

AMONG THE EXCHANGES OF THE INLAND EMPIRE

Oregon Cows to Idaho.

With a view of making Boise valley and southern Idaho in general one of the largest dairy distributing points in the northwest, the Commercial Creamery company is to have the best dairy cattle obtainable in Oregon and northwestern states shipped into Boise and distributed among the dairy men of the valley, says the Boise Capital News.

The cattle being shipped in are of excellent Jersey stock, and good milch cows. Two carloads of milch cows, with thoroughbreds among the number, have been shipped into Boise from eastern Oregon in the past month. A large number are being purchased by dairymen of Boise valley, while \$1300 worth of cows have been purchased by Albion dairymen. The ranchers are anxious to secure this stock and it is the intention of the creamery company to supply the animals so far as possible.

Forger Is Caught.

Sheriff F. P. Childers left last night for Walsburg, Wash., where he goes to get R. B. Taylor on a warrant sworn out by parties at Elgin charging Taylor with having put out some worthless checks, says the La Grande Star. Isaac Dawson and Carl Hallgarth of Elgin claim to have been victimized to the extent of \$50 on checks which Dawson issued on a Colorado bank. The checks came back from Colorado dishonored and in the meantime the man who received the money had skipped out. This happened about a week ago and the matter was put in the sheriff's hands with the result that Taylor was located at Walsburg yesterday.

Taylor is a ball player and was with the Elgin team during the past season.

Lost Pack Horse on the Trail.

Wesley Smith, at present packing supplies over the Big Minam trail, reports the loss of a pack animal last week, says a correspondent at Cove,

Union county. The rear horse became frightened at a narrow place in the trail and jumped over the cliff, dragging down the next horse ahead. The animal which started the tumble escaped with a few scratches, but the forward horse fell upon the rocks about 20 feet below and sustained such injuries that it was necessary to shoot him. This is the first accident of the kind reported on the trail this season, and it is to be hoped that it may be the last.

Reclaiming the Desert.

From a bunch of sage brush, from practically nothing, White Bluffs, Wash., has within the last year become a thriving and prosperous town of 350 people, says The Dallas Chronicle.

Twelve months ago where this town is now located nothing was seen for miles but sage brush. Today White Bluffs is a neat little place, growing rapidly and surrounded by new fruit orchards and farms.

Crook Farms Sell Well.

Chas. A. King of this city, sold his 160-acre ranch near Sisters last week for the snug sum of \$4000. At the same time H. B. Reed, close by, sold his homestead, containing 240 acres, for \$5800. The purchasers are both Spokane men, and the sale would indicate that a railroad is soon to be headed this way. Mr. King paid \$2,800 for his tract a year ago, and is well satisfied with his profits.—Prineville Review.

Lomax Moves to Portland.

Because the field is larger and he sees a brighter future for himself and his profession, Mr. Leroy Lomax, ex-district attorney, has announced that he will remove from Baker City to Portland in about two weeks and locate permanently in the practice of law, says the Baker Democrat. He has an extensive practice in Baker and Union counties but this he will be able to handle satisfactorily from Portland.

FLOUR MAGNATES OF UNION COUNTY

KIDDLE BROS. NOW OWN FIVE LARGE MILLS.

Men Who Were Working for Wages as Millers a Few Years Ago Now Own Five of Eight Mills in Union County—Island City Mill Recently Burned Will Be Rebuilt—Elgin Mill Has Just Been Purchased—Total Value of Five Mills \$120,000.

Kiddle Brothers, who were working for wages as millers a few years ago in Union county are now the flour mill magnates of eastern Oregon, at the present time owning five mills worth \$120,000.

The firm has just purchased the Elgin flour mill for \$20,000, and already owned the mills at Union, La Grande, Island City and Imbler. The Island City mill was recently burned down but will be rebuilt at once.

The only mills in the valley not owned by Kiddle Brothers at this time are those at Summerville, Cove and North Powder.

The total capacity of the five mills now owned by this firm is 600 barrels per day. The La Grande Observer says of the work of the company:

Kiddle Brothers and associates have added another flouring mill to their possession by the purchase of the Elgin 50-barrel mill.

The company now owns mills at Union, La Grande, Imbler and Elgin, and will within the next few weeks commence the construction of a large mill at Island City to replace the Pioneer mill which was recently destroyed by fire.

The purchase price of the Elgin property is reported to be \$20,000. With five mills distributed in the best wheat-growing sections of the county, and being thorough mill and business men, they have the foundation for a large and increasing annual business.

CONFIRMED PROOF.

Residents of Pendleton Cannot Doubt What Has Been Twice Privided.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Pendleton who so testified years ago, now say their cures are permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Pendleton kidney sufferers.

Mrs. C. Oliver, living at 612 Maple street, Pendleton, Ore., says: "I am just as pleased to endorse Doan's Kidney Pills at this time as when I gave a statement recommending them in 1905. It is over five years since I procured them at the Pendleton Drug Co. and was permanently cured of a severe attack of kidney trouble which had caused me much suffering. For six months prior to procuring Doan's Kidney Pills I could not bear to be on my feet on account of the bearing down pains through my back and kidneys. The secretions were also too frequent in action, attended with pain and gave me great annoyance. I was gradually growing worse instead of better, and in spite of many remedies, failed to find relief until Doan's Kidney Pills came to my notice and I procured a box. They soon went to the seat of the trouble, I was so encouraged that I continued their use, and a permanent cure was the result. I know of others who have used Doan's Kidney Pills and have been permanently cured by them."
