

SOCIETY EVENTS

The finest little dancing party given here in many months and the event of the season in high school circles was the third annual dance of the Sigma Epsilon Omicron sorority given in the Eagle-Woodman hall last night. For the affair the hall was nicely decorated with Japanese lanterns, umbrellas, palms, etc. It was a girls' party and the young ladies played the role in a manner entirely satisfactory to the young men. The patronesses were Mrs. H. J. Bean, Mrs. J. R. Dickson, Mrs. M. A. Rader, Mrs. Frank Hayes, Mrs. William Temple, Mrs. Richard Mayberry, Mrs. Fred Earl, Mrs. H. J. Mann and Mrs. E. P. Marshall. Music for the occasion was furnished by Johnson's orchestra.

So successfully was the party conducted that those who attended are loud in praising the hospitality of the young ladies of the sorority and the fame of these young ladies, which was already great, has been increased.

One of the prominent social affairs of the week was the afternoon at 500 given by Mrs. J. V. Tallman at the Water street, Thursday afternoon. The affair was in honor of Mrs. Tallman's mother, Mrs. M. E. Folsom and Mrs. Pettingill, mother of Mrs. J. S. Beckwith. Mrs. Pettingill is of San Francisco. The decorations were carnation, daffodils and house plants. Eight tables were required to accommodate the guests at progressive 500 and one of the most successful afternoons at cards of the season was enjoyed. Mrs. Will Moore won the prize for the most points while Mrs. T. C. Warner won the prize for progressions. Refreshments were served following the awarding of the prizes.

Mr. and Mrs. Paul Sperry left this morning for the sheep ranch near Echo, where they will spend a few days.

HERMISTON.

In honor of the 90th anniversary of Odd Fellowship the local lodges of Odd Fellows and Rebekahs elaborately celebrated the event Monday evening in the lodge rooms in Newport-Skinner hall.

The rooms were beautifully and appropriately decorated, the symbolic links and lodge colors being artistically used in assembly room and banquet hall.

Being lodge night, the regular session was held, after which the banquet hall was thrown open and one hundred of the fraternity partook of the sumptuous repast, and the remainder of the evening was spent in a delightfully social manner.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
