PORTLAND WILL GET WOOL CONVENTION

SO SAYS DR. MCCLURE OF ANIMAL INDUSTRY

Oregon's Chances Very Bright to Secure the Great Assemblage—Portland Commercial Club Back of the Movement—Special Train to Ogden.

According to Dr. S. W. McClure, chief of the bureau of animal industry in the northwest, the 1911 annual convention of the National Wool Growers' association will be held in Portland.

The move to secure this greatest of all national meetings, with the exception of political conventions, was started in this city during the state convention of woolgrowers by Dr. McClure, and subsequent developments would indicate that Oregon's chances are exceedingly bright. The Portland chamber of commerce and other organizations have entered into the movement with a great deal of enthusiasm and are doing everything in their power to assist the sheepmen of Oregon to land the big meeting. It is also believed that the hearty co-operation of the other western states can also be secured and in that case the convention is practically assured.

At least one special train will be run from Oregon to the convention which is to be held in January in Ogden and it is there that the fight will be made to bring the next meeting to the Pacific coast.

Portland Club Is Assisting.
Dan P. Smythe, secretary of the Oregon association, visited the Portland Commercial club and asked its co-operation to secure the convention. This has been given. The commercial club will send a delegation to Ogden, consisting of B. H. Trumbull, commercial agent of the Illinois Central, and D. O. Lively, manager of the Portland Union Stockyards, who will co-operate with the sheepmen in attendance from this state, and will bear the official invitation. Badges having the legend, "Portland, 1911," have been prepared by the commercial club, and these will be taken by the Oregon delegation to Ogden and used in the campaign to bring the next annual meeting here.

HERMISTON DEFEATS MIGHTY UMATILLA

WIN SECOND TIME ON BASKETBALL FLOOR

First Game Ever Played in New Town—Abbreviated Attire Shocks Ladies—Umatilla Got Big Lead But Game Was Tie When Whistle Blew and Locals Got Winning Basket.

(Special Correspondence.)
Hermiston, Dec. 21.—Some one said that there was a game of basketball in Hermiston last Saturday. This was the first game ever played here and as Hermiston is a new town there were a number of people who had never seen the game played. Some came because they were told that there was going to be some excitement up at the hall. When the teams appeared in their short pants and sleeveless shirts some of the women were wont to cover their faces. But with the faces covered they were unable to witness the game, but it was not very long until their eyes became so accustomed to the attire of the youths that they were making remarks about the broad shoulders or the well formed legs of a certain player. One young lady about 22 asked a player why he did not crease his trousers. Those of the men who had never seen a game remarked that it must be that new fandango game that the high moguls of athletics are trying to adopt, a cross between football and soccer.

Nevertheless it was a game and a good one. It was a real battle for supremacy from start to finish and at the end of the first half minute stood at 9 to 7 in favor of Hermiston for that was the score. At this stage of the game Hermiston became a little over confident and as a result Umatilla ran up the score fairly high and before Hermiston could stop her the score stood 20 to 12 in favor of the boys from the junction. Just at this time a cheer went up from the Hermiston supporters. And if there was a Umatilla man failed to look them over he lost his chance for from then on there was nothing to be seen of Hermiston except a flash of white now and then as one of the players passed the audience. Hermiston overcame the big lead and when the whistle blew to end the game the score stood 22 and 22.

This meant that the team that scored the first two points won the game and of course the home team won. Umatilla took defeat very hard, this being the second time within two weeks that Hermiston has downed them.

The referee and umpire were very good, both teams being well satisfied. Those who were crowned with the wreaths of glory, were Thompson who held the mighty imported Stephen in tow. Wallace Wilson the fast little forward who could never be found by his guard O'Connell. F. E. Ruffner who held Umatilla's star player McNurland to a standstill. H. Geise who showed wonderful form and who is what is termed a silent mixer.

The Umatilla team was: Forwards, Frank McNurland, Orle Stephens; Center, John McNurland; Guards, O'Connell, McDonald.

Referee, Kimball, umpire Stover, time keepers E. Switzer, L. Canfield. Time, two 20 minute halves.

A Policeman's Testimony.
J. N. Paterson, night policeman of Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Koepfen Bros.
