Better Stock Is Coming Into Markets
—Packers Declare They Can't
Make Money at Prevailing Prices—
—Some Good Steers Came in Yes-
terday—Poorer Grades Cause Little
Demand—Sheep Arrivals Light.

Portland Union Stockyards, Oct. 2.
—It would be straining the market
somewhat just now to quote anything
over \$7.15 for hogs, for this has been
the extreme top for late arrivals. This
means practically a decline of 10
cents from the former high level, the
trade being unable to secure \$7.25 for
anything that has lately arrived. The
quality is not worth it say the buyers.
The run of hogs in the yards is some-
what better and because of this pack-
ers are not inclined to bid quite as
high as they were a short time ago.
The price of hogs has reached such a
high limit of late that packers say
they are unable to make any money
and for this reason their anxiety to se-
cure supplies is somewhat decreased.
Despite this fact, however, it is quite
probable that if someone had quality
out of the ordinary they would be
able to secure a slight premium over
present quotations, but it would be
unfair to call this the real market.

Few Top Steers Are Arriving.

The run of cattle was not so heavy
in the yards during the past 24 hours,
total arrivals showing 190 head com-
pared with 565 yesterday and none
for this day a year ago. Among the
late run of cattle only small portion
have been select quality and for this
reason former high price levels have
not been reached. The trade is still
inquiring for select stock and is prob-
ably willing to continue the \$4.25
price for top steers for awhile but this
class of goods is not coming so pack-
ers are not bidding up on the medium
or poor grade. In fact they scarcely
care to buy off-quality stock at all.

In the sheep branch of the local
market today, arrivals were just fair,
with little select quality coming forth.
Sales of wethers are still being made
around \$3.25, which is the extreme
top for late trading. Arrivals of
sheep today were 250 head compared
with 730 yesterday and 696 for this
same day a year ago.

Yard's Representative Sales.

The following sales of livestock are
representative of late transactions in
the local yards and clearly show the
state of the demand for the various
lines and weights, with the actual
prices obtained:

Hogs.	Weight.	Price.
47 hogs	9,225	\$5.50
36 hogs	17,710	7.00
19 hogs	1,495	5.50
74 hogs	9,470	7.00
20 hogs	3,400	6.50
76 hogs	19,430	7.15
Cattle.		
35 steers	93,550	\$3.90
1 cow	1,070	3.25
2 bulls	3,000	2.00
38 cows	33,130	2.90
15 steers	15,275	3.75
6 steers	6,865	3.75
Sheep.		
252 sheep	23,695	\$3.25

Following is the general range of
values on stock trading in the yards for
late shipments:

@ 7.15; ordinary, \$6.75; blockers and
China fat, \$6; stockers and feeders,

\$3.50; ordinary, \$2.25; best cows and
heifers, \$2.75 @ 3; medium cows, \$2 @

Echo's Showing Good.

Echo, Oct. 3.—Echo this season
produced more wheat than was ex-
pected and the farmers have reason
to be proud of the success made un-
der the conditions that existed. The
interior Warehouse company shipped
out 25,000 sacks and the Pacific
Coast Elevator company 29,000 sacks
from this place. Some yields ran as
high as 20 bushels per acre.

Rev. Henderson, the new pastor of
the Echo church, preached his first
sermon Sunday evening. He pleaded
for sincerity and union among church
workers in the object of higher citi-
zenship. Mr. Henderson is an earn-
est worker and has made many
friends during his brief stay here.

Asa Thomson, president of the But-
ter Creek Telephone company, has
received word that H. P. Carr, for-
mer manager for that concern, ac-
cidentally shot himself while hunting
last Sunday. Death followed in a few
hours. Carr left here under a cloud.

WOMAN'S BACKACHE

The back is the mainspring of
woman's organism. It quickly calls
attention to trouble by aching. It
tells, with other symptoms, such as
nervousness, headache, pains in the
loins, weight in the lower part of
the body, that a woman's feminine
organism needs immediate attention.
In such cases the one sure remedy
which speedily removes the cause,
and restores the feminine organism
to a healthy, normal condition is
**LYDIA E. PINKHAM'S
VEGETABLE COMPOUND**
Mrs. Will Young, of 6 Columbia
Ave., Rockland, Me., says:
"I was troubled for a long time with
dreadful backaches and a pain in my
side, and was miserable in every way.
I doctored until I was discouraged and
thought I would never get well. I read
what Lydia E. Pinkham's Vegetable
Compound had done for others and
decided to try it; after taking three
bottles I can truly say that I never felt
so well in my life."

Mrs. Augustus Lyon, of East Earl,
Pa., writes to Mrs. Pinkham:

"I had very severe backaches, and
pressing-down pains. I could not sleep,
and had no appetite. Lydia E. Pink-
ham's Vegetable Compound cured me
and made me feel like a new woman."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pink-
ham's Vegetable Compound, made
from roots and herbs, has been the
standard remedy for female ills,
and has positively cured thousands of
women who have been troubled with
displacements, inflammation, ulceration,
fibroid tumors, irregularities,
periodic pains, backache, that bear-
ing-down feeling, flatulency, indiges-
tion, dizziness, or nervous prostration.

THE AMOUNT OF YOUR "BELIEF IN ADVERTISING" WHICH IS PUT INTO TYPE IS WHAT COUNTS.

A business man cannot afford to "miss" news
that affects his particular line of business. Nor
can the "buyer" of the supplies for the house
and family afford to "miss" news affecting
prices of things that have to be bought.

Bargain-hunting is not, as sometimes sup-
posed, the pursuit of a wild desire to spend
money for things not needed. It is the quest of
the best opportunities to buy the things that
ARE needed.

LOOK IN OUR CLASSIFIED COLUMNS FOR WANT ADVERTISING.

Where one woman wastes either time or mon-
ey because of a bent for "bargain-hunting," 50
women save and conserve both.

It is not well to try to load a ship with car-
goes far beyond her cargo capacity. Nor
well to try to advertise a big store in a small
space.

A fixed purpose to find a certain number of
new customers each week is a good sort of ad-
vertising ambition for a merchant.
