FREEWATER ADVICES NEWS OF WESTON

SECOND ANNUAL PEACH DAY CELEBRATION.

Date Set Is September Third—Committee Now Arranging for Big Fair—Young Boy Successfully Operated Upon for Appendicitis—Land Sales Go On.

Freewater, Aug. 1.—At a meeting of the Freewater Commercial club it was decided that the next annual Peach day celebration be held here on Wednesday, September 3. Great preparations are already being made, and all fruitgrowers will have their best peaches and fruits on exhibition for this occasion, and it will be made even a greater success than the celebration held last year. The executive committee has been appointed as follows: C. T. Godwin, W. F. Kortz, L. B. Mitchell, J. H. Hall, D. C. Sanderson; finance committee, A. Tanke, D. C. Sanderson, A. S. Pearson, Andy Johnson, L. E. Mitchell, J. L. Unison and H. Mansfield.

Eugene Kelly, son of Mr. and Mrs. L. B. Kelly, has been successfully operated upon for appendicitis at St. Mary's hospital in Walla Walla, where he was taken a few days ago.

Miss Metta Johnson has been engaged to teach the school on the east side of the Tum-a-lum the coming season.

The W. C. T. U. will meet with the Misses Howard Wednesday afternoon, August 5. Another gold medal contest is being planned for August 30.

J. M. Labadie has just sold 10 acres of unimproved land about two miles south, but the wheat sold brought 75 cents, the consideration being \$1250 or \$125 per acre.

Mrs. Martha Ringer has sold her 20-acre tract two miles west of town to T. J. Montgomery of Franklin county, Washington, for a consideration of \$2400.

The Hudson Bay Grange will hold an important meeting tonight at the Grange hall.

Many more people have gone to the mountains in the last couple of days to camp for a time during the hot weather.

Cured Hay Fever and Summer Cold. A. S. Neubaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which only seemed to aggravate it. Fortunately, I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success. Pendleton Drug Company."

WHEAT SELLS HIGH.

Buying Fat Hogs for Market in This Vicinity.

Athena, Aug. 1.—Only a few sales are reported at Athena so far this season, but the wheat sold brought 75 and 78 cents per bushel. As the harvest season progresses it becomes more evident that the crop is far below the par yield. The prices realized on a strong market will go a long way toward making up for the deficiency in the yield. W. P. Willaby's crop was bid in by Dave Taylor for 78 cents.

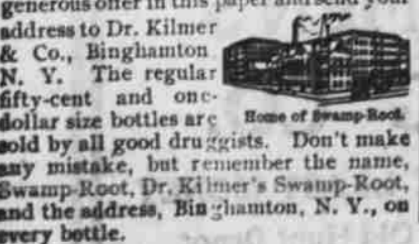

Reinhold Harras has been buying fat hogs in the vicinity of Athena and Weston at from \$5.50 to \$5.75 per hundred weight. He has just shipped two carloads from here to Roslyn, Wash. He will return in about 10 days to make a further shipment of cattle and hogs.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail. Also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WHEAT SOLD HIGH AT WESTON YESTERDAY.

All Bought in by Pacific Coast Elevator Agent—Many Good Yields Reported, Though Short of Last Year Many Campers at Mountains.

Weston, Aug. 1.—The local wheat market was quiet up till yesterday, when suddenly some spirited bidding was done. About 70,000 bushels of wheat changed hands in a short time on a basis of 76 cents for No. 1, the price ranging up from 73 cents according to the grade. S. A. Barnes, agent for the Pacific Coast Elevator company, secured every bushel sold.

On Dry creek G. W. Staggs cropped 1665 sacks of wheat from 115 acres, or a little better than 30 bushels per acre. J. H. Coffman had a 30-bushel average from 230 acres. George Winn's crop has been running about 35 bushels to the acre. So far all fields are yielding good in this section, varying from 25 to 40 bushels to the acre.

J. J. Morton has gone to Portland, where he will remain for a short time on a business trip.

George Barnes of Dalles, Wis., has arrived here to visit for a few weeks with his brother, Wm. Mackenzie.

A great many campers have gone to the mountains from here, and many more are arranging to go in the next week, since it has turned so warm again.

Mr. and Mrs. Homer Beathe are expected here from Seattle in a few days to visit with relatives for a short time.

Why James Lee Got Well.

Everybody in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it. Sold under guarantee at Tallman & Co.'s drug store, 50c and \$1.00. Trial bottle free.

CONGRESS OF "ROUGH-RITERS."

Every Type of Radical Thinkers Gather at Fra Elbertus' Board.

East Aurora, N. Y., Aug. 1.—Radical thinkers of every type, from pink tea theosophists to philosophical anarchists, are gathering today at Roycroft Inn, Elbert Hubbard's hostelry, for the annual New Thought convention and congress of Rough-Riters. Today's services were of a preliminary nature, and the mental bomb shells and intellectual dynamite will not begin exploding freely until next week.

According to the announcement of Fra Elbertus, the famous leader of the flock, there will be two formal—but not too formal—programs daily until August 12, when there will be discussed ideas concerning the best way to bring about paradise, here and now.

Among those who will add to the oratory of the occasion are Richard Le Gallienne, the poet and story writer; Alfred Henry Lewis, author of the "Wolfville" tales and popular magazine writer; Dr. J. H. Tilden, of Denver, editor of "The Stuffed Club"; Professor William Muldoon, the physical culture expert who has recently put Secretary Root through a course of sprouts; the Rev. Henry Frank, the New York radical minister, and the Rev. Benjamin Fay Mills, of the Los Angeles Fellowship.

Open G. O. P. Offices.

New York, Aug. 1.—Active campaign work on behalf of Judge Taft was inaugurated today, when the national committee opened headquarters here. The offices are in the Metropolitan Life building, which has been the New York headquarters in the last two national campaigns. The home of the committee, formally opened today, is on the 10th floor of the new Metropolitan tower. Secretary Hitchcock will spend most of his time in this city and direct the fight from here. The republican congressional committee will also transact most of its affairs from the New York office, although the headquarters will technically remain in Washington.

Wallowa Treasury Case Settled.

The imbroglio over the county treasurer's office in Wallowa county has been settled by Mr. Frank A. Reavis, the former treasurer, turning over the records and cash of the office to his successor, W. T. Bell, says the La Grande Star. Upon previous refusal to do this Judge Knowles issued a writ of mandamus. This writ was not obeyed and proceedings in the way of contempt of court were set for hearing Tuesday. In the trial of the issue involved it was decided by the court that Mr. Bell was the rightful successor to Mr. Reavis and on this decision the office was relinquished and the contempt proceedings dismissed. In this case Attorney C. H. Finn, of La Grande, appeared for Mr. Bell and Attorney D. W. Shehan, of Enterprise, appeared for Mr. Reavis.

BEAR CARRIED OUT TO SEA.

Love for Salmon Proved Undoing for Mr. Bruin.

A huge black bear which had strayed from his native heath to the beach at Astoria, in quest of fish, was carried out to sea Tuesday afternoon after several vain attempts to climb up the steep rocks at the mouth of the Columbia, says the Portland Journal. As related by E. G. Bekerson of the Warren Packing company, some fishermen started at the unusual appearance made by the huckleberry eater in swimming with his black snout protruding over the surface, cried out in fright and their yells for help were heard by J. C. Johnson, who was out in a fishing boat for the Warren Packing company.

Meanwhile the discoverers of the unique "sea serpent" were attacking him with boat hooks and oars and Johnson, who had a gun, at first could not get a shot at the bear for fear of hitting one of the men in the other boat. Finally Johnson circled around until he had the bear in range and the excited pursuers out of the danger line and aiming carefully sent a bullet through bruin's brain, killing him instantly.

The bear was pulled aboard by means of boat hooks and only after they had gotten him out of the water did the fishermen know what manner of animal he was. The unfortunate beast measured eight feet. The Warren company has his skin at their station on Sand island, where many visitors have viewed the trophy.

Nuggets from Success Magazine.

You can't keep success away from a man who works and is on the level.

A man feels awfully rich when he's got a few dollars his wife doesn't know about.

It is not enough to hold the key to the situation. You must be able to turn it to open the door.

At the last commencement exercises in Des Moines school the graduates recited quotations of their own selection. But the quotation which was the brightest and most cheerful, and the most buoyant with hope, was given by a poor crippled girl who stood up on her crutches while reciting:

"When a wind storm sweeps the forest, it is the weakened trees, those with rotten hearts, that fall."

"If your servants knew as much as you expect them to know, they would not be your servants."
