FOOTBALL DAYS COME TO CLOSE

Many Champion Gridiron Battles Yesterday Rang Down Curtain on Season.

WASHINGTON WINS NORTHWEST CHAMPIONSHIP

Oregon Gladiators Sink to Defeat by Score of 20 to 6—Forward Passes Responsible—Whitman Loses to W. S. C.—O. A. C. Triumphs Over Multnomah—Baker and H. M. A. Play Scoreless Game—Notre Dame Receives Surprise.

Seattle, Nov. 26.—The University of Washington football team won the northwestern intercollegiate championship and the Barrett slyer cup here yesterday by defeating the University of Oregon 20 to 6.

Washington's victory was due largely to the use of the forward pass, which was used frequently. The Oregon team depended upon old style football, making several gains by end runs. The work of Warren Grimm, Washington's left end, was particularly spectacular. He scored two touchdowns on forward passes.

Oregon succeeded in crossing the Washington goal line but once. In the first half after Washington had scored a touchdown and kicked goal, the visitors scored on a wide quarter-back run with the goal kicking them the only points they made in the half, making the score 14 to 6. In the second half the Washington team succeeded in holding the heavy Oregon line and successfully passed the ball over the Oregon goal line for another touchdown and goal.

Although there was a hard rain early in the day the field was in good shape, and the game was witnessed by the largest crowd that ever attended a football game in Seattle:

W. S. C. Defeats Whitman.

Walla Walla, Nov. 26.—When it looked as though all hope of Whitman's scoring was past and even the most enthusiastic Whitman rooter had given up, Vincent Borleske, captain and right half back for the Missionaries, threw the 2000 spectators at the annual Thanksgiving day game between Whitman and Washington State college yesterday afternoon into a frenzy of joy when he picked up the ball on a fumble and ran 95 yards for a touchdown. The score was made but two minutes and ten seconds before the call of time in the last half. The final score was 23 to 6 in favor of Pullman. Before Borleske had time to take part in another play the referee's whistle sounded ending the game, and the football career of this invincible gridiron gladiator. A more fitting climax to his four years of college football could not have been planned.

Outweighed 20 pounds to the man, Whitman was overwhelmed in the first half. The second half was another story, for the Missionaries hardened the mass of beef and brawn with ease.

Notre Dame Surprised. Milwaukee, Wis., Nov. 26.—Nothing to nothing was the result of the football game between Marquette and Notre Dame university. Notre Dame thus finishes the season without defeat. In one of the most

CHERRY MINE IS AGAIN SEALED UP

Cherry, Nov. 26.—The dreariest Thanksgiving that ever dawned here brought the news that the mine has been sealed again, and there is little hope now of ever recovering about a hundred and seventy five bodies. The fire spread during the night, and rescuers were driven back.

desperate contests ever fought on a western gridiron the two teams struggled for two 35-minute halves and the game ended with the ball only 19 yards down on Marquette's possession.

At the beginning of the second half, Marquette was playing constantly in Notre Dame's territory, but near the end of the half Notre Dame managed to hold most of the play in Marquette's end of the field. Many changes in the line were made near the close, but the game was practically without injury to any player.

Mexico "U," 23; Arizona, 11. Tucson, Ariz., Nov. 26.—The University of New Mexico won from the University of Arizona at football yesterday by a score of 23 to 11. The score at the end of the first half was 5 to 0 in favor of Arizona. W. J. Bryan presented the cup to the winners.

Indians Defeat Nebraska. Lincoln, Neb., Nov. 26.—The Haskell Indians defeated Nebraska on Andrews field yesterday, 16 to 5. The Indians outclassed Nebraska, although outweighed eight pounds to the man. The contest was spectacular, each touchdown coming after long runs down a muddy field.

The second half was one of defense on Nebraska's part. Coach Bender protested, though not officially, that Nebraska's touchdown was illegal, claiming that the quarterback did not handle the ball in the scrimmage from which Shonka broke from for Nebraska's only touchdown.

Baker O. H. M. A. O. Baker City, November 26.—In a hard fought contest here yesterday Baker high school and Hill's Military Academy of Portland, battled for the state championship, but neither team was able to score and the game ended B. H. S. O. H. M. A. O.

O. A. C. Downs Multnomah. Portland, Nov. 26.—Multnomah and O. A. C. engaged in a spectacular battle before thousands of people yesterday, the latter carrying away victory by the score of 11 to 8.

School of Mines Outclassed. Denver, Nov. 26.—The University of

WOMEN SACRIFICE LIVES FOR MEN

MOTHER AND DAUGHTER KILLED BY POSSE

While Father and Son, Accused of Murder, Escape by Back Door, Two Women Open Fire on Posse and Are Shot Down—Gave Order to Stop First.

Williamson, W. Va., Nov. 26.—Mrs. Charles Daniels and her sixteen year old daughter, were instantly killed at Devon today while defying a posse that had come to arrest the father and son. As they stood in the doorway of their home and fired at the posse Daniels and his son escaped out the back door. The posse answered fire and the mother and daughter fell. The posse intended to arrest Jim Daniels, who is alleged to have killed George Christian.

Recently the Christian family obtained a warrant for Daniels' arrest and the posse, led by members of the family, went to the Daniels home today to serve it. As they came near the place the posse saw Mrs. Daniels and her daughter appear at the door. Leveling their shotguns, the two women ordered the posse to keep away from the house. Despite the command the mob advanced, and the women opened fire, shooting one member of the posse. Daniels and his son escaped to the mountains.

RUSSIANS KNEW OF PLOT TO KILL IT

Victoria, B. C., Nov. 26.—Advice here from the steamer Empress of China, which arrived from the orient last night brings the news that the plot to assassinate Prince Li originated in Vladivostok, and that a search is in progress for conspirators who are said to number fifty, all of whom are Koreans. Fifteen were arrested by Russians following the discovery of the plot to ambush Itō's train and shoot him and news of the arrest was telegraphed to Harbin, but the telegram did not reach its destination until after the assassins there had slain the statesman.

MEN KILLED IN ACCIDENT AT SEA

Galveston, Nov. 26.—G. Bachus and N. Kleizen, firemen on board the steamer Manston, were killed by the explosion of a steam pipe off Rio Janeiro, according to a report made by officers of the vessel today. The Manston plies between Liverpool and Galveston. At the time of the accident others of her crew were endangered, but quick action by the officers saved them from serious injury.

Jay Ralph Wells, half brother of T. C. Warner, is now visiting with the latter in this city. Mr. Wells is from Chicago and is with the Chicago construction company which is doing work for the Oregon Short Line.

CHAMPIONS UPHOLD BUDGET

Balfour and Roseberry Rise in House of Lords to Defend Measure.

SPEECHES DAMPEN CONFIDENCE OF CONSERVATIVES

Balfour Declares That if House Wins Its Victory it is But Temporary, if Losses Has Jeopardized Power and Prestige of Body—Bishop of Hereford Advocates Prelates Voting—People Hold Demonstrations in Square.

London, Nov. 26.—"If you win a victory it will be only a temporary one; if you lose, you have prejudiced the position, power and usefulness of the house of lords, which I believe every one of you honors and desires to serve heartily as I do myself."

In this homely, candid fashion, Lord Balfour of Burleigh, last night told members of the house of lords his opinion of the course they are pursuing with regard to the budget. He has none of the graces of oratory which Lord Roseberry possesses, but his plain manner is not without effect, and his speech was the real event of yesterday's sitting of the upper chamber.

It probably will have even greater influence than that of Lord Roseberry, because Roseberry no longer holds the confidence of any party.

The bishop of Hereford, who intervened later in the debate, said that, while he respected the archbishop of Canterbury's desire, that the prelates abstain from voting on the measure, he claimed the right to the exercise of independent judgment. If the bishops had any function to perform it was to speak for the multitudinous poor, he said.

Therefore, he supported the budget, which was a social welfare budget, based on sound finance. He was convinced, he declared, that the country's answer to an appeal to the ballot would be in clear English that never again shall the fundamental liberties of the people be endangered by a privileged class. He wished the budget might be passed as a protection against the rapidly growing spirit of revolt among the democracy, which might become dangerous.

Many other peers spoke along ordinary party lines. The debate was adjourned today, when Viscount Morley, Lord Curzon and Lord Rothschild are expected to speak. Rumors were current last night that conservative leaders, seeing the damaging effect that the speeches of Lords Cromer, Roseberry and Balfour are likely to have on the conservative cause in an election, are reconsidering their position with regard to the budget. But the best information obtained that Lord Lansdowne's resolution against the adoption of the budget will go to a division and be carried by an enormous majority.

A great pro-budget demonstration took place last night in parliament square. Six thousand persons gathered, sang political songs and cheered for David Lloyd George, chancellor of the exchequer. Fifteen hundred police finally cleared the square. The demonstrations probably will be repeated on a larger scale Monday and Tuesday.

Lord Balfour said a referendum was impossible as a matter of practice, and that he also believed the motion proposed by Lord Lansdowne was unwise. He asserted that there never was a time when a strong and conservative second chamber was more necessary, and he considered it impolitic to mix the question of the defense of that chamber with the taxation of food.

Lord Balfour warned the lords that they were walking into a trap set by their opponents and that the step advocated by Lord Lansdowne was false alike to the interests of the country and to the house of lords.

UMATILLA WATERUSERS HOLD ANNUAL MEETING TOMORROW

(Special Correspondence.) Hermiston, Ore., Nov. 26.—Tomorrow occurs the annual election of officers in the Umatilla water users' association and today there is much interest displayed here in the coming event. However no excitement of any kind prevails and if any electioneering is being done it is being carried on "sub rosa."

For the presidency of the association H. T. Irvin is the only avowed candidate.

BRUTAL MURDER AT UMATILLA

Discovery of Body Reveals Awful Crime; Man's Head Crushed With Club.

LETTER IN POCKETS ADDRESSED TO CHAS. MICKELS

Range Rider Finds Body and Blood Stained Club—Sheriff Taylor and Party on the Scene—Body Had Been Dragged 100 Yards—No Clue to Motive or Perpetrator of Crime—Man's Pockets Not Rifled.

(Staff Correspondence.) Umatilla, Ore., Nov. 26.—That one of the most dastardly murders in the history of this region has been committed with Charles Mickels, supposedly of Pilot Rock as the victim, is evidenced by discoveries just made. The body of the unfortunate victim was found near the O. R. & N. tracks, five miles east of this place yesterday and the evidence points conclusively to a brutal murder.

While riding the range for J. B. Switzer, Earl Shaw came across the body of the dead man. He at once rode to Umatilla and word was immediately sent to Sheriff Taylor and to coroner Ralph Folsom. A party was then formed and left Pendleton last night for the scene of the outrage. Those in the party were Sheriff Taylor, Deputy Sheriff Bert Wilson, Coroner Ralph Folsom and E. F. Averill, of the East Oregonian staff.

A Murder Revealed. When the party arrived on the scene this morning a terrible sight met the gaze of those in the group. The body of the murdered man lay face downward upon the earth. The head had been brutally beaten with a club and a bloodstained piece of a railway tie a short distance away indicated plainly the weapon used by the murderer. As if to conceal the ghastly evidence of the crime the top coat of the murdered man had been placed so as to completely obscure the head from view.

A trail of blood leading from the spot where the body lay to a point nearly 100 yards away and across the railroad track showed that the assailant had moved the body of the victim some distance after the crime had been committed. The body had been dragged down to the railroad track, carried across the track and then dragged again for a distance of probably 50 yards north of the track. At that point the murderer evidently despaired of making away with his victim's body or else felt it would never be discovered out on the sagebrush plain.

The body of the murdered man indicates he was about 28 or 30 years of age. He was about five feet five inches in height, would weigh 125 pounds, had light brown hair and a reddish brown mustache. He evidently had a ruddy complexion.

The dress of the dead man refutes the idea that he was a tramp, or at least one of the ordinary stamp. He wore a dark gray suit and wore a pair of new overalls over his trousers. His coat and vest were of a check pattern and he wore a pair of new tan shoes. His hat and he had been purchased at Nampa, Idaho, while other garments had been purchased at Baker City. The light top coat was also new in appearance.

Letter Shows Identity. In the coat pocket of the dead man was found a letter addressed to Charles Mickels, Pilot Rock, Oregon. It was from John Adams, of Oakville, W. Va., and had been mailed at Oakville, November 4, and received at Pilot Rock November 6. Evidently the dead man had been in Pilot Rock on the latter date.

As to who committed the brutal murder the officers have little clue though Sheriff Taylor and Deputy Wilson are doing everything in their power to ferret out the crime. No money was found in the pockets of the dead man, yet the pockets were

not turned out as would have likely been the case had robbery been the motive of the assailant. A silver Elgin watch was left in the pocket of the dead man and this too would seem to scout the robbery theory.

The body of the murdered man will be taken to Pendleton this evening though Sheriff Taylor will remain there in hopes of finding some evidence leading to the identity of the murderer.

Mickels Not Known. Pilot Rock, Nov. 26.—Nothing seems to be known here of Charles Mickels, Charles Michael, son of A. F. Michael, lives here but he is safe and well. He was married but a few days ago.

GOTCH FAILS TO THROW GIANT POLE

Buffalo, N. Y., Nov. 26.—Frank Gotch last night failed to gain a single fall from Zbyso, the giant Pole, in an hour, and thereby lost the match, conditions of which required Gotch to win two falls within an hour. The Pole displayed tremendous physical strength and an excellent knowledge of the game. Zbyso said: "I can beat this man in a straight match."

Jack Herman, his manager, said: "I will post \$2500 in Chicago day after tomorrow for a match with Gotch for \$10,000 a side." Zbyso weighed 236 pounds and Gotch 203. Ten thousand persons saw the match.

CRISIS IN NICARAGUA IS NOW AT HAND

Colon, Nov. 26.—News of decisive battle for the success or defeat of the Nicaraguan revolution is expected momentarily. It is believed it will occur near Managua, the capital where Zelaya is fortified. Revolutionists have closed about the city ready to strike. If the insurgents capture the city it is believed the United States will recognize the provisional government under Estrada.

COLONEL WYLLIE SAYS SOMEBODY HAS LIED

Charges As Fabrications Reports of Deplorable Conditions in Office—Relation of Whites and Blacks is Friendly.

New York, Nov. 26.—Widespread allegations of deplorable conditions in Portuguese East Africa, particularly in the islands of Santhome and Principe, credited by recent English and American writers to the existence of a cruel slave trade in African negroes among the planters, were denounced as unwarranted fabrications by Colonel J. A. Wyllie, fellow of the Royal Geographical society of England, who arrived on the steamer Teutonic after a two months' investigation in Portuguese East Africa.

Colonel Wyllie spent last August on the island of Santhome and Principe and said he found a spirit of friendliness and perfect freedom existing between the white men and the black. "The African's condition is wonderfully improved as a laborer by the Portuguese in contrast with his home environment in Central Africa," said Colonel Wyllie. "They come down to the coast, many of them cannibals, and all barbarians, and are glad to hire out to the planters to escape tortures of their tribal barbarities. On the plantations they are well housed, well fed and medical treatment offered them is excellent."

THANKSGIVING'S TERRIBLE TOLL

Chain of Awful Accidents in Los Angeles Mars Festivities of Holiday

FIVE KILLED AND MANY ARE INJURED

Family Take Spin in Auto and is Run Down by Speeding Electric Car—Father and Four Children Killed, Mother and Babe Fatally Injured—Three sons Escape—Rescue Car Speeding to Hospital Crashes Into Crowded Car—Many Injured.

Los Angeles, Nov. 26.—The lives of Nicholas Jacobs and four children were snuffed out, the mother and her two months baby girl were perhaps fatally injured and twenty Thanksgiving merry-makers were seriously hurt as a result of a chain of accidents which started when Jacob's automobile was run down by a speeding suburban car. The dead are: Nicholas Jacobs, aged 6, a contractor and his four children, "Katie, aged eight, Mammie, aged sixteen, Tony, aged six, and Clements, aged four. The fatally injured: Mrs. Jacobs, aged 44, and Cecilia, her two months old babe.

Bowling along at forty miles an hour, the car crashed into the automobile. For a block the wrecked car was shuttled along beneath the car, and every rod of progress was marked by a body hurtling from the tangled wreckage. A rescue car was dispatched immediately from this city to Latin where the crash occurred. The injured were placed aboard, and a wild rush made to the city. Returning to the city, the ambulance car approached a congested section at Central avenue and seventh street. A crowded car failed to hear the ambulance bell and a crash followed, when thirteen more were injured, and hurried to hospitals. Horses attached to a carriage bearing W. H. Gillette, wife and daughter became terrified by the crash and ran away, and the occupants were injured painfully.

Three Sons Escape. At Latin station, where the accident that resulted in the death of five members of the Jacobs family, the Pacific Electric company maintains no signal system, and the doomed party in the automobile was fairly upon the tracks before the flying car discovered it. Frank Jacobs, aged twelve, and John Jacobs, aged 20 saved themselves by leaping over the back of the tonneau. Each was injured by the fall. Peter Jacobs, the eldest son left the automobile a block below the scene of the tragedy because it was crowded. When the crash occurred he rushed to the assistance of his father and mother. His frantic effort to raise a beam from his father's corpse caused a severe sprain of his back.
