, son of Mr. and Mrs. Pete Murray of Adams, died last evening at St. Anthony's hospital after a long illness with spinal meningitis. He was aged 14 years, 7 months and 27 days and was the oldest child of the family.

The case has been one of the most pitiable to come before the notice of local physicians for some time. The boy was taken ill with spinal meningitis on February 17 and on March 17 was brought to St. Anthony's hospital, where he lingered until 4:30 last evening. He was an exceedingly strong and robust boy and made a hard fight against the disease but finally succumbed.

The remains were taken to the home of the grandmother, Mrs. Bateman at the old agency by M. A. Rader the undertaker, this morning, and the funeral will occur at Mrs. Bateman's tomorrow morning at 9 o'clock. Interment will take place at the Mission cemetery tomorrow forenoon.

BANISTER IN TOWN.

Will File Answer to Mose Taylor's Sensational Damage Suit.

John Bonister of Athena, has been in the city today and says that the defendants in the suit brought by Mose Taylor will file an answer or a demurrer within a few days. Judge Fee will represent them.

In a recent issue of this paper it was incorrectly stated that Mr. Bonister and Mrs. Taylor are brother and sister. The two are not related at all, but have been neighbors for many years.

Shipping Sheep to Seattle.

Dan P. Smythe went to Athena last evening where he will ship five car loads of sheep to the Seattle market. The sheep were trailed across country from the range in the vicinity of Meacham. Dr. Pinkerton of the federal bureau of animal industry also went up to Athena to inspect the sheep as they are loaded.

Horses Killed by Lightning.

Several horses have been killed with in the past few days by lightning in the vicinity of Lookout and Chesley, Idaho.
