

FIFTEEN YEARS OF KEEN SUFFERING

Rheumatism Developed Burning, Painful Sores on Legs—Tortured Day and Night—Tried All Kinds of Remedies to No Avail—Wife Had Debility and Pains in Back.

BOTH USED CUTICURA AND ARE WELL AGAIN

"My husband had been a great sufferer with rheumatism for nearly fifteen years. At first it was in his bones, but after a while it was in the flesh and finally running sores broke out on his legs, from below the knees to the ankles. There are no words to tell all the discomfort and great suffering he had to endure night and day. He used every kind of remedy and three physicians treated him, one after the other, without any good results whatever. So one day I happened to read about Cuticura Remedies. I asked him if he would not try them. 'No,' said he, 'it's no use, I've spent enough money now.' The next day I ordered five dollars' worth of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent. He began to use them without confidence but after three weeks all the sores were dried up. The burning fire stopped, and the pains became bearable. After three months he was quite well. Two years later the pains and sores came back after he had been working hard and had taken cold. But as soon as he used Cuticura again it cured him. Two years ago I used Cuticura Pills for general debility. They did me a great deal of good and made me well. Three months since I had pains in my back and Cuticura took them away, too. I can prove this testimonial at any time. Mrs. V. V. Albert, Upper Frenchville, Me., July 21, 1907."

Thousand Men on New Line.

"Over 1000 men are working along the right of way for the Idaho Northern Railroad company for the Pacific Coast construction company," said P. McD. Fuller, superintendent of the company, today, says an item from Wallace, Idaho. "Tracklaying has been going on for some time, and is about a mile and a half from Enaville. The tracklaying machine will be started about September 1. Over 600 men are working on the Enaville end of the line and 350 at the end near Murray.

"We received a carload of draft horses from eastern Oregon last week and they are now at Enaville. Some of them will be taken to Murray for use there. A special will leave Wallace for Murray so we can have our Christmas turkey dinner there without doubt. Good progress is being made on the whole length of the line. Now that the right of way is clear for fully 33 miles, and the railroad company has a clear title to the ground, work is moving more rapidly. The road will be completed on schedule time."

Horses and Saddles Stolen.

A telephone message was received at the sheriff's office yesterday that two young men had during some period Friday night stolen two horses from the barn of James McGrath, the Lapwai meat market man, says the Lewiston Tribune. It appears that Mr. McGrath had permitted the men to sleep in the barn. Mr. McGrath understood the men had gone to Culebec and officers in that locality were notified.

Later advices reached the city that the thieves stole two sorrel horses from Albert Moore, an Indian, and two saddles and two pairs of shoes from Judge Grant, another Indian. It was believed the men had started for the Salmon river section with the horses and a number of Indians have started on their trail. The young

MICHIGAN HOLDING STATE PRIMARIES.

Detroit, Mich., Sept. 1.—A state primary, in which republicans, democrats, prohibitionists and socialists are participating, is in progress today in Michigan. Governor Fred M. Warner is opposed for the republican gubernatorial nomination by Dr. J. B. Bradley and H. S. Earle.

Lawton T. Hemans is unopposed for the democratic nomination. Alexander M. Stirtion will be the socialist standard bearer, and John W. Gray will head the prohibition ticket. Patrick H. Kelley has no opposition as the republican candidate for lieutenant governor.

Of the congressional districts in which primaries are being held today, there are contests in but four. State senators will also be nominated in some of the districts of the state.

Principal interest centers in the republican race for the gubernatorial nomination. Governor Warner has served two terms and his supporters are confident that he will be renominated and elected for a third term. Dr. Bradley's friends have waged a hot campaign in his behalf and declare that he enters the primary with good chances of success.

Lawton Hemans, the democratic candidate, will use as his chief campaign argument the statement that "Michigan is suffering under an excessive prolongation of one-party rule," and will urge that the best interests of the state demand a change in its political complexion.

Indian Child Burned to Death.

The four-year-old child of Jesse Chief, a Nez Perce Indian, suffered burns this afternoon that caused her death, says an item from Spalding. The fire occurred at the home of the Indian and was of mysterious origin. However, it is believed it was due to the child playing with matches. Smoke was observed issuing from the house and when parties rushed to the scene they found the child was horribly burned. The mother had evidently been asleep and was in a dazed condition. The child was hurried to Lapwai so that the services of Dr. Alley could be secured, but the injuries sustained were such that death shortly followed.

Drive Out Undesirables.

The petition of the town of Connell to clear out the undesirable element has borne fruit, and it remains to be seen whether the sheriff of the county will carry out the instructions of the attorney in an order served on the sheriff and all of his deputies. Undesirable citizens have been following construction camps along the line of the Spokane, Portland & Seattle railway, and later were attracted by the harvest season.

Freak of Freewater Soil.

As an evidence of the peculiarity of the formation of the Freewater locality, F. C. Greer, who is having a well sunk on his ranch south of town, went down some 25 feet without securing a supply of water and abandoned the well, but a few feet distant began another. When down about 10 feet struck a fine flowing vein of water, evidently sufficient for his wants, says a Freewater item.

A large delegation of Mexican business men will also visit the exhibition.

All of the leading manufacturers and jobbers of the south have installed exhibits.
