HOSE COMPANY BILL HELD UP

COUNCIL THINKS POSSIBLY
THEY ARE BEING IMPOSED ON

Will Conduct an Investigation Before
They Allow the Bill for \$112—Council
Decides Not to Reduce Peddlers
License — Discuss Junk Buying
Problem.

Because members of the city council could not understand without some explanation how it was possible for every member of a hose company comprising 15 men, to attend every one of three fires in a single month and how these fifteen men could put in two hours at a fire which destroyed a chicken coop and three hours at a fire which burned down a \$800 house, a bill for \$112 from the hose company was held up last evening, pending a further investigation. There was no desire manifested on the part of any member of the city council to scrimp the fire ladders but objection

was made to being imposed upon. A bill of \$23 for Hose company No. 2, which had two fires in the month, was allowed.

Those present at last night's meeting were Mayor Murphy, and Councilmen Knight, Stroble, Ell, Montgomery and Mumm.

License Fee Not Reduced.
The question of reducing the license required of ice cream peddlers was brought up but after brief discussion it was decided to allow the amount of the license to stand as it is. While it was admitted that the amount of the license fee is practically prohibitive, yet it was argued that the men who are compelled to pay rent and taxes to maintain a business in the city should be protected.

It was also definitely announced that peddlers of fruit, vegetables and meat could not be reached by the present ordinance and it was deemed inadvisable to try to pass an ordinance requiring vendors of these farm products to pay a license.

Would Prohibit Junk Buying.
Councilman Stroble insisted that an ordinance should be passed forbidding buying of junk by dealers, on the ground that the habit of gathering up bottles, cans, sacks, etc., was making thieves out of the boys of the city. Mayor Murphy and Councilman Montgomery took issue with Stroble and after a discussion it was decided not to draw up the ordinance.

In asking for the ordinance Councilman Stroble explained that the habit of gathering junk had become a mania among many of the boys of the city and that they did not hesitate to enter people's yards and carry off everything in sight, whether of value to the owner of the premises, or not.

FORMER NORMAL PRESIDENT ACCEPTS Y. M. C. A. POSITION

Weston, Ore., July 15.—Robert C. French, retiring president of the Weston Normal, left today for Portland, where he will have charge of the educational department in the new Y. M. C. A. building. Paul H. Wyman and J. O. Russell, late of the Normal faculty, will have positions with Mr. French, who has planned for vocational work at Portland in plumbing, carpentry and machinery, as well as a preparatory school for college. Professor French is just back from a trip east, where he visited the leading industrial schools, with a view to adopting some of their methods. He also consulted with leaders in Y. M. C. A. educational development. While east Mr. French ordered modern equipment for industrial work in the new Portland building.

T. W. Atkinson, former proprietor of the Big Six store, left this morning for Odell, where he will engage in the mercantile business. Odell, is a small town on the Mt. Hood line, 8 miles south of Hood River.

**COUPLE GETS MARRIED
ON AN AUTOMOBILE**
Stockton, Cal., July 15.—One of the most novel marriages probably ever solemnized took place this afternoon at 5 o'clock, with the contracting parties seated in an automobile, just ready to run on to the steamer J. D. Peters. The interested parties were Dr. S. H. Priestly and Miss Sophia C. Hanson, of this city.

This is the third voyage on the matrimonial sea the physician has undertaken and he proposed to make the

occasion something unusual. After securing a license he called up City Justice A. C. Parker on the telephone and requested him to be at the wharf from which the J. D. Peters sailed. A few minutes before the departure of the steamer the interested parties rolled upon the dock and the nuptial knot was soon tied. The physician's son was one of the witnesses to the ceremony.

The newly wedded couple immediately ran the automobile aboard the steamer. They will make a two weeks' honeymoon hunting trip through Sonoma county in the automobile to add to the novelty of the marriage.

ARGUMENTS BEGIN IN ELLA GINGLES CASE

Chicago, July 15.—Testimony in the sensational trial of Ella Gingles, the pretty lacemaker accused of theft by her employer, Miss Barrette, was completed today, and final arguments were begun by the attorneys.

MAN WORKS CLEVER SWINDLE IN ROSEBURG

Roseburg, Ore.—L. West, who is wanted in Portland on three charges of larceny by bailee for inducing three working girls to relinquish their employment there and come to Roseburg under pretense that he had obtained them good positions, after charging them a fee of \$3 each, also "worked" several Roseburg people, for sums aggregating about \$500 in all.

He went under the name of Estes while operating in this city and claimed to be from Colorado, where he said he had \$900 on deposit in a bank. He stopped at a rooming house operated by A. S. Aderton, who also runs the Roseburg restaurant, and after getting intimately acquainted with Mr. Aderton, made arrangements to buy the restaurant, but stated that his money in Colorado was on a time deposit and could not be withdrawn for several weeks.

He made arrangements whereby he was to pay \$4 a day for the rent of the place until his money arrived. This was five days before the Fourth of July, and he ran the place for seven days and seemed to be attentive, sober and industrious. On the morning of the eighth day he was no place to be found. He had taken all the cash that he received while conducting the restaurant, which is estimated at between \$350 and \$400. He also left behind bills amounting to \$112.50, as follows: Harness & Johnson groceries, \$77; Rochdale store, groceries, \$21.50; Church Brothers' bakery, bread, \$14; Umpqua bakery, bread, \$7; Aderton, rent and supplies, \$51; wood bill, \$5.50; hired help, \$27.50.

DISGRACE BRINGS SUICIDE.

Valley Girl Takes Her Life When Dejected in a Theft.

Eugene, Ore.—Because she thought she was disgraced for life on account of being caught at the theft of a number of articles of minor value from a Eugene store some time ago, 16-year old Ruth Annette Seales, daughter of Mrs. Jessie Seales, of Lorane, committed suicide at her home Sunday night by taking a quantity of strychnine.

The girl attended school at Eugene from the middle of February until the middle of June this year, and it was while she was in this city that the theft occurred. The clerk who caught her in the act told her mother, and she was severely reprimanded. From that time on the girl seemed to be in a melancholy state of mind and threatened suicide at several different times.

Sunday she attended a picnic near her home, and returning in the evening. She retired at the usual hour, and when her mother entered her room a few minutes afterward she was in spasms. A physician was sent for but the girl died before he reached the house.

At that time the mother of the girl did not know the cause of death. Coroner Gordon suspected it was from poisoning, and yesterday he and County Physician J. W. Harris made an investigation. They found a half-empty bottle of the poison in the girl's room on a table near her bed, and this, together with the girl's threats at self-destruction were sufficient evidence in their mind.

A Lane county couple, he 47, she 42, are parents of 19 children, 16 living.

DIED SUDDENLY OF HEART FAILURE

Mrs. Nancy A. Wade, aged 58 years, died suddenly last evening of heart failure, at the family home on the head of Butter creek, ten miles south of Pilot Rock. The deceased had been in poor health for several months, but during the last few days had been comparatively well. She was preparing to retire last evening, being seated on the edge of the bed when she was stricken with the fatal attack and died in a few moments.

Mrs. Wade was born in Georgia, but came to Oregon in the fall of 1869 or 70. A greater part of the time since that date she made her home in Heppner, having lived in this county but a few years.

Mrs. Wade is survived by three daughters and four sons, as follows: Mrs. E. Wood, Pilot Rock; Mrs. Charles Sevey, Adams; Mrs. Fannie Hatten, Pendleton; Alvin and Grover

Wade, Pilot Rock; Virgil Wade, Ontonagon, and Richard Wade, Helena, Montana.

No funeral arrangements have yet been made other than that the interment will be had in the cemetery at Heppner. M. A. Rader took a casket out to the farm this morning and will prepare the remains for burial.

Now Is the Time Before the Hot Weather to Install a Gas Range.

Are You Compelled to

- work in a hot dirty kitchen, carrying wood and coal and shaking grates,
- start your fire an hour before you will use it, burning up good fuel,
- keep poking the fire and then have only a measly little blaze, making your coffee lukewarm and your hot cakes white and doughy.
- pay a fuel bill big enough to stagger your pocketbook.
- spend nearly all your time in the kitchen, getting yourself all dirty and too tired to go and dress to go out and enjoy yourself.

DON'T YOU THINK YOU HAD BETTER THROW OUT ALL THIS HOT, HARD WORK. BUY A GAS RANGE AND COOK WITH GAS?

Then you can get your meals in your best gown without soiling it. Turn a valve and strike a match and you have a strong, steady, concentrated heat any time of DAY or NIGHT and at a second's notice, and

ALL THESE HOT SUMMER DAYS WILL NOT BE SPENT IN A HOT, DIRTY KITCHEN.

When you're down town drop in our office and let us show you all about a gas range.
