> ting for a few days at the home of hard work, H. C. Craig, after a visit to the Seattle fair, left yesterday evening for their home. While in the northwest they looked over the country with a view to locating and expect to return a few months later.

The North Powder News comments as follows on the recent adventures of Clyde Finch of this city: " A Pendleton postal clerk is having a great run of luck. He drew a valuable prize in the Flathead land drawing, then somebody left a baby on his doorstep, and finally he went fishing, snarted his line and untangling it woke up a nest of hornets. Truly fickle fortune has her favorites."
