### CAT-O-NINE-TAILS IN AFRICA.

Still Permissible in the Prison Discipline of Orange.

Blomfontein, Orange.—From a recent discussion in the house of assembly at Blomfontein, it appears that the use of the cat-o-nine tails is still permissible in Orange for the enforcement of prison discipline. In the course of a debate on the prison bill, Sir John Fraser moved that in prison discipline "lashes" should mean "cuts or strokes with rod or cane." To remove the penalty for an uncompleted forward pass on the first and second down. Let the ball be brought back to the point from which it was thrown without penalty, to encourage open and spectacular play. To put a penalty on a player for crawling with the ball and to enforce

Mrs. S. Joyce, Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Remedy. It cured me of a severe case of kidney trouble of several years standing. It certainly is a grand, good medicine, and I heartily recommend it." Kieppen Bros.
