

Pendleton's Leading Clothiers

---Others Follow

Our \$15.00 Suit and Overcoat sale which is now in full blast, has been an unprecedented success. It has surpassed all our previous efforts in special sales and even all our previous famous \$15.00 suit sales.

In fact it has been so successful that

Others Have Imitated---None Equalled

Nothing could be a greater and grander tribute to our successful merchandising methods---and the success in particular of our famous \$15.00 suit and overcoat sale---than the "follow the leader" systems adopted by other establishments.

We lead and will continue to lead in the sale of high-class correctly tailored clothing and remember your choice of any suit or overcoat in our store or basement for

\$15.00

Blues and Blacks included. Sizes 32 to 50

Values represented range as high as \$35.00 and no suits are excepted. If you think we have placed any clothing in our basement, as reserved, then you may take your choice of any suit down there at the same price---everything in the store must go as we are reducing stock and making more room.

Sizes and Patterns Remain Unbroken and we can Fit YOU

Do not compare the class of clothing we are selling for \$15.00 with cheaper grades selling at a lower figure---**lower grade** clothes **should** sell for less and then are not desirable to good judges of clothing quality.
