Enlarged Population Call Upon Monarch to Declare War Against Austria.

MONARCH TO DECLARE WAR

Austria is to be declared war upon by the enlarged population, according to a recent letter from the committee in charge of the campaign.

The letter states that the committee has received a large number of petitions from citizens asking for a declaration of war against Austria.

The committee has decided to send a delegation of representatives to the monarch to present the petitions and request a declaration of war.

The delegation will consist of 50 representatives from various parts of the country.

The committee will also present a petition to the United States government asking for a declaration of war against Austria.

The declaration of war is expected to take place within the next few days.
