WEAPON FOR PRESIDENT.
Louis Winter of Milton, Will Present President-Elect With Igorotte Spear.
Louis Winter, the well known resident of the Milton country, who has been here today, has a novel scheme by which he expects to strengthen the arm of the man who is elected president tomorrow.
He has an Igorotte pole and spear that he intends to present to the president-elect with the request that he use it against the "wrongdoers" wherever and wherever they may be.
With his wife the old pioneer came down from the east end Saturday and he brought his spear with him. Within a few days he is going to leave upon a trip east and he is going to stop at the home of the president-elect and give him the spear.
"I don't care which man is elected,

they are both good men," said he. "But I want him to be armed so that the wrongdoers will not get the best of him. He can punch them with this spear."
Privately the old gentleman says he has a very bitter prejudice against wrongdoers because certain people have cheated him out of many thousands of dollars.
Mrs. Winter will accompany her husband as far as Princeton, Green Lake county, Wisconsin, where she will visit relatives. Mr. Winter, however, will continue his trip as far east as New York, where he has business of importance to transact.

CANADIAN CAMPAIGN WAS A WARM AFFAIR.

Returning from Calgary last evening Bert Huffman, former editor of the East Oregonian, brings an interesting account of the election just held in Canada.
According to Mr. Huffman the campaign in Canada was much warmer than that now on in this country. Personalities and mud-slinging was much more prevalent.
Canada as a whole went strongly democratic, or liberal. In the coming parliament the liberals will have 130 representatives, while the conservatives will have but 70. As a result of the election Premier Laurier was upheld. Laurier himself does not come up for re-election until two years from now.
The province of Alberta is conservative, having four conservative members of parliament and three liberals.
Throughout western Canada a strong anti-administration sentiment exists because of Premier Laurier's attitude regarding the admission of Japanese and Hindoos. Presumably at the dictation of the English government he has forced the admission of Japanese and his stand in the matter has made him unpopular in western Canada.

AMUSEMENTS

The Dime Twins.
Even though familiar with the methods of making moving pictures you will marvel at the trick picture "The Lightning Post Card Artist," at the old dime, one feature of the attractive bill it offers. At the New Dime "The Unknown Knight" is a most attractive and astonishing picture.

The Orpheum.
"The Fakir's Dream" in which the puppets suddenly come to life and do the carnival themselves, is a feature comic at the Orpheum. "Caught with the Goods," is another moving picture and the song is "Love Me and the World is Mine."

The Edison.
The Edison offers "A French Guard's Bride," "A Miser's Punishment," and the beautiful hand-colored "Pierette's Talisman" with the song, "Two Little Girls."

The Pastime.
The Pastime's bill offers "The Witch," "The Merry Widow Hat," "The Fisherman's Rival," and the illustrated song, "You've Always Been the Same Old Pal."

To Make Negro Dolls.
A factory for the manufacture of negro dolls is the newest Nashville, Tenn., industry, and hereafter the peculiarities of Dixie will be supplied with sawdust-filled reproductions of themselves. The dolls will be made in all shades, from light mulatto to the ace of spades color, in order to supply all demands. The recent National Negro Baptist congress passed a resolution praising the negro doll factory and urging colored people to purchase only negro dolls for Christmas presents. In the past, colored children have had to put up with Caucasian dolls, or uncouth caricatures of negroes manufactured by facetious white men.

Free skating tickets given away each week at Ireland's rink.

Colonel Clark Wood, editor of the Weston Leader, was an interested spectator at the football game Saturday and visited here over Sunday.

FOR AGED PEOPLE.

Old Folks Should be Careful in Their Selection of Regulative Medicine.

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating.
We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorder. We are so certain that it will cure these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. This remedy is called Rexall Orderlies.

Rexall Orderlies have a soothing, healing, strengthening, tonic and regulative action upon the dry, relax muscular coat of the bowel. They produce a natural, successive contraction and relaxation of the muscular fibres of the bowel walls, generating a wave-like motion which forces their contents onward and outward; thus stimulating nature in perfect bowel movement. They also remove all irritation, dryness, soreness and weakness. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhoea, excessive looseness, flatulence or other disagreeable effect. Try Rexall Orderlies on our guarantee, 36 tablets 25c, and 12 tablets 10c. The Pendleton Drug Co.

Supreme Judge Robert E. Eaken of Salem, arrived in Pendleton Saturday to attend the session of the supreme court in this city this week.

Also a new lot of swell Suits ready for your inspection.

At the Up-to-Date Store

SPECIAL!

When you buy a real good hot water bottle, the first thing you see is "Caution: do not use with boiling water"

The Thermolite Hot Water Bottle is absolutely the only exception, but to the contrary you are directed by the manufacturers to "boil from 10 to 30 minutes." Mighty good else you couldn't do this. Then, too, the Thermolite stores heat, stays hot from 5 to 10 times longer than an ordinary hot water bottle. The usual price for the 3 quart size (the price is printed on the box) is \$2.50 guaranteed for two years.

We have placed on sale six dozen of these \$2.50 bottles at a very special price of

75c

one to a customer but you must surrender the two year guarantee as each tag is numbered and we have to send them into the house as soon as sold. They are the guaranteed bottle but are closing them out as a new style bottle will be on the market, as it is almost impossible for the manufacturers to buy a grade of rubber now that will stand this boiling test that these bottles have. Come early as this is all we will have unless the Chicago House sends us more. We have asked for 12 dozen more.

ANOTHER SPECIAL

Burnells Fine Confections, half pound boxes of Chocolates and Mixed Candies. Its the usual 25 size

15c for HALF POUND BOX

STILL ANOTHER SPECIAL

We have on display in our window a genuine oil tanned Alligator Ladies Hand Bag valued at \$50. We started the sale at a special price (same price as asked by one of the largest department stores in New York City at one of their special sales) \$38.50 and this prices will be reduced 25c each day until sold. We believe we have the best selected line of Alligator Hand Bags in the city. Come in and see if you are of the same opinion.

KOEPPENS

The Drug Store That Serves You Best.

The East Oregonian is eastern Oregon's representative paper. It leads and the people appreciate it and show it by their liberal patronage. It is the advertising medium of this section.
