NOT A PARTICLE OF SKIN ON BODY

Worst Case of Eczema Doctor Had Seen in 40 Years—For Six Months Father Expected His Baby to Die—Blood Oozed Out All Over Her Body—Had to Be Wrapped in Silk and Carried on a Pillow—Now She Is Perfectly Cured.

DOCTOR RECOMMENDED CUTICURA REMEDIES

"My little girl was born two weeks before her time and my wife died four hours after the birth of our child and I had to raise the baby on artificial foods. Six months after birth she broke out and I had two doctors in attendance. There was not a particle of skin left on her body, the blood oozed out just anywhere, and we had to wrap her in silk and carry her on a pillow for ten weeks. She was the most terrible sight I ever saw, and for six months I looked for her to go to her mama, but thank God and his agents, she is alive and well today and she will be three years old the seventh of December and has never had a sign of the dread trouble since."

"I used every known remedy to alleviate her suffering, for it was terrible to witness. Dr. _____ gave her up and then I went to C. _____ and got Dr. B. _____ and he and Cuticura Soap and Cuticura Ointment saved her. He recommended the Cuticura Remedies, or said we were right in making use of them. As nearly as I can remember, we used eight cakes of Cuticura Soap and three boxes of Cuticura Ointment; but you must take into consideration that hers was an exceptional case, for an old and good doctor said that it was the worst case that had come to him in forty years. I have always had on Cuticura Soap to keep her skin soft and to give her a pure complexion. James J. Smith, Wood and Metal Pattern Maker, Box 234, Buena Vista, Va., Oct. 14 and 22, 1906."

Complete External and Internal Treatment for Every Form of Itchiness, Chafing and Sores, consists of Cuticura Soap (5c) to Cleanse the Skin, Cuticura Ointment (50c) to Heal the Skin, and Cuticura Resolvent (50c) to Destroy the Cause of the Itch. Sold by Druggists. Price 25c per box of 60. To Purify the Blood, send 10c in stamps for sample. The Herpelide Co., Detroit, Mich.

BEAGLE FUNERAL TOMORROW

Remains of Man Who Died Early Last Summer to Arrive Tonight.

The remains of the late William Beagle will arrive tonight from Salmon City, Idaho, and funeral services will be held tomorrow at 2:30 or 3:00 o'clock, probably from the Masonic hall. K. and Raymond Beagle, of Portland, sons of the deceased, are in the city to attend the last rites.

The death of Mr. Beagle occurred early last summer while he was prospecting in the Salmon City country, but owing to the inaccessible character of the country it was impossible to bring the remains to Pendleton for burial until snow fell in the mountains.

NO NEED TO STEAL

Shoplifter Escapes Term in Jail With Clever Tongue.

"A soft answer turneth away wrath"—and a shoplifter who was operating in the Bond Bros. store Saturday remembered the old saw and so aptly applied it that he is not now in jail.

The man was caught in the act of stealing a sweater, originally worth \$5, but marked down for the special sale. Charles Bond spied the theft, called him for it and turned him over to the police.

"Say," the man said, "is this the price of this sweater?" and he pointed to the yellow tag.

"Yes."

"Aw, say, what's the use of stealing when you can buy things for that?" the fellow demanded in utter disgust.

That was enough to win Charley's heart and the man went free.

IMPORTED BAY RUM

Distilled from the leaves; has that delicate, aromatic, oriental odor which makes people who know "what," consider their toilet or bath incomplete without it. It is void of that stinging, burning sensation, but has just enough "bite" to make it soothing and antiseptic and acts as a panacea to even the most delicate skin in weather that tends to chap and roughen. In fact, 'tis a fine toilet requisite. Ask for an original bottle of the Pyramid Brand.
