The folks will be stirring around, filling up stockings and socks, and you know the holiday season is never complete unless one gives and receives something really worth while. GAS, INDIGESTION AND ALL
STOMACH MISERY GOES

Heartburn and Headache from Stomach and Other Distress Is Ended Forever—A Little Diapepsin Now Will Certainly Make You Feel Fine Before You Realize It.

There would not be a case of indigestion here if readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtue contained in Diapepsin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sourest, acid stomach in five minutes, besides overcoming all foul, nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50-cent case of Pape's Diapepsin, then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness and many other bad symptoms; and, besides, you will not need laxatives to keep your stomach, liver and intestines clean and fresh.
If your stomach is sour and full of gas or your food doesn't digest, and your meals don't seem to fit, why not get a 50-cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and, besides, one case is sufficient to cure a whole family of such trouble.
Surely a harmless, inexpensive preparation like Diapepsin, which will always, either at daytime or during night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.

SCIENCE PROVES WATER AND AIR ARE HEALTH

Mineral Water Cures at Paso Robles Hot Springs.
It is quite interesting in this age of advancement to learn that the great scientists and medical men are really willing to admit the success of nature over man.
The Paso Robles Hot Springs of California have so wonderfully cured such obstinate diseases, and their cure has caused such comment, that science has at last, in many instances been unable to fully account for the reason.
The waters of Paso Robles have Paso Robles and was so much benefited that he was soon able to resume command on the bridge of the flagship.
The air at Paso Robles causes as much investigation as the waters, for it is said that the peculiar and perfect air found there has as much to do with curing of all disease as the mineral baths.
To the visitor in perfect health Paso Robles is a place of consuming interest, while to the sick it is a re-

been analyzed. Chemicals distilled by man have been apparently used for the same purpose as those to be found in the waters of Paso Robles. Still the cures have not been forthcoming and yet such cases find relief in the bath at these springs.
The recent successful treatment of Admiral Evans has caused a new series of questions and arguments among the world's scientific men.
Admiral Evans had the best of medical attention aboard ship, yet when he reached land he was so weakened and in such pain that his journey to Paso Robles had to be made in easy stages to prevent his collapse from suffering. He spent three weeks at treat almost beyond conception, if their words of praise are heard.
In Paso Robles one hears only water and air spoken of as the real physician, while every person seen is filled with the buoyancy of hope and renewed vigor and takes special delight in telling you what he used to be.
A small book, neatly illustrated, has been recently published by the management telling the story of the Hot Springs in a most interesting manner

and giving complete information. Send for it, either to Wm. McMurray, General Passenger Agent of the O. R. & N., Portland, Ore., or Dr. F. W. Sawyer, Manager, Paso Robles, Cal.
Opera Doesn't Make Hit.
London, Dec. 16.—The production of Sir William Gilbert's Fairy opera "Fallen Fairies," the music of which is by Edward Gorman, at the Savoy theater last night, was somewhat of a disappointment to those who expected a revival of the old glories of the Gilbert and Sullivan period. The book is an operatic version of Gilbert's comedy, "The Wrecked World," produced 35 years ago and is not to be compared with his earlier operas. Gorman provided distinctive and melodious music, however.
