

# PENDLETON TEAM SHONE RESPLENDENT

### WON A CLEAN-CUT VICTORY FROM LA GRANDE

Visitors Received a Great Surprise from Local Lightweights Yesterday Were Confident of Taking Pendleton's Sculp—Captain Devine Is Greatest Player in State Inter-Scholastic Circles—Brown Is Wonderful Coach.

By winning yesterday's spectacular game with a decisive score, the Pendleton high school eleven brought a successful season to a successful close and in large measure wiped out the sting of the Baker City defeat. The game was hard fought throughout and though the visitors seemed to have a slight advantage throughout the greater part of the first half, this condition of affairs was reversed in the second part of the contest and the score of two touchdowns for Pendleton against one for La Grande probably represents the comparative strength of the opposing elevens.

Wheat Market Excited.  
Portland, Nov. 19.—All sorts of prices are now in effect for wheat at primary points. As high as \$1.09 a bushel has been confirmed for bluestem at interior shipping points, and there are unconfirmed reports of \$1.10. Practically all the buying at this time is in bluestem, millers being the principal purchasers.

Several of the country millers who put their price of patents 50c higher yesterday, today notified the trade of an additional 10c rise. This makes practically all prices conform to those quoted by the Portland Flouring Mills company.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
