The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. ### MRS. SLAUGHTER TRIES SUICIDE

(Continued from Page One.)

double barreled pistol with which she shot herself before the horrified mother realized what was happening.

The pistol was held within a foot of the woman's breast and the flash of the powder set fire to her dress, inflicting serious burns before it was extinguished by Officer Kearney, who arrived a moment later.

Although she passed a restless night, Mrs. Slaughter is not in a dangerous condition this morning and the doctors believe she will undoubtedly recover.

No reason is assigned by the woman for her deed. "I don't know why I did it; I don't know," she moaned this morning when asked. According to Mrs. King the woman has been despondent for several months over ill health and other things, and has threatened self destruction. She is a sufferer from heart trouble.

The pistol used was one of a very old type and the fact that the cartridge was a "short," carrying but a little powder, probably permitted the rib to turn the ball and saved the woman's life.

Mrs. Slaughter is about 40 years of age and is a widow.

### CAN'T BE SEPARATED.

Some Pendleton People Have Learned How to Get Rid of Both Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

B. Logsdon, living at 1223 Y street, La Grande, Ore., says: "I have been subject to attacks of kidney trouble and backache for four or five years. The trouble was always severe and became more frequent as time went on. I had pains in my back, headaches and the secretions from my kidneys caused me to arise many times during the night. I had heard so much about Doan's Kidney Pills that I decided to try them and procured a box. I took them but a short time when the pains disappeared and my kidneys were restored to their former good health. I am glad to recommend Doan's kidney pills to others."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## IMPORTED BAY RUM

Distilled from the leaves; has that delicate, aromatic, oriental odor which makes people who know "what," consider their toilet or bath incomplete without it. It is void of that stinging, burning sensation, but has just enough "bite" to make it soothing and antiseptic and acts as a panacea to even the most delicate skin in weather that tends to chap and roughen. In fact, 'tis a fine toilet requisite. Ask for an original bottle of the Pyramid Brand.
