### COWS ADVANCE TO \$3.85 IN YARDS

**PRICE 10C HIGHER  
THAN PREVIOUS SALES**

**Cows Which Brought That Price of  
Top Quality—Big Run of Hogs  
Does Not Hurt Market Value—  
Sheep Firm With no Arrivals.**

Portland Union Stockyards, Stock-  
dale, Dec. 22.—Another high record  
was reached in the cattle market at  
Stockdale during the past 24 hours,  
when cows sold up to \$3.85. This  
was an advance of 10c over all pre-  
vious prices for regular runs.

The cows that brought this figure  
were of most excellent quality. The  
lot consisted of 16 head and averaged  
1201 pounds. Several lots were  
moved during the day at \$2.50, but these  
were generally of very light weight.

There was only a fair run of cattle  
in the yards during the past 24 hours,  
and this was a wonderful help to the  
trade. If receipts are lighter, still,  
it will have a further influence upon  
the market.

**Hogs and Sheep are Firm.**

While the run of hogs in the Stock-  
dale yards today was very liberal; in  
fact, by far the greatest run for the  
week, a good tone continues in the  
market for swine and for real good  
quality prices are being safely main-  
tained. There was no real fancy hogs  
in the yards for this morning's trad-  
ing, and therefore prices did not range  
above \$8.65 during the sales. All lots  
reported, went at this value.

There were no sheep in the market  
today, and the few head that arrived  
yesterday were therefore well taken  
care of at recently advanced values.

**Regular Shipments of Goats.**

Regular shipments of goats are now  
being made to the Portland market.  
Most of the supplies have thus far  
been sold for Puget sound account  
and have generally brought quite fair  
values. That the shippers are well  
satisfied with their returns is shown  
by the fact that the same people con-  
tinue to send stock in this direction.

Today's run of livestock compares  
with this day in recent years as fol-  
lows:

	Hogs	Cattle	Sheep
1909	1510	114	646
1908	42	58	646
1907	65	135	...
1906	49	46	...
1905	None	...	...

A year ago today all lines of live-  
stock were firm at unchanged prices.

**Those Who Supply the Market.**

Goats—George Kraus of Silverton,  
with two cars.  
Cattle—M. R. St. Clair of Idaho  
Falls, with three cars; W. I. Dishman  
of Wallowa, with five cars.  
Hogs—Harvey Blake of Weiser, with  
one car; Persons — Taylor of St.  
Johns, Wash., with one car; Lind &  
Van Ausdell, one car, from Hanson,  
Idaho, one car from Buhl, and one  
car from Milner, Idaho. F. R. Good-  
ing of Gooding, Idaho, with one load;  
R. L. Day of Enterprise, with two  
loads; W. I. Dishman of Willowa,  
with one load; Gibson & Co. of Wil-  
lows, with two loads; G. H. Jacobsen  
of Huntington, with one load.

Mixed lots—W. I. Dishman of Wil-  
lows, one load of cattle, calves and  
hogs.

The following is the general range of  
livestock values in the yards:

**Cattle—Best steers, weighing 1200  
pounds, \$4.75@4.80; medium steers,  
\$4.50; best cows, \$3.75@3.85; fancy  
heifers, \$3.75@3.85; medium cows,**

\$3.50; poor cows, \$2.90@2.50; bulls,  
\$2.00@2.75; stags, \$2.50@3.00.

\$8.75@8.85; fancy, \$8.65; stockers,  
\$6.00; pigs, \$6.00@7.00.

### THE WHEAT MARKET

**SHARP CUT IN CHICAGO  
WHEAT FUTURES YESTERDAY**

Close at 1-1-8 to 1-3-4c Lower Than  
Day Before After Initial Drop—  
Cash Wheat Offered More Freely.

Chicago, Dec. 22.—Wheat closed  
1-1-8 to 1-3-4c a bushel lower after  
opening 1-2 to 5-8c under yesterday.  
Liverpool was weak all day, open-  
ing 1-2d lower and closing 1-2 to  
7-8d under yesterday.

Rumors were in circulation here of  
a sale of 200,000 bushels of cash  
wheat over night at 5c over the May.  
A thorough canvass of leading cash  
houses disclosed no knowledge of it,  
and they scout the report. Brokers  
in cash do the same, also the one  
milling concern on the floor this mor-  
ning. Cash men say the prices is  
higher than is asked for .so. 2 hard  
on delivery.

Disappointed longs were selling  
wheat at Kansas City. Cash demand  
there is poor.

One of the best posted and reliable  
cash houses at St. Louis, working  
with Nebraska people, say they are of-  
fering to sell hard wheat in increased  
quantities.

It is stated that the Minneapolis  
elevators are not holding more than  
500,000 bushels of wheat compared  
with 1,000,000 bushels held previous  
to the strike.

**Hexamethylenetramine.**  
The above is the name of a Ger-  
man chemical, which is one of the  
many valuable ingredients of Foley's  
Kidney Remedy. Hexamethylenetet-  
ramine is recognized by medical text  
books and authorities as a uric acid  
solvent and antiseptic for the urine.  
Take Foley's Kidney Remedy as soon  
as you notice any irregularities and  
avoid a serious malady. Koepfen  
Bros.

**Gets Three Story Brick.**  
Kennewick, Wash.—Plans are be-  
ing prepared for a handsome three  
story pressed brick or concrete build-  
ing on the Otto Hanson property, to  
be erected by the Kennewick In-  
vestment company. Ample capital is  
available for the building, and work  
on it will commence soon after the  
first of the year.

The building will be 50x125 feet.  
The lower floor will be used for store  
rooms and for some time to come  
will be the best business location in  
the city. On the second floor com-  
modious offices for the investment  
company will be opened, while the  
remaining floor space and the third  
floor will be used for office purposes.  
The building will cost not less than  
\$35,000.

Mrs. S. Joyce, Claremont, N. H.,  
writes: "About a year ago I bought  
two bottles of Foley's Kidney Rem-  
edy. It cured me of a severe case of  
kidney trouble of several years stand-  
ing. It certainly is a grand, good  
medicine, and I heartily recommend  
it." Koepfen Bros.

**Roseburg Dedicates Church.**

Roseburg, Ore.—Roseburg's new  
Presbyterian church, erected at a cost  
of \$15,000, has been dedicated. The  
dedication ceremonies were conduct-  
ed by Dr. J. A. Townsend of Arleta, a  
former pastor of this church; Rev.  
Henry Marcotte, pastor of the West-  
minster church of Portland; Rev. W.  
A. Smick, the first regular pastor of  
the Presbyterian denomination in  
Roseburg, and Rev. J. E. Burkhart,  
present pastor. Nearly \$3300 was  
pledged at the time to pay off the re-  
maining indebtedness of the church.

After exposure, and when you feel  
a cold coming on, take Foley's Honey  
and Tar, the great throat and lung  
remedy. It stops the cough, relieves  
the congestion, and expels the cold  
from your system. Is mildly laxative.  
Refuse substitutes. Koepfen Bros.

**Sell Much Alfalfa Seed.**

Weiser, Idaho.—Ricker & Green  
have handled about 500,000 pounds  
of alfalfa seed within the past year.  
The larger portion of the seed was  
sold outside of the state. They also  
handled a large amount of home  
grown timothy seed.

The alfalfa seed was purchased in  
amounts as follows: Vale, 100,000  
pounds; Payette, 60,000 pounds; Ha-  
german Valley, 280,000 pounds; Wei-  
ser, 60,000 pounds. A large amount  
of the timothy seed was purchased  
from Long valley farmers.

The readers of this paper will be pleased  
to learn that there is at least one dreaded  
disease that science has been able to cure  
in all its stages, and that is Catarrh. Hall's  
Catarrh Cure is the only positive cure now  
known to the medical fraternity. Catarrh  
being a constitutional disease, requires a  
constitutional treatment. Hall's Catarrh  
Cure takes internally, acting directly upon  
the blood and mucous surfaces of the sys-  
tem, thereby destroying the foundation of  
the disease, and giving the patient strength  
by building up the constitution and assist-  
ing nature in doing its work. The prop-
