A marriage license has been issued to Fred K. Keller of Walla Walla, and Abie Dora Troyer of this county. The necessary affidavit was sworn to by Guy Erp, formerly of this city, but now living in Walla Walla.

Charged With Larceny.
Patrick O'Sullivan of Umatilla, is lodged in the county jail today on the charge of larceny from a building. It is alleged that he entered another man's room in Umatilla and took therefrom some money and clothing. He will probably be given a preliminary hearing before Justice of the Peace Joe H. Parkes, tomorrow.

Here to Attend Funeral.
W. L. Purcell and wife, D. N. Van Skiver and wife and A. W. Daubner and wife all of Weston, are down from that city today to attend the funeral of Mrs. Tennessee Harp, who died recently at the home of her son near Holdman. Funeral services were conducted at the grave in Olney cemetery at 2 o'clock this afternoon.

Son of Pioneer Minister.
Rev. B. E. Koontz, who will conduct the revival services at the Methodist Episcopal church next week is a son of the well-known pioneer preacher, Rev. W. T. Koontz, and a nephew of the donor of Koontz hall. He has been very successful in revival work in eastern Washington, but will appear before a Pendleton audience Monday night for the first time.

Barrett is a Delegate.
Hon. C. A. Barrett of Athena, who is in the city today for the transaction of business, has been appointed by Governor Benson as a delegate from this state to the national River and Harbors Congress which is to meet in Washington city, Dec. 8 to 10. Mr. Barrett is trying to arrange his business so that he will be able to attend the meeting at the national's capital.

For Boys' and Girls' Aid.
The fourth grade of the Washington school is out to make a record in the matter of securing assistance for the Boys' and Girls' Aid society of Portland. So far the sum of two dollars, sacks of potatoes, boxes of apples and other things have already been contributed. With the other donations from the schools of this city these will be forwarded to Portland in time to reach their destination by Thanksgiving day. The Pendleton schools have always been generous in their assistance for this charitable institution and with the contributions which it is expected will be received this year, a room in the institution will probably be named in honor of the Pendleton schools.

OLD CONDUCTOR CELEBRATES GOLDEN WEDDING

Spokane, Wash.—Moses Brinkerhoff, who was conductor of the first passenger train over the Northern Pacific railway between the Twin Cities and Puget Sound in 1881, and his wife will celebrate the 50th anniversary of their wedding at the home of their son, G. H. Brinkerhoff, 121 Broadway, Spokane, on November 22. They have been residents of this city since Mr. Brinkerhoff was retired on a pension, several years ago. The aged veteran of the punch had a run between St. Paul and the head of the great lakes for several years before the completion of the Northern Pacific, and at that time knew every man of importance at Duluth and Superior, as well as many in other parts of Minnesota and Wisconsin. On his runs through the Dakotas, Montana, Idaho and Washington he became acquainted with men who are today the leaders in the mining and lumber industries in the Pacific northwest.

Wealthy Clubman Weds.
Chicago, Nov. 17.—John Archibald Stevenson, a wealthy clubman, today claimed as his bride Miss Phoebe Eckels, daughter of the former Comptroller of the Currency, and marked the occasion by giving her as a wedding present the beautiful country estate at Oconomowoc, Wis., on which James H. Eckels had spent a fortune before he died, leaving an estate much short of his liabilities. Mr. Stevenson purchased the place and much of its furnishings, thus saving it for the bride of today.

FREEWATER NEWS NOTES

ANOTHER CAUCUS MUST BE HELD

In Previous One Party Failed to Designate Name.

(Special Correspondence.)
Freewater, Nov. 19.—Mr. and Mrs. Dingle and son Lawrence of Tennessee, who are visiting in Walla Walla with Mr. and Mrs. Taylor, were guests this week with Mr. and Mrs. J. J. Williams.

Henry Shock was a Pendleton visitor this week.

Mrs. J. W. Beckley of Salem has returned home after a visit with her sons on Dry creek.

Thanksgiving services will be held in the Valley Presbyterian church by the pastor, the Rev. Mr. Washburn.

Rev. Roy O. Hadley, pastor of the Methodist Episcopal church at Kestling, Wash., arrived in the city yesterday to look after his business interests.

Freewater has to hold another caucus meeting and it has been called for Saturday evening. It was discovered that the recent caucus had failed to designate the name of their ticket and it was therefore found to be void and null. It was also found that Mayor J. H. Hall was filling out the unexpired term of L. B. Mitchell and as the term is out of office mayor will have to be filled. It was fortunate these legal errors were discovered as there is a lot of work to come before the council the coming year, first of which is bonding the city for waterworks.

Mr. and Mrs. D. C. Sanderson and their daughter, Mrs. R. E. Bean, left today to stay over Sunday with Rev. Mr. and Mrs. Charles MacCaughy of Waitsburg.

Fruitvale, Moore and Vincent schools are all getting up fine Thanksgiving entertainments.

Miss Zelma Peterson of Ferndale, was married this week to Harry E. Ballou, son of the late Colonel Ballou. The marriage was performed by the Rev. J. B. Beavin at the residence of Dr. and Mrs. Blalock of Walla Walla.

WILDCAT MEAT MAKES CHINKS FEROCIOUS

San Francisco.—Wild cat meat is at a premium in the Chinese quarter of this city as a result of the strife between the Yee family and the On Tick tong which has brought about six murders in or near San Francisco since the first of November. There is a superstitious belief among the Chinese that if their warriors are fed on the flesh of wild cat they will assimilate the ferocity of the beasts and their fighting efficiency be much improved. The gunmen of the On Yicks and those of the Yee family are ready for war and the butchers of the quarters are driving a thriving trade in wild cat meat.

There has been no relaxation of the vigilance of the police of the Chinatown squad. The detectives who are mingling with the Chinese every day say that more killings are certain to come before the feud dies out. Every prominent Chinese who is remotely connected either with the On Yick or the Yee family, is surrounded by a bodyguard of white men whenever he appears on the streets, as it is known that prices have been set on the heads of many by the warring factions.

MAYOR PRATT PLANS COMMISSION GOVERNMENT

Spokane, Wash.—Six thousand dollars a year until the population of the city shall have reached 150,000, after which each of the five commissioners is to receive \$7500 yearly, is the salary recommendation of Mayor Pratt's special committee in reporting upon a new charter for Spokane. The commissioners are to be elected at large for these departments: Public safety, public works, public affairs, public utilities and finance. It is also recommended that the park commission be continued, also that a civil service commission be created. One of the members shall be designated as mayor and act as chairman of the board. All ordinance legislation shall be by ordinance, effective 10 days after adoption, unless otherwise specified, but franchises cannot become operative until 30 days after their passage. After the commission is created and beginning in 1912, two members shall be elected at the general election and three alternately at biennial elections.
