Observe the personnel of the people entering this store. Is it not plain to you that they are among the most prominent, influential and intelligent of our citizens. And why?

THERE'S A REASON

WE OFFER TO THE BUYING PUBLIC THE BENEFIT OF MANY YEARS EXPERIENCE, A CAREFUL, PAINSTAKING STUDY OF METHODS AND MONEY SAVING PRACTICES. ECONOMY IN STORE METHODS HAS ALWAYS MEANT ECONOMY TO THE BUYING PUBLIC. EXTRAVAGANCE NEVER HAS, AND NEVER WILL, BENEFIT THE PURCHASER. THE STORE IS INDEED GRATEFUL TO THE BUYING PUBLIC FOR ITS AUSPICIOUS OPENING. IT'S BEEN A MOST SATISFYING AND MARVELOUS START AND WE SHALL EXERT EVERY EFFORT TO MERIT THIS UNUSUAL COOPERATION ON THE PART OF THE PUBLIC. THERE'S ONE THING "WOULD-BE COMPETITORS" CAN'T GET AWAY FROM AND THAT IS IN CLAIMING THEIR GOODS AS GOOD AS OURS. IT'S OUR CLASS OF MERCHANDISE—OUR PRICES—THAT COMMAND ATTENTION FROM ALL WHO CONSIDER IT THEIR DUTY TO MAKE EACH DOLLAR BRING ITS FULLEST RETURN. LOOK ELSEWHERE IF YOU WILL BEFORE BUYING HERE, BUT BE SURE—ABSOLUTELY SURE—OF LOOKING HERE BEFORE BUYING ELSEWHERE.

BLACK HAND FIENDS ARE STILL AT LARGE

Utica, N. Y., Sept. 15.—Despite rewards aggregating \$3250 for the murderer of Teresa Percepia and Freddie Infusino, the police admit today they are no nearer a solution to the case than they were when the children were kidnapped. Fannie Infusino, who was wounded in the arm by the fiend, gave the police a detailed account of the kidnaping and shooting. The police say they believe Fannie knows the identity of the murderer, but won't tell because she is afraid.

Utica, Sept. 15.—The victims of the murderer were buried today and the funeral was attended by thousands of angry Italians. The police prevented a demonstration at the cemetery. Italians are vowing vengeance on the murderer, if caught, and it is believed he would be summarily dealt with.

BOSTON TEA PARTY WILL BE REPRODUCED

Seattle, Sept. 15.—Its part in the New England day celebration over, the good ship Mayflower, which landed the Puritans at the Pay Streak on Saturday, will be converted into a near-replica of the British sloop Gaspee of Boston tea party fame, and burned on Lake Union next Friday evening.

Stealthily approaching in row boats the colonists, disguised as Indians, will board and raid the vessel. A bomb, a signal that the event is on, will then be fired. The colonists will then dump chest after chest of "tea" into "Boston harbor." Their work over, they will repair to the shore, and the land batteries will begin their bombardment of the Gaspee. A large number of rockets will have been stored in the magazine of the vessel and when the fire reaches these the flash of the explosion will be seen and the Gaspee will sink from view.

A PLEASANT WAY TO CURE CATARRH

Poor deluded victims! Continually sprinkling and spraying and stomach dosing. What are you doing it for? Trying to kill the catarrh germs? Might just as well try to kill a cat with fresh milk. Sticking a piece of chewing gum in the upper left hand corner of the right ear would slaughter just as many germs. You can't kill the germs that cause catarrh unless you get where they are. You can get where the germs are by breathing Hyomei, the powerful yet soothing antiseptic, which is prepared especially to kill catarrh germs. Just breathe it in, that's all. It gives joyful relief in five minutes. It is guaranteed by Tallman & Co. to cure catarrh, or money back. It is sold by leading druggists everywhere. A complete outfit, including inhaler, costs \$1.00. Extra bottles, 50c. Cures sore throat, coughs and colds. "I take especial pride in recommending Hyomei to asthmatic sufferers, as I know by experience that it is a remedy that cures. I have not since using Hyomei had any recurrence of asthma."—Mrs. Wm. Burton, Owosso, Mich., June 22, 1909.
