

THE WHEAT MARKET

MAY OPTION CLOSES HIGHER FOLLOWING HEAVY BUYING

This Advance Only One in Chicago Delivery in Day's Trading.

Chicago, Dec. 29.—Recent heavy buying of the May option by parties close to Armour was continued today, and it was the only wheat delivery that closed higher. The market started unchanged to 1-4c higher and closed 8c lower to 5-8c higher than yesterday.

All eyes are on Argentina at present, and wheat traders eagerly scan the cables from there, although it is now admitted that the news from South America is scarcely to be depended upon.

Liverpool opened 1-4d to 3-4d lower and closed 1-8d to 3-8d advanced over yesterday.

A wire from Kansas City says: Eighty-six cars of wheat here today and advices of shipment from the country indicated a continued heavy run of wheat to this market. A conservative grain dealer from western central Kansas says fully 40 per cent of the wheat crop is still on hand and farmers are satisfied with the price.

For a Lame Back.

When you have pains or lameness in the back bathe the parts with Chamberlain's Liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by all good dealers.

BIG ADVERTISING CAMPAIGN WILL REACH MILLIONS

Portland.—An advertising campaign that will reach no less than 27,428,750 readers of newspapers throughout the country has been planned by the Portland Commercial club and will be opened up in January and run for three months. The advertising will call attention to vacant lands of this state and the chances here for the newcomer. There is no question that this advertising will result in bringing many people to Oregon and the whole state, not any one section, will be benefited. The keynote of the advertising will be "Oregon is the place for you; 1910 the time; railroad development the reason."
