PERFECT FRUIT THEIR DESIRE

JUDGES AT FAIR SHOW
CALL EXHIBITS CHAOTIC

Recommend That Fair Association Refuse to Give Premiums to Exhibitors Who Show Imperfect Wormy or Diseased Fruits—Want Standard Sizes for Exhibits—Many Entries Appear Under Wrong Names.

That stringent rules regarding the exhibition of imperfect fruit at the fair be adopted by the fair management is the recommendation of Messrs. C. M. Shields of Milton and S. L. Carson of Irrigon, who together with S. H. Clark of Milton, are the judges of that class of exhibits.

The ladies last evening complained bitterly that the exhibitors themselves, especially in apples and pears had not taken better care in selecting their exhibits. Only one perfect apple display was found among all the individual showings and the rest, together with all the pears were affected with worms, scale, or bitter rot. The peaches and grapes were generally pretty clean fruit.

The ladies will recommend that no premiums be given on any imperfect fruit next year. Another recommendation will be that the individual displays entered be placed in one location instead of distributed among all the booths as the custom this year.

The judges have found their task very arduous, having in many cases to pass judgment on a box of apples as compared with the entry of a plate of the same variety. They believe that a uniform sized exhibit would be of great value.

One feature of the task that showed a negligence upon the part of the exhibitors was the misnaming of many exhibits. Some fruits exhibited under wrong names would have taken first prizes had they been properly entered, but were under the circumstances thrown out.

The objections raised by the judges are based upon a desire for more judicious and earnest work in bringing the fruit standards of Umatilla and Morrow counties up to the highest rank.

BRIDE OF SIX WEEKS IS CALLED BY DEATH

Mrs. Linnie Cook, wife of S. B. Cook, and a bride of six weeks, died this morning at her home on the corner of Marie and Bluff streets. Death was due to an attack of typhoid fever.

The deceased was the daughter of C. Bronson of 715 West Railroad street, and had lived in this city all her life. She was born here January 15, 1890. She was married to S. B. Cook August 18 of this year and was taken with her fatal illness four weeks ago.

No arrangements have been made for the funeral as relatives are expected from Walla Walla and Tappan, but it will probably be held Sunday.

SADDLE HORSE STOLEN FROM CITY LIVERY STABLE

Carney & Kennedy, proprietors of the city livery stable, are now mourning the loss of one of their saddle horses. He has been gone for three days and circumstances indicate that the animal has been stolen by the "customer" who hired him.

Several days the man appeared at the stable and hired the horse to ride to Holdman. There was nothing in the appearance of the fellow to excite suspicion and he was given a mount. But he has not yet returned the steed and this morning the stablemen notified the sheriff's office of the matter.

A SURPRISED MINISTER.

Hyomei Cured Bronchial Catarrh After He Had Given Up in Despair.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomei, which brought complete relief. Hyomei has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

There are many readers of the East Oregonian who are suffering from catarrh, either nasal or bronchial. Many of these despair of ever being cured. They have soaked their stomachs with nostrums until they are disgusted with all medicines, and are now traveling in their miserable way, allowing the devilish germs of catarrh to sap them of their health, energy and vitality.

But let us reason together. Tallman & Co., the druggists, have a guaranteed remedy for catarrh, colds, coughs, bronchitis, croup and all inflammatory diseases of the nose, throat and bronchial tubes. The name of this remarkable remedy is Hyomei, and if it doesn't cure Tallman & Co. will give you your money back.

Hyomei (pronounced High-o-me) is medicated air; you just breathe it through the inhaler over the inflamed and germ ridden membrane, and its soothing antiseptic properties will allay the inflammation, destroy the germs, and restore the entire respiratory tract to its normal condition.

A complete Hyomei outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See Tallman & Co. about it today.
