POSSE USES LASSO TO CATCH WILD DESPERADO

Rawlins, Wyo.—Unable to check his flight by scores of pistol shots fired for the purpose of frightening him into surrendering, deputy sheriffs of this county brought their skill with the lariat into play and roped Maxm Anasomator, charged with robbing Union Pacific box cars of their contents.

Anasomator escaped from an underground passage leading to a cave from his house, which had been surrounded by deputies for four days. He fled bareheaded and bare footed through the sage brush and over snow covered prairie for a distance of five miles undaunted by bullets whizzing about him.

"Shoot me, I'll not be taken alive," shouted the fugitive to his pursuers. But he had not reckoned on the skill of the deputies, all of whom are expert punchers, and soon a lariat skillfully thrown tightened under his arms and held him captive.

WILL BUILD ANOTHER HIGHWAY OF DEATH

Chicago.—Local capitalists whose names are withheld for the present are reported to be behind a company to build a \$250,000 motor speedway for Chicago. These men are under the guiding wing of David Beecroft, chairman of the technical committee of the Chicago Motor club. A tentative site on the line of the Northwestern railroad is said to have been chosen.

The large attendance and great interest shown in races held on motor speedways in Atlanta and Indianapolis, despite the chapter of accidents at the Hoosier capital, are said to have aroused local automobile enthusiasts to the possibility of such an enterprise here.

CURED CONSUMPTIVES FORM TUBERCULOSIS ALUMNI ASS'N

Denver, Colo.—At a meeting of the State Society for the Prevention and Cure of Tuberculosis recently, Governor Shaforth, while maintaining that stringent measures must be taken for the prevention of the spread of the disease, announced that the gates of Colorado were open to consumptives, who were unable to obtain relief elsewhere.

The residents of Colorado who came here suffering from tuberculosis and who have been cured, will form themselves into a "tuberculosis alumni association." This association will work in conjunction with the State Society for the Prevention of Tuberculosis and will offer aid and information of the white plague to those who came to Colorado ignorant of how and where to secure proper quarters and medical treatment, or unable to do so.

The alumni association will include many of the prominent business and professional men of Colorado.

HUMAN HEARTS

JIM MASON

Oregon Theater, Sunday, Nov. 28.

"Human Hearts" is Coming.

So strong an impression did "Human Hearts" make upon a prominent clergyman in New York that he wrote to the gentleman impersonating "Tom Logan," vigorously endorsing the play and informing him of his intention of trotting all the orphans of a local asylum out to see it at his own expense. And he did it.

"You cannot conceive," said Manager Nankeville "of the appreciation of those youngsters at the change of sermon thus afforded them, unless you had listened to that gallery the day they attended. With the 'gods' present," he continued, "as often as I have myself enjoyed sitting through it, it was as enjoyable as a box of monkeys sprinkled over with tears. Quite often since, have city schools, whose principals were aware of the great merit in the play, been given half a holiday, that the youngsters might enjoy a matinee. And what out-spoken critics the tots have been! You can't get a favorable criticism or a padded eulogy for love of money from a juvenile. You must give him the goods, or he denounces you broadcast, and I am really grateful to the tots of America for their appreciation of what all now agree to be one of the best American plays."

"Human Hearts" comes to the Oregon theater Sunday, Nov. 28. Popular prices, 75-50-25c.

Kills Her Foe of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For indigestion, loss of appetite, kidney trouble, lame back, female complaints, it is unequalled. Only 50c at Tallman & Co.

Croup Cured and a Child's Life Saved

"It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child, Andrew, when only three years old was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy." says Mrs. A. Coy, Jr., of San Antonio, Texas. This remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by all good dealers.

Use Your Eyes, Do Not Abuse Them.

Strength comes by use that trains but does not strain. If there is a hint or sign of strain, if there are spots before the eyes or pains about the eyes, if these seem doubled or mixed,

THEN YOU ARE INJURING YOUR EYES EVERY DAY.

These defects may seem small yet if left to themselves they will grow and the only thing that will stop them is Glasses. Proper Glasses, Our kind. We grind our own lenses.
