It is a well known fact that when one of the creameries supplying you with butter advances their price, the other follows. Doesn't that look like a combination to overcharge the consumer?

We have stood this as long as we intend to, and have now opened creamery located at Blue Mountain Creamery, an inde-made arrangement with the La Grande, whereby we can offer you the very finest full weight creamery butter for only

MAYOR TO NAME LIBRARY BOARD

MAY ANNOUNCE COMMITTEE NEXT WEDNESDAY EVENING

Committee Will Have Charge of Disbursement of all Money Collected for Library Purposes as Well as That Derived From City Tax—Will Purchase Furniture and Install Library in New Home.

That he will appoint the city library commission next Wednesday evening was announced this morning by Mayor E. J. Murphy. The nominations must be approved by the council and for this reason the appointees will not be made known until they have first been submitted to the councilmen.

All is now in readiness for the removal of the library to the city hall and it is the supposition that the work of moving the books will be undertaken as soon as the commission is named and an organization perfected.

Under the terms of the recently enacted city ordinance and of the state law the city administration will have direct control of the library. All the commissioners will be named by the mayor, with the approval of the council, and they may be removed at any time they fail to perform their duties satisfactorily.

When the new library commission takes charge it will devolve upon the commissioners to purchase furniture for the library and to install it in its new quarters. All the money that has been raised for library purposes together with the city money will be expended by the commission.

The money derived from the Sturgis fund, now approximately \$19,000, will be expended for books, according to an announcement made by Judge James A. Fee not long ago.

May Have to Wait.
This afternoon City Attorney Raley advised the mayor that before appointing the library commission he should first wait until 15 days following the passage of the recent library ordinance, thus allowing time for the filing of a referendum petition should one be forthcoming.

PENDLETON WINS FOOTBALL GAME

SWEET REVENGE TAKEN FOR CHRISTMAS DEFEAT

Two Touchdowns and Two Field Goals Result in Score of 19 for Locals and Nothing for La Grande—Baker's Trusty Toe Helps Win the Victory—Jim Hill and George Strand Also Stars.

Pendleton, 19.
La Grande, 0.

In a fast, clean game—a game of the whirlwind sort in which Pendleton played the visitors off their feet—the La Grande Commercial club's picked eleven yesterday found that the Pendleton All-Stars, representing company L, had forgotten football, perhaps, but forgotten fully as much as the visitors' playing indicated the Boosters had ever known.

The game was won by Pendleton by a score of 19 to 0. It was a game replete with sensational plays in which the local team had every advantage and made the most of them all.

When Tracy Baker made his first kick-off, he landed the ball within La Grande's 5-yard line where it was stopped by the fast work of the locals and La Grande was forced to attempt to punt, the ball being blocked on about La Grande's 25-yard line. From thence the local's try for a place kick failed, but Tracy Baker again got busy with a long forward pass to Kimball, when following heavy attacks on the visitor's line the high school captain was sent over for the first touchdown and goal kicked amid the cheers of the big crowd attending.

Old Timers Are Good.
Then the old timers who battled for Pendleton's honor, cheered by the first success opened a series of spectacular line shifts and forward passes that completely bewildered the formerly confident visitors and gave the locals good gains up to the 25-yard line of La Grande's defense whence, with but 20 seconds to play, Baker booted one of the prettiest and certainly one of the fastest place kicks of the season for a square drop between the posts.

Comes now one George Strand, hero of a hundred such battles, more or less, and outwitted the visitors when he evaded what seemed an inevitable tackle for a slight gain by the visitors by a low punt which the Boosters fumbled. Pendleton regained the ball but was again forced to punt, when Baker sent the ball across the line, where Herb Thompson beat the visitors' safeties for a touchdown.

Place Kick in Time.
The final score was made by Baker's place kick from the 35 yard line with but one-half minute to go.

Wise selection of the team and not only splendid individual work, but a team spirit and team work were responsible for the splendid victory of the company L team. The old timers delivered the same article of football that had made them formidable in high school days, while Baker and Kimball were never seen to much better advantage than in their clever playing yesterday. Jim Hill and George Strand were the same dependable ground gainers of other years, while Sturgis and Thompson were not only splendid in their interference and tackles, but fast in their work throughout.

The teams lined up thus:
Pendleton. La Grande.
Bean. F. Grout
center.

Cresswell. Jasper
left guard.
Engdahl. Goodall
left tackle.
Sturgis. Driscoll
right tackle.
Turner (captain). Nelson

Hill. Gillian

Baker. Heindenreichs
