

# Folger's Golden Gate Coffee

The kind that makes the breakfast—real coffee through and through—always the same.

Your grocer will grind it—better if ground at home—not too fine.

### Use Your Eyes, Do Not Abuse Them.

Strength comes by use that trains but does not strain. If there is a hint or sign of strain, if there are spots before the eyes or pains about the eyes, if these seem doubled or mixed, THEN YOU ARE INJURING YOUR EYES EVERY DAY.

These defects may seem small yet if left to themselves they will grow and the only thing that will stop them is Glasses. Proper Glasses. Our kind. We grind our own lenses.

**THROW OUT THE LINE.**

Give Them Help and Many Pendleton People Will Be Happier.

"Throw Out the Life Line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute. Will you help them?

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair. Will cure any form of kidney trouble.

Mrs. G. W. Propeck of Elgin, Ore., says: "Doan's Kidney Pills have proven of great value to me. Kidney complaint troubled me all my life and I was gradually becoming worse. I never found a remedy that would give me relief and my life was a burden. I was subject to dizzy spells, my back ached severely and the kidney secretions were so irregular in passage as to cause me great inconvenience. Whenever I took the least cold, it was sure to settle in my kidneys and greatly aggravated my suffering. I tried several remedies which seemed to give me temporary relief but the attacks were sure to return. At last I learned about Doan's Kidney Pills and procured a box. Before I had taken one-half the contents I was free from backache and my kidneys became normal. I have not had any trouble since and give Doan's Kidney Pills the credit for my present good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## HIGH SCHOOL BOYS WIN SUPREMACY

### ACADEMY TEAM NO MATCH FOR THEM

In Contest for City Championship Pendleton High Defeats Pendleton Academy by Decisive Score—46 Points Piled Up Against a Goose-egg.

By the overwhelming score of 46 to 0 the Pendleton high school eleven defeated the eleven from the Pendleton academy on the Matlock grounds yesterday afternoon. The city champion for this season was therefore decided in no uncertain manner.

The contest was decidedly one-sided from the start, though there were times when the members of the academy team pulled themselves together and forced the high school boys to punt. Hawley Bean with his sensational 45-yard run straight through the line, Graham with his gains of from five to 20 yards every time he was given the ball and Kimball and Thompson with their long runs were the heroes of the day. It was a contest in which nearly every member of the victorious eleven was given a chance to score. Those who were not privileged to carry the ball across the line were permitted to kick goal.

An exceedingly small but enthusiastic Thanksgiving crowd witnessed the contest.

**First Half.**  
The game in detail follows: The high school won the toss and chose to defend the west goal, thus getting the advantage of a slight wind which was blowing. The academy make a poor kickoff, and when the ball is down it is in the high school's possession on her own 40 yard line. Failing to make yardage through the line a forward pass is tried with the result that it is the academy's ball on high school's 50-yard line.

Being unable to make their yardage academy punts to Kimball on his own 10-yard line. He runs it in 15 yards before being downed. Bean makes 15 yards but an offside play brings a penalty of five yards, a forward pass which failed caused another penalty of 15 yards and the high school has the ball on its own 12 yard line with last down and 30 yards to make. Kimball punts.

Academy's ball on her own 50 yard line. An attempted onside kick is gathered in by Kimball.

Bean tears off seven yards through the line; Carrol makes 10 around the end; Kimball adds five more through the line; Hinderman carries the pigskin for a gain of 10 yards; Kimball adds seven more through the line and Bean is sent through the line for the remainder of the distance and a touchdown. Kimball kicks goal and the score is 6 to 0 in favor of the high school.

The academy receives the next kickoff, defending the west goal, but the ball is fumbled and juggled until the man who finally gets it, is downed on the Academy's ten-yard line. Failing to make any gain on the first down, the academy punts, Kimball getting the ball on the 30-yard line and running it in 5-yards; Thompson makes an end run of 20 yards. Two downs without yardage leaves the ball nearly directly in front of the goal posts 15 yards away. Kimball drops back for a drop-kick, which fails.

Academy's ball on her own 25-yard line. A failure at forward pass causes academy to be compelled to kick from behind her own goal line.

Kimball catches the ball on the 40 yard line and runs in 15 yards before being downed. Graham, wades through the line for 10 yards; Sturdivant catches a forward pass for a gain of 25 yards and Kimball takes it over for a touchdown. Goal is missed.

Score—High school 11, academy 0. Thompson receives kickoff for high school on 25-yard line and runs in 20 yards before being downed. Kimball adds 20 more around the end, forward pass failing. Kimball punts.

Academy's ball on own 50 yard line. A pass for a punt goes high, kick is blocked and Pendleton gets ball on academy's 35 yard line. Kimball makes 25 yards through the line on the first play. Kimball adds five more, Thompson five, Kimball five and then Thompson carries it over for a touchdown. Goal is missed.

Score—High school 16, academy 0. Academy receives kickoff. Failing to make yardage a forward pass is tried and when the dust of the juggling match clears away, academy has ball on her own 12-yard line. On first down man with ball is thrown back for loss of five yards and then a pass for punt goes over the punter's head. Ball is fallen on by academy player behind own goal line, making safely and counting two points for high school.

Score—High school 18, academy 0. Academy lines upon 25 yard line for scrimmage, but instead of putting the ball in play by pass center kicks to Kimball in middle of field. He is downed on academy's 50-yard line; yardage is made in two downs. Three yards is made on the next down and Graham, with three or four academy men hanging on to him, wades down the field for a gain of 15 yards. Kimball carries it 10 yards for touchdown.

Score—High school 23, academy 0. High school receives the kick-off. Thompson catching the ball on the 10 yard line and running it in to the 15 yard line before being downed. A forward pass nets 10 yards and the half is over.

**Second Half.**  
Academy receives the ball on the 40 yard line and runs it in 20 yards before being downed. The Academy's left half back makes 15 yards. Fail-

ing to gain anything on the next down the Academy punts.

High school's ball in the middle of the field, Kimball makes six yards through the line and then behind splendid interference Bowman races down the field for 30 yards around the Academy's right end. Then with the same kind of interference, Kimball sprints around the other end for 25 yards and a touchdown. Bowman kicks goal.

Score, 29 to 0.

Thompson receives the ball for the high school on the 25 yard line and runs in 20 yards before being downed. Two downs net three yards and Devine goes in at end. Kimball punts. Academy fumbles and Pendleton gets ball on Academy's 40 yard line. Yardage is made with two line bucks—Graham making 15 yards as fullback. Kimball having retired with sprained ankle. High school makes yardage in two downs. Bowman carries ball over for touchdown. Struve kicks goal.

Score, High School 33, Academy 0. High school receives kick-off. Thompson taking ball on 10 yard line and running in 20 yards before being downed. Hinderman makes five yards through the line on a "tankie back" play and then Manager Bean who had been playing like a fiend all through the game, made the most sensational run of the day when taking the ball and bowling over the opposing players straight down the field for 45 yards. His head gear was torn off him in going through the line and he was downed once only to get up and keep on his way. For a time it looked like a touchdown but Lee Caldwell who was playing safety for the Academy overtook him and downed him for the second time. Devine then carried the ball for three yards. Bean for five, Graham five, three times in succession and with the crowds on the sidelines yelling for Graham to be given the ball, the young Giant walked over his own line as well as that of the opposing team for a touchdown. Hinderman kicks goal.

Score, High School 41, Academy 0. High school receives the kick off on the 15 yard line. Yardage is made twice in succession and then Thompson electrifies the crowd by a run for 35 yards and a touchdown. Carrol kicks goal.

Score, High School 46, Academy 0. Devine receives the kick-off on the 10 yard line and runs it in 15 yards before being downed. The high school makes yardage three times in succession and is then forced to punt. Academy takes ball on own 15 yard line and punts to 40 yard line. Devine runs it in 15 yards. Graham carries it over and with the ball on the seven yard line a dispute as to who should make the touchdown causes time to be called before the ball was put in play.

Final score, High School 46, Academy 0.

### O. R. & N. CO WILL FIGHT ASSESSMENT

That the O. R. & N. Railroad company will fight the decision of the Board of Equalization of Baker county regarding its assessment as proven by a case filed today in the circuit court appealing from the board, says the Baker Herald.

The history of the assessment this year has been told before. The county assessor decided that the road was being assessed too high in comparison with other property in the county and cut off \$10,000 a mile from the assessment of last year. When the board of equalization met Tax Agent Billy Morrow of the company, was cited to appear and show cause why the assessment should not remain the same as last year. He defended his contentions but the board decided to leave the assessed value at the same figures as the preceding year.

Now comes an appeal of the case to the circuit court signed by Mr. Morrow, Mr. Cotton, Mr. Jones and Mr. Spencer for the O. R. & N. company.

**A Note of Indian Pathos.**  
There is an odd touch of pathos in a recent order from Washington setting aside Mamaloose Island in Lake Pend d'Oreille as a burying ground for the Pend d'Oreille and Kootenai Indians. For centuries these tribes have used the picturesque island as a resting place for their dead; it would be hard to select a more appropriate cemetery. Naturally they were indignant when a homeseeker, defying the eternal fitness of things, tried to locate on the island under the homestead act. Their protest has crystallized into action, and now the island like the national parks and the forests and military reserves will remain the property of the nation.

The opening of the Indian reservation will soon leave the red man without a place to live. To grant his poor privilege of a burying place is the least the government can do for him. The march of civilization is inspiring and grand, but the line should not traverse a graveyard.—Butte Revelle.

**Shoot Deer in City.**  
Detroit, Mich.—Deer are so plentiful in the vicinity of Sault Ste Marie that they are shooting them within the limits of the city. A number have been bagged at the shallows this season, three of them during the course of one afternoon. Many others have been seen in the neighborhood.

It is believed that these come from Canada. The fact that the game is being hunted with dogs across the border is thought to have caused many of the animals to take to the water and swim to the American side.

**A Peculiar Wrench**  
of the foot or ankle may produce a very serious sprain. A sprain is more painful than a break. In it sprains, cuts, burns and scalds. Bullard's Snow Lintment is the best thing to use. Relieves the pain instantly, reduces swelling, is a perfect antiseptic and heals rapidly. Price 25c. Box and \$1.00. A. C. Koepfen & Bro.

Foley's Honey and Tar cures coughs quickly, strengthens the lungs and expels colds. Get the genuine in a yellow package. Koepfen Bros.

## Nature's Gift from the Sunny South

### Cottolene Comes from Dixieland!

The source of lard is against it. Lard-cooked food may not cause indigestion and throw your stomach out of kilter, but it will be only a matter of luck if it doesn't.

The source of Cottolene is pleasing—the product is healthful. The oil is extracted from the cotton seed grown in the fields of the Sunny South. It is then refined and rendered odorless and neutral in taste. From Cottonfield to Kitchen—human hands never touch the oil from which Cottolene is made.

Cottolene is an absolutely pure product—of pure origin and ancestry, and will make palatable, digestible, healthful, wholesome food. It is the best frying and shortening medium made to-day. If the best is none too good for you, ask your grocer for Cottolene, and do not let any prejudice stand in the way. The only way to know Cottolene is to test it yourself.

**COTTOLENE is Guaranteed** Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottolene a fair test.

**Never Sold in Bulk** Cottolene is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

## LOST WAIFS WERE IN DESERTED HOUSE

### SPRING LOCK TO DOOR HAD IMPRISONED THEM

City Thrown Into State of Excitement by Their Disappearance—Thought Then Kidnapped by Blackhanders—Systematic Search Results in Discovery.

Santa Cruz, Calif., Nov. 25.—After being imprisoned in an abandoned house since Tuesday, Margaret, aged four, and Mollie Man'ldi, aged five, were found today by Guy Richardson of the naval reserve, solving a mystery that has caused riot calls and aroused the city to the highest excitement. They had not been harmed except by terror and hunger and were found huddled together under the kitchen sink. The house is in an isolated part of Garfield park. They had wandered there and after entering the house had pushed the door shut and there being a spring lock to the door, they were unable to open it and were too small to climb to a window.

They wandered away from the home of their parents, Mr. and Mrs. Joseph Man'ldi, Tuesday at 3 o'clock. The mother soon missed them and notified her husband. Friends joined in the search of the neighborhood, which was continued all Tuesday night. As no track was found a report that they had been kidnaped by blackhanders was started in Italian quarters and quickly spread. Yesterday afternoon no clue was revealed and a riot call was sounded, and members of the naval reserve assembled at the armory. The city was divided into sections and detachments assigned to various localities so that a systematic search could be made. All night the search continued and by midnight the city was in a state of excitement. The systematic way in which the search was undertaken was responsible for the successful termination. The mother, who was nearly wild with distress, became hysterical with joy when the girls were carried to her.

### Causes Consumption.

If you have catarrh, don't fool yourself into the belief that it is a harmless disease.

At least one-half of the consumption in the world can be traced to catarrh.

Here are some symptoms of catarrh: If you have any of them get rid of them while there is yet time:

- Is your throat raw?
- Do you sneeze often?
- Is your breath foul?
- Do you take cold easily?
- Is your nose stopped up?
- Do you have to spit often?
- Do crusts form in your nose?
- Do you blow your nose a great deal?
- Are you losing your sense of smell?
- Does your mouth taste bad mornings?
- Do you have to clear your throat on rising?
- Do you have a discharge from the nose?
- Does mucous drop in back of throat?
