An incipient blaze in the roof of the house occupied by Mrs. Anna B. Eggerth and family at 403 Cosbie street, was quickly extinguished just after the noon hour today. The central fire companies were summoned but the blaze was put out by neighbors before any great amount of damage was done. Rev. A. MacKenzie Meldrum was one of the first to render assistance. The fire was caused by a defective flue.

DIVORCE IS CAUSED BY ONE BLONDE HAIR

The troubles of David Hult, a civil engineer in the employ of the city, and his wife Annie, were caused by an everyday hairbrush and a half-dozen of sand which crept into Hult's shoes while he was at work, says the San Francisco Examiner. The family jars were aired yesterday before Judge Van Nostrand and those two causes loomed up conspicuously among a number of minor charges made by the husband in his suit for divorce.

Hult told the judge that after he returned from an expedition through the Hetch Hetchy valley his wife found an old hairbrush among his baggage, from the bristles of which she drew out a long blonde hair. "You've been out with some woman," were the wife's words, according to Hult's testimony, when she plucked up the hair.

"Who have you been out to the beach with?" was the question Hult said was asked of him by her when he removed his shoes at night and a lot of sand fell out.

"I guessed that the hair came from a woman's head," said Hult to the judge, "and the sand got into my shoes while I was at work."

GEORGE MULLIN BEST OF THE AMERICANS

Chicago.—George Mullin of the Detroit champions, was the leading pitcher in the American league last season according to the official pitching averages issued by President B. B. Johnson here. Mullin's record was 29 games won and 5 lost for a percentage of .784. He was 62 points ahead of Cloitte, of Boston, who had a record of 13 games won and 5 lost for .722. Another Detroit pitcher, Willett, finished third, with 22 won and 9 lost, for .716.

Kranke, the early season sensation of Philadelphia, was tied for fourth with his team mate, Bender, at .692, with 18 won and 18 lost. The veteran Cy Young of Cleveland, had a percentage of .659.

Chicago, which finished fourth in the pennant race, led the team fielding with a percentage of .944. Philadelphia was second, with the Detroit champions third. New York made the greatest number of errors, having 331 chalked up against them.

TWO VICTORIES AND TWO DEFEATS

BOY'S TEAMS WIN AND GIRLS LOOSE

Pendleton High Boys Overwhelm Milton Aggregation—Crippled Girls Team Meets Defeat at Walla Walla—Boys of Academy Win and Girls Lose at Weston.

Two victories and two defeats out of four games played was the record made by Pendleton's basketball teams last evening. Singularly enough, the two victories were by boys, while the two defeats were suffered by girls.

The Pendleton high school boys took the much heralded team from the Milton college into camp by the decisive score of 40 to 5. Only one field goal was scored by the visitors.

The Pendleton high school girls went to Walla Walla and were defeated by the overwhelming score of 56 to 9.

The academy boys defeated the Weston high school boys on the latter's floor by the score of 35 to 27 while the academy girls were defeated by the Weston girls by the margin of 7 to 5.

Game Disappointing.
Last night's game in the high school gymnasium was somewhat of a disappointment. The local players were expecting a hard tussle and they played fast and furious from the start but their opponents proved to be no match for the locals and it was soon seen that the victory would be easy.

Rader, Sturdivant and McDill tossed baskets with ease, while Devine and Jordan at guards allowed their forwards few opportunities to shoot at the basket. Rader scored six field goals, Sturdivant eight and McDill five. The latter also scored two points on fouls.

As was to be expected, Storm was the leading man for the visitors, scoring the one field goal and making their three points on free throws from the foul line. His guard was too fast for him, however.

Girls Were Crippled.

It was a greatly weakened team of girls which represented the local high at Walla Walla, last evening and the result was anticipated. Miss Ella Lazarka, Miss Blanche Baddley and Miss Laura McKee, three of the five regular players were not in Walla Walla and of course did not participate in the contest. The first two named were unable to make the trip while Miss McKee missed her train. The girls therefore stood no show to win but hope to reverse the tables when the Walla Walla girls come to Pendleton.

The following concerning the contest is from the Walla Walla Union: "In a one-sided, but nevertheless interesting game of basketball on the high school gymnasium floor last evening, the girls' five of Walla Walla high school overwhelmed and defeated the girls from Pendleton high by a score of 56 to 9. At game time were the locals in any danger and their superiority in passing and throwing was apparent. Steel for Walla Walla shone as the bright particular star of the contest."

BOXING CONTEST POSTPONED UNTIL MONDAY EVENING

Owing to the failure to arrive of Heimick, who was to box Richardson at the Athletic club smoker last night, the club postponed the exhibition until Monday evening, December 20. The general demand by the club members to see Richardson in action caused the club managers to postpone the smoker until Monday rather than miss that looked for meeting.

Big Al is said by Evans to be in really fine condition and the postponement suited him fine, as he is anxious to appear and show his improved form.

Cuff and Overturf will put in the remaining two days keeping in shape and the card will be put on as billed on Monday night. As many of the stores are open evenings next week, the evening's entertainment will begin at 9 p. m., instead of 8:30, as is usual.

A wrestling match is being arranged for the next smoker hit. Vic McLaughlin, a heavyweight wrestler of Seattle, and the Spokane crack, Joe Hendricks, Manager Evans believes that the bill for Monday's smoker will be highly entertaining to the athletic followers of the club. The card seems to promise an enjoyable night's fun among the athletes.
