Levy for City Purpose Is Maximum Limit Allowed Under Present Charter-Levy for Library Only Amounts to Twenty Cents on Each Thousand Dollars-Council Approves West Court Street Improve-

The city council of Pendleton played Santa Claus last evening, and in the stockings hung up by the ladies of the library club left a two-tenth of a mill tax lexy for the support of the library. The levy was made last night at the regular meeting of the council at which time the city fathers made the regular city tax levy, determining upon nine mills for general expenses of the city and two mills for street improvement, and thus going the limit of the city charter in an 11 mill levy,

The special levy for the library amounts to one-fiftleth of a cent on every dollar, or 20 cents per thousand dollars upon the taxable property of the city. Upon the taxable valua-That the Pacific Express company's tion of \$3,665,122.25, the basis of last office will be kept open all day to night's calculations, it will bring in morrow for the accommodation of the sum of \$733 in taxes, of which those receiving Christmas parcels was not more than \$650 will probably be collected, giving approximately that amount toward the expense of the library during the coming year. This sum together with the \$2500 which agent he has a package or two for the library club has set as the sum it proposes to raise for the furnishing and support of the library during the coming season, and the \$50 per month approximate income from the Sturgis fund, which will be used for the purchase of books, will give sufficient money to carry on the library in a most thorough manner.

The library levy was made separate and apart from the general city levy and was based upon the state law which provides a tax for that purpose, The sum was the smallest consistent with the amount of funds necessary for the library and was but one-fifth FOR SECOND TIME of the sum which could have been levied under the statute and would Local Ball Tossers Are Victorious in have been had it not been for the heavy increase in the amount of the levy this year.

The city levy of nine mills will be Evening-Pendleton Took the Lead used for general expenses of the city, From the Start and Held It Though including every item except that of improvement of streets, for which two mills have been levied, bringing the total up to the charter's limit of 11
