### CUTICURA PROVEN PURE SWEET AND HARMLESS

York friend of Cuticura writes eing interesting letter "A chree year old sen and heir,

No more conclusive evidence than the above could be offered that every ingredient of Cuticura Unitment is absolutely pure, sweet and harmless. If it may be safely eaten by a young child, none but the most beneficial results can be expected to giterid its application to even the tenderest skin or youngest infant. This feeling is shared by mothers and nurses to such an extent that Cuticura Soap and Cuticura Cint-ment have for many years been unbesi-tatingly used throughout the civilized world for preserving, purifying and beautifying the skin, scalp, har and world for preserving, purifying and beautifying the skin, scalp, hair and hands of infants and children from the hour of birth.
