Our grand exhibit of new Fall styles and models and our acknowledged superiority in value giving are not to be equalled outside of the largest cities and leading fashion centers of the East.

¶ With this style show being held here just at the beginning of the season there will be absolutely no excuse for any man in Umatilla County not being fully up to the metropolitan standard in matters of dress.

¶ We cordially solicit an opportunity to prove these assertions. Our new patterns, including the late dark green and elephant grey shades will interest you.
