LOCAL ANGLERS ARE VERY MUCH ELATED

GRATEFUL TO HAWLEY AND SENATOR CHAMBERLAIN

Congressman From First District Secures Prompt Action When Matter of Wholesale Trout Destruction is Presented to Him—Senator Chamberlain Also Acts.

There is great rejoicing among the members of the Umatilla county Anglers' association and all local disciples of Isaac Walton in general, over the prompt action Oregon's congressional delegation has taken to stop the wholesale destruction of trout on the reclamation project at Hermiston. They feel especially grateful to Congressman W. C. Hawley, who, despite the fact that he is representative from the first district took the matter up as soon as the case was presented to him by the local association and secured the order from Secretary Ballinger directing the engineer in charge of the project to screen the ditches.

In addition to the telegram received Monday from Congressman Hawley, telling of the success of his efforts to prevent a recurrence of the recent outrage, Attorney Charles H. Carter has received a letter from Senator George E. Chamberlain, in which he says that he has been assured by Secretary Ballinger that the intakes to the big reservoir will be screened without further delay.

The local anglers are the more elated because H. D. Newell, the engineer in charge of the project at Hermiston, had flatly defied the association and the state authorities, declaring that the ditch could not be screened so as to conform to the requirements of the state law and that he would not attempt it. He has found, however, that the local fishermen were in earnest in their demands.

This also means one less prosecution which the state is preparing to undertake, for if the government complies with the requirements of the state law it will not be necessary for District Attorney Phelps to present this case to the grand jury next week for investigation.

Another case which will be eliminated is that against the Walters Mill, as Fred Walters, the proprietor has signified his willingness to screen his mill race. The cases against the Byers mill, the Irrigation company and the other ditch owners will all be presented, however, and prosecutions will probably be rushed as rapidly as possible. Now that the local anglers and the state authorities

Newsy Notes of Pendleton

Dance in German Hall.

A dance is to be given in the German hall, ten miles northeast of Pendleton, tomorrow night. The residents of this section of the county always make an effort to make this event enjoyable and tomorrow evening's performance bids fair to be no exception to the rule.

Returns After Many Years.

Joseph Kane, a former resident of Umatilla county, has returned after an absence of 17 years and will take up his residence here again. Mr. Kane secured a ranch on McKay creek several years ago, when the Indian reservation land was first opened to settlement and he has returned to make his home on this ranch.

Oregon Boys Back.

Glen Scott, James Johns and Harold Warner, University of Oregon students, who have been spending the holidays in this city, leave tonight for Portland, where they will spend the week end before taking up their college work Monday morning. While in Portland they will attend the annual ball of the Delta Iota Chi sorority.

To Dance Out Old Year.

Members of the local aerle of the order of Eagles have made great preparations for their sheet and pillow case ball which is to be given in the Eagle-Woodman building tomorrow evening. No efforts are being spared to make the event one of the social features of the season and the old year will be ushered out and the new one in with much merriment.

Matlock to California.

W. F. Matlock, who has been confined in St. Anthony's hospital for several weeks, following a severe attack of typhoid fever, will be taken as far as Portland tomorrow on his way to southern California. He has never fully recovered from his illness and it is hoped that the change of climate will hasten his ultimate recovery.

Watch Night Meeting.

The young peoples societies of the city, have arranged for a joint watch-night meeting, which is to be held tomorrow night in the Methodist church. The meeting will commence at 9 o'clock and the first hour will be devoted to social features, after which the remainder of the evening will be devoted to exercises of a religious nature. A number of addresses will be delivered in addition to which a strong and interesting musical program has been arranged.

A New Years Reception.

The pastor and members of the Methodist Episcopal church will give a New Years reception in the church parlors tomorrow from 2:30 to 5, and 7:30 to 10 p. m. A literary and musical program will be given beginning at 8 p. m. A cordial invitation is extended to all friends of the church to come at any time and remain as long as possible. Strangers especially urged to meet with and exchange greetings.

New Opera House for Hermiston.

Hermiston is to have a handsome new opera house. This was the declaration made here this morning by Mayor Ross Newport of the reclamation project town. The building is to be built of the same kind of stone used in the new Methodist and Christian churches in this city and will cost about \$6,000. It will adjoin the Newport & Skinner brick block and is to be erected by the Newport Abstract company. The plans for the building have been nearly completed for some time and the commencement of the actual construction work has been delayed only by the bad weather. The work will be started as soon as there is a break in the present extended cold spell.

The Old Songs of the South.

The lovers of the good old time melodies will be certainly well entertained next Monday night at the Oregon theater with the delightful tunes of the old Southern Ballads of the times "Befo' de War." Culligan & Hockwald's minstrel, has always been a company especially selected by the management for their singing quality. It has long been conceded that no one can get the harmony and music out of those songs like the real darkey. There is also added to the entertainment, plenty of good, clean comedy, and some of the latest and most popular ballads of the present time. The show is especially for ladies in mind when he selected the present company. From the time the curtain goes up, there is always something doing, either in singing their old Southern Ballads, for which the negro is noted, or some of the latest songs of the day with the entire company singing the chorus. If you can afford only one show this season, don't miss this one, the best of all colored shows.

Program at the Orpheum Tonight.

- Music by Orpheum Orchestra. A. H. Johnson, leader.
- 1. Nalla Intermezzo, Delibes.

BAPTIST CHURCH HOLDS ANNUAL BUSINESS MEETING

At the annual business meeting of the Baptist church of this city, held last night, reports were read from all departments of church work. Stakes were set for aggressive work for the coming year. The meeting was well attended and the members enthusiastic. The pastor, Rev. R. E. Storey, who begins his third year of service with the first of January, is well pleased with the prospect of 1910. He said last night: "I can see no reason why the coming year should not be the best in the history of our church. Conditions are promising and the workers enthusiastic and hopeful. I could ask for no better guarantee than the lively interest and hearty unanimity of this meeting. You have taken up far-reaching questions and have decided them without a dissenting voice or vote. This speaks

volumes for our work the ensuing year."

The following officers were elected: Board of trustees, Dr. R. E. Rings, R. H. Wilcox, C. E. Penland, F. K. Welles, A. F. May; clerk, S. L. Nichols; financial secretary, A. F. May; Sunday school superintendent, Ben Hill; president, B. Y. P. Union, Jas. B. Hartwell; organist, Mrs. Ben Hill; assistant, Mrs. R. H. Wilcox; ushers, S. L. Nichols, J. G. Miller.

Besides the foregoing annual officers, three deacons were elected to fill vacancies in that board. They were J. W. Welles, Dr. F. N. Elwell and Ed Coffman. Public installation of officers and ordination of deacons will be held in the church January 16, to which the public is invited.

WARREN TOPPAN, Lynn, Mass.

Cured of severe compound cold and cough by

Vinol

"From Dec. 20, '08, to March 1, '09, I had three bad colds, one on top of the other. I got so weak I could hardly get around. Nothing seemed to help me until I began to take Vinol. The change was magic. Three bottles completely fixed that compound cold and stopped the terrible cough—and what surprises me most, at the same time it cured me of a severe stomach trouble that has bothered me for 20 years.

Vinol is certainly a wonderful medicine."

Mr. Toppan is one of Lynn's most prominent and highly respected merchants, whose word is as good as his bond.

The reason Vinol is so successful in such cases is because it contains the two most world-famed tonics—the medicinal, strengthening, body-building elements of Cod Liver Oil and Tonic Iron.
