OLDAKER PLAYS ROLE OF ADVANCE GUARD

(Special Correspondence.)
Hermiston, Nov. 20.—S. R. Oldaker has returned from a trip to North Dakota made in behalf of the Umatilla Irrigated Land company, and reports a lively interest taken by the people of that section in this project.

He returns as the advance guard of a carload of North Dakota land seekers who will shortly arrive in Hermiston. We understand that Mr. Oldaker crossed over from Fargo to the "wet" city of Moorhead, Minn., where he met many of Councilman H. J. Longley's former fellow townsmen who insisted on his sampling the water used in that place for irrigating purposes, more or less.

KERN CONCRETE BLOCK NEARING COMPLETION

(Hermiston, Nov. 20.—A large force of men are being employed on the Kern building with view to rushing it to completion by the first of the month.

The building is a two story concrete 25x60 with cement basement and is being equipped with many modern appliances, among them being an elevator for which the frame work and shafting was put in this week.

The entire front of the building, including both stories, will be plate glass and prism and will make an elegant finish to this handsome building.

The Oregon Hardware & Implement company will occupy the block and expect to be in it by December 1.

NELSON AND WELCH WILL SOON SIGN ARTICLES

New York.—Battling Nelson and Freddie Welch, the latter lightweight champion of England, will probably sign articles soon for a fight for the lightweight championship of the world. After decisively whipping Johnny Summers in London, Welch firmly established his right to a fight with Nelson, whom he has been challenging for about two years. Nelson is now quoted as saying that he will take Welch on and that as soon as the Englishman arrives here next month a match can be arranged.

Nelson adds that he will insist on the fight going at least 45 rounds, which means that California will probably get the match. Welch who will sail from England about December 16, is quoted as saying that as soon as he arrives he will post \$5000 forfeit to bind the match.

DENIES THAT ALICE SMOKED A CIGAR

Pasadena, Cal.—United States Senator Scott of Montana, who with Mrs. Scott of Montana, was in the chaperoning party on the Taft friendship junket to the orient in 1905, indignantly denies that Mrs. Nicholas Longworth rode horseback in breeches to meet the emperor of Korea and smoked a cigar during the solemn royal reception at the tomb of the empress.

Fraulein Emma Kroeber, former mistress of the robes in the Korean imperial household, published the statement regarding the then Miss Alice Roosevelt several days ago in Berlin. Senator Scott who is visiting here said today that the fraulein was "seriously in error."

"All hosh," added Mrs. Scott, "Alice Roosevelt departed herself as a lady should."
