PUBLIC PARKS FOR PENDLETON

WOMEN OF LITERARY AND CIVIC ASSOCIATION ACT

Very Probable That the City Will Have One, and Possibly Two Public Parks--Plan is to Eventually Create a Park Commission to Take Charge--Academy Campus Grounds Will be First Site--Promised to be Opened Soon.

From present appearances Pendleton will soon be equipped with at least one and possibly two public parks. Instead of nine as at present. The women of the Literary and Civic association have taken upon themselves the task of securing the parks and have entered into the work with the same degree of enthusiasm which made the cleaning up days and the public library, realities.

The old Pendleton academy campus on East Web street will be converted into a park without fail. This much is assured and the park will be ready for the accommodation of the public this summer.

But probably more important than this is the move undertaken to bring to a climax the agitation which has been made for three years or more to convert the deserted city cemetery in North Pendleton, into a park. The women have progressed so far with their investigations that they now feel that success is already within their grasp.

Create Park Commission.

While the work has been taken up by the Woman's Library and Civic association, of which Mrs. Jas. A. Fee is the president, a park board or park commission will eventually be created to take charge of the work.

It is now understood that all three members of the old cemetery board of trustees have signified their willingness to turn their interest in the cemetery over to a park commission which could be held responsible for the creation and care of the park. Such being the case it is believed that the rest will be comparatively easy.

COLDS

The very hour a cold starts is the time to check it. Don't wait--it may become deep-seated and the cure will be harder then. Every hour lost at the start may add days to your suffering. Take

Used in time they save all that might follow--sickness, worry, expenses. They never fail.

Tallman & Co. Leading Druggists.

FREE TO YOU--MY SISTER

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure--you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand woman's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharges, Uterine Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles which are caused by weakness peculiar to our sex. I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 25 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you free of cost, my book--"WOMAN'S OWN MEDICAL ADVISER"--with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says--"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharges and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always result from its use. Whenever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see the offer again. Address: MRS. M. SUMMERS, Box H, Notre Dame, Ind., U. S. A.

PERSONAL MENTION

R. N. Stanfield came up from Echo yesterday.

Fred Geinger of Pilot Rock, is a county seat visitor.

N. S. James of The Dalles, is transacting business in Pendleton.

George Minger, formerly a resident of Umatilla county but now located at Claresholm, Alberta, has been in Pendleton for the past few days, caring for business interests here.

COMPANY L GETS NEW STEEL TARGET

In the ranks of company L there is now a thrill of anticipation over the approach of the target season. It will begin May 1 and all arrangements for the event are now being made by the company.

A fine new steel Aiken target has just been shipped to the company from the east and it was taken to the range this afternoon. It is the latest model target, equipped with ball bearings so as to be easy of manipulation.

The new target is being located at a slightly lower elevation than the old one and is being so installed that there will be no danger from ricochet shots, according to Lieutenant Drake, range officer.

It is announced by Lieutenant Drake that a squad will leave the armory for the range at 9 o'clock tomorrow morning. Those desiring to go should be at the armory at that hour.

PENDLETON MAY GET AN OREGON GUN

Congressman Ellis, who was originally informed that there would be no gun from the battleship Oregon available for Pendleton, has written to Mayor Murphy that a gun may yet be secured. It seems that notwithstanding the report to the contrary, some of the cannon for the famous fighting ship are being discarded and that it may be possible for one to be secured for this city.

O. R. & N. MAKES CHANGES AT DEPOT

A general change has been made in the personnel of the force at the local O. R. & N. and Walla Walla passenger depots.

J. L. Whiting, who has been night clerk and operator at the local depot has gone to Walla Walla to relieve Ticket Clerk Haines, who will take the place of Albert Noth as city ticket agent. Noth and Haines are both known in Pendleton, having been employees of the local office. The changes in the Walla Walla office were made as the result of a vacation which Noth is now taking to enable him to visit his parents in the east.

The vacancy in the Pendleton office, caused by the resignation of Whiting, will be filled by promoting W. J. Deadman, who has been serving as "third trick" operator. Deadman's place will in turn be filled by F. E. Shumard, who for the past three years has been night operator at Kamela and is well known in this city as well as to all the trainmen along the line.

It will pay you to read the ads in today's East Oregonian.
