

CUTICURA CURED CHIEF OF POLICE

Canadian Officer Poisoned by Weeds - Eczema Developed and Legs Became Scaly - Ankles were Very Sore and Itchy - For Weeks He Could Not Wear Shoes.

FREED FROM ITCHING BY CUTICURA REMEDIES

"I have been successfully cured of dry eczema. I was inspecting the removal of noxious weeds, it being part of my duty, from the edge of a river and was constantly in the dust from the weeds. At night I shook out my trousers and cleaned my limbs, but felt a prickly sensation. I paid no attention to it for two years, but I noticed a scum on my legs like fish scales. I could scrape it off, and yet I did not attend to it until it came to be too itchy and sore and began getting two running sores. My ankles were all sore and scabby and I could not wear shoes. I had to use carpet and felt slippers for weeks. I was then on particular police duty and was compelled to be on duty. I got a cake of the Cuticura Soap and some Cuticura Ointment. In less than ten days I could put on my boots and in less than three weeks, though on duty all the time, I was free from the confounded itching. I tell you frankly that Cuticura saved me from what the doctors called a bad leg. Capt. George P. Bliss, Chief of Police, Morris, Manitoba, Mar. 20, 1907, and Sept. 24, 1908."

TOP QUALITY IS SELLING HIGHER

COWS AT \$3.75 AND STEERS NOW AT \$4.75

Demand is Excellent for Toppo Stuff Weather is Holding Back Shipments—But Few Hogs Are Offering—Sheep Market is Firm.

Portland Union Stockyards, Dec. 7.—Steer market is now firmly established in the stockyards at \$4.75. Another sale was made at this figure today, indicating that for quality buyers are more than anxious to pay the highest price ever reached here at this time of the year.

Sale of one load of steers was made at \$4.75. This consisted of 25 head and averaged 1061 pounds. Steers that weighed more sold for less, so it was not a question of getting heavy stuff so much as it was for excellent quality. The lighter stuff that brought the top were among the best recently received in the Portland yards.

Cows sold several times during the day at \$3.75, but it took good quality to bring this figure. However, it was generally agreed that more of the same class of stuff could have been moved at the highest figure recently reached.

While, because of the high prices reached for steers there is a better demand for first class cows than the former, still all lines of cattle are extremely strong in the stockyards at this time and shippers are assured of very favorable returns on the present market.

Weather Holds Back Shipments. Because of the very stormy weather at interior points as well as on the coast, it is exceedingly difficult to bring shipments forward at this time. Roads in the interior are almost impassable and shippers say that it is unprofitable to bring in supplies at this time, even though the market justifies very liberal arrivals.

A year ago today arrivals of cattle in the Portland yards were very small and consisted of but 28 head. Prices at that time were firm but unchanged.

No Hogs Offering This Morning. No hogs were offering in the Stockyards market this morning but the tone of that line was most favorable, with no doubt of the ability of the trade to maintain the high average of last week so far as prices are concerned. A year ago today hog arrivals were liberal, a total of 247 head being received. Prices were unchanged but firm.

Sheep Market Firm All Around. While there was only a small sprinkling of sheep in the yards today, the market was firm especially for the better class stuff, and former prices were well maintained. In fact, killers say that they are now willing to pay a small premium for real fancy sheep and lambs for the Christmas trade.

Year ago today no arrivals of sheep were shown in the yards, but the market was firm at unchanged prices.

Those Who Supply the Market. A. R. Ford comes forward so regular that he is almost a resident of this city. This time he brought in a carload of cattle from Sheridan.

F. L. Hobbs of McMinnville was the shipper of a load of sheep that were rather badly needed in the yards. Came from McMinnville, too.

The following is the general range of livestock values in the yards:

Cattle—Best steers, weighing 1200 pounds, \$4.75; Medium Steers, \$4.50; best cows, \$3.75; fancy heifers, \$3.75 @ \$3.85; medium cows, \$3.50; bulls, \$2 @ \$2.75; stags, \$2.50 @ \$3.
Hogs—Best east of the mountains, \$8.25; fancy, \$8.10; stockers, \$6.50 @ \$6; pigs, \$6 @ \$7.
Sheep—Best wethers, \$4.50 @ \$4.75; ordinary, \$4.50; spring lambs, \$5.50 @ \$6; straight ewes, \$4 @ \$4.25; mixed lots, \$4.25 @ \$4.50.
Calves—Best, \$5 @ \$5.25; ordinary, \$3 @ \$4.50.

FOOTBALL UMPIRE FELS SCRAPPY INDIAN PLAYER

Allentown, Pa.—Umpire Elliott, who officiated in the big game between the Carlisle Indians and Muhlenburg, gave Jack Smith, a big Indian, a knockout blow following a dispute over a decision. At a critical point of the contest the white column pushed the red column over the line. Elliott, the umpire, called it a fair touchdown for Muhlenburg. Jack Smith, the Indian left, and a towering redskin, hit Elliott in the face. Elliott, who is a small man, did not lose his temper, but demanded an apology. Smith hit him again, whereupon Elliott struck the Indian a blow on the nose that put him down and out for a full quarter of an hour. Muhlenburg won, 13 to 5.

THE WHEAT MARKET

GOVERNMENT REPORT SHOWS SEEDING INCREASE

7.9 Per Cent More Acreage Than Last Year—Chicago Wheat Closes Lower.

Washington, Dec. 7.—Winter wheat acreage shows increase of 7.9 per cent over a year ago. This year 32,483,000 acres. Condition of winter wheat crop 95.8 per cent.

Chicago, Dec. 7.—Wheat opened unchanged to 1-8c lower today and closed 1-8c to 1-4c lower than yesterday.

There was an advance of 3-4 to 1c a bushel after the opening on the report that a private cable stated that the damage to Argentina wheat was 10 per cent in the north and 20 per cent in the southern belt.

Broomhall sent the following cable back from Liverpool: "Buenos Ayres, Argentina, Dec. 7.—Market for wheat opened 1-2c lower. There has been some damage to the corn crop in the center as a result of the recent freeze and the wheat crop may have received damage."

After the early advance here, due to the Argentina report and the higher price at Liverpool, the market began to lose heavily on the government report which showed 7.9 per cent increased winter wheat acreage as compared with a year ago. December dropped from \$1.98 1-4 to \$1.97, May from \$1.08 3-8 to \$1.07 and July from 99c to 98 1-2c. July closed at the low point, but in the December and May there was a fractional advance over this.
