ALASKA WHEAT MAY BE FAKE

THE GOVERNMENT IS NOW INVESTIGATING.

Colorado Agricultural College Says It Is a Revival of the Alleged Egyptian Wheat Once Before Used to Deceive the Farmer—Searching Investigation by Agricultural Department.

That the Alaska wheat alleged to have been discovered by a Juliaetta, Idaho, farmer is a bit of "nature faking" is now almost certain. The government will investigate it. A letter from Fort Collins, Col., says:

Alaska wheat, which professors at Colorado Agricultural college say is practically the same as the "seven-headed wonder" variety used to swindle years ago, will undergo investigation at the hands of the United States department of agriculture. Secretary Wilson, who is in Colorado, will be placed in possession of all information relative to the variety, which was announced to revolutionize wheat-growing in America.

It is probable also that the post-office department will be asked to make an investigation with a view to determining the extent of the operations of Abraham Adams of Juliaetta, Idaho, discoverer of the wheat, which, according to the tests made in the Colorado experiment station here is an exact duplicate of the Egyptian seven-headed wonder.

Adams claimed a yield of 200 bushels to the acre for the Alaska wonder. The sample of his wheat planted here shows about 50 bushels to the acre, as near as can now be estimated, and the wheat grades No. 4. Adams claims that it graded No. 1 hard.

Sells at \$20 a Bushel.

Investigation develops that agencies have been established at various points for the sale of the seed of the Alaska wheat at the rate of \$20 a bushel. A weekly newspaper of Denver is one of these agencies. In a recent issue the following statement was made:

"The editor has just received a letter from Adams, and he informed us that he had disposed of his entire crop of 1908 to an eastern syndicate, for which he will receive about \$2,000,000. But he reserved the four states of Colorado, Utah, Wyoming and Kansas, which we were fortunate to receive the agency for several months ago.

"The price will not be less than \$20 per bushel, and only one bushel will be sold to any one person, as the to secure this wheat should send their orders at once, and they will be registered according to their arrival."

Other agencies are E. W. Tadlock, Box 828, Salt Lake City, Utah; Lloyd Evans, agent for Kansas, at Dodge City, and A. R. Whitley, 1610 Capital avenue, Cheyenne. These agents are said to have been innocently drawn into the seed selling business, the commission being a tempting one and the claims of the Idaho man being so plausibly presented that he had no difficulty in getting well-known men to act for him.

Cured Hay Fever and Summer Cold. A. S. Neubaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which only seemed to aggravate it. Fortunately, I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success. Pendleton Drug Company.

A Siren Needed.

That the present fire alarm system is a failure, becomes more and more evident, says the La Grande Observer. It is time the city took some steps to provide a more adequate alarm system—a step that could be taken at a very small cost. The O. R. & N. officials have already signified their willingness to allow the attachment of a siren at the power house in the local yards. There is perpetual steam in that building, and a fire at any time of day or night could be given proper alarm by the sounding of the siren. Such an instrument could be heard far beyond the city limits. With a strong wind blowing, the present alarm system can be heard but a few blocks in the directions from whence the wind comes.

A Boon to Elderly People. Most elderly people have some kidney or bladder disorder that is both painful and dangerous. Foley's Kidney Remedy has proven a boon to many elderly people, as it stimulates the urinary organs, corrects irregularities and tones up the whole system. Commence taking Foley's Kidney Remedy at once and be vigorous. Pendleton Drug Company.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE AMOUNT OF YOUR "BELIEF IN ADVERTISING" WHICH IS PUT INTO TYPE IS WHAT COUNTS.

There is probably a clothing ad in today's paper that will remind you that your new suit is overdue. Meet the ad "face to face," and it will help you to meet the clothes problem that way. If you have lived too long in one place, look at the furnished rooms advertised today—and get a change of scene.

It won't pay you to try to deal with a buyer who wants your property only half as much as "the right man" would want it.

Any quest by which you can make a "new test" of want advertising today? Think it over.

Your store is NOT "big enough," or prosperous enough, unless your ambition and aspirations are under-sized.

There never was a day in any calendar when adequate advertising would do more for your store than it will today.
