(Special Correspondence.) Freewater, Dec. 17.—Jack Grooms, a house mover, living just out of Freewater, had his shoulder dislocated, head badly jammed up and several ribs broken yesterday by falling a distance of about twenty feet, from off a slippery ladder. Mr. Grooms was assisting in moving a building from Milton to Freewater and went up the ladder to remove a telephone wire out of the way of the building, when he slipped and fell. It will be some time before he recovers from his injuries. Later in the same day while the same building was being taken over the interurban car line, the wagon it was resting on broke down and stopped traffic for several hours.

**BASKET BALL AT ATHENA.**

Local Team Will Meet Milton—Musical Program and Stag Social Features of Week.

(Special Correspondence.) Athena, Dec. 17.—Milton's fleet basket ball team will tackle the Athena boys in the opera house next Saturday evening. The Athena team has been doing splendid work for the past few weeks and is rounding into good form. From comparative scores Columbia College has the faster team but the home team has developed wonderfully since the last game and a fast game is expected.

Mrs. Raymond Brooks of Walla, assisted by the Athena high school, will give an entertainment in the Christian church this evening at 8 o'clock. The event has been thoroughly advertised and many tickets have already been sold.

More than two hundred people crowded into the basement of the Methodist church last night to enjoy the elegant "Stag Supper" prepared entirely by the men. The ladies were invited only as guests and seemed to greatly enjoy what was prepared by their inferiors in the culinary art. After the banquet the crowd listened attentively for an hour to a volume of wit and humor which was greatly in evidence in every toast given. There were several visitors from other towns who responded with unusual cleverness and the occasion seemed to be enjoyed by every one present. The innovation proved such a success it was decided to make it an annual affair.

**No Man is Stronger Than His Stomach**

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

**The Cause of Many Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y.

When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

**RED CROSS STAMPS CAUSE OF TROUBLE**

Washington, Dec. 18.—Officials of the post office department have been caused a lot of trouble by the Red Cross stamps, although the little labels have their fullest sanction and support. From all over the country come reports of letters being mailed with only Red Cross stamps upon them, and these must be treated as unpaid matter, since no amount of the charitable labels will take the place of Uncle Sam's little red stamps. Patrons of the postoffice are also warned not to stick Red Cross stamps on letters addressed to Great Britain, as mail matter forwarded to that country must bear no other stamps or labels than the official postage stamps of the country where mailed. Those who have placed Red Cross stamps on mail addressed to Great Britain or any English colony may confidently expect that it will not be delivered. The same rule applies to Germany, except that Red Cross stamps may be placed on the back of a letter or parcel, but positively not on the front or address side.
