

STEERS AT \$5.50 BREAKS RECORD

HEAD GO AT NEW
PRICE IN MARKET

Cattle Market Exceptionally Good and Prices Are Liabie to Be Higher—Meat Boycott in East Affects Hog Market.

Portland Union Stockyards, Stock-sale, Jan. 21.—A new high record that gladdened the hearts of shippers was made in the Stockdale yards today when a sale—in fact several sales out of the same lot of cattle—were made at \$5.50 or 15c above the extreme high point reached for steers up to this time during the present season.

Market for cattle is so good that higher prices are likely from this time forth. There is only one disturbing feature of the present season—the fear that the meat boycott in the east will spread to the Pacific coast and stop much of the consumptive demand. In fact, the eastern situation is serious enough at this time to force shipments of Montana cattle to the Portland market.

Excellent Tone at Present, However. Despite all fear for the immediate future, however, there is a most excellent tone in the cattle market at this time. Stockdale prices are climbing to their highest point and predictions of \$6 for steers during the present season are now being freely made.

On the basis of sales being made in the market for bulls, steers should be selling even higher than today's record, providing the quality offering was sufficiently good to bring the advance. Several sales of bulls were made in the yards during the day around \$3.75. This really means \$4.75 for cows of equal quality and \$5.75 for steers of the same select grade.

Quite a fair run of cattle was shown in the yards during the day but this did not in any way affect the demand nor the price. Total arrivals of cattle for the day were 488 head.

Because of the severe drop in swine values in the east—due to the determination of labor unions there to cut meat off their bill of fare for the period of 60 days—local hog prices are materially easier and buyers are not offering within 25c of former prices.

There was a sprinkling of sheep in the yards today but considering the famine that has existed for so long a period, prices are paid not more than 25c higher.

Today's range of livestock values: Cattle—Best \$5.35@5.50; medium, steers, \$5; best cows, \$4@4.25; \$3.75 @4; poor cows \$3; bulls, \$2.50@3.25; stags, \$2.50@3.

Hogs—Best east of the mountains, \$3.25; fancy, \$3; stockers, \$2; pigs, \$1.

Sheep—Best wethers, \$5.50@6; ordinary, \$4.50; spring lambs, \$6.25; straight ewes, \$4.75@5; mixed lots, \$5.

Calves—Best, \$5.75@6; ordinary, \$5@5.25.

THE WHEAT MARKET

ARGENTINE BULLISH NEWS HELPS AMERICAN WHEAT

Poor Quality of Crop Sends Chicago Market 7-8 to 1 3-8 Higher—Coast Wheat Easier.

Chicago, Jan. 21.—Wheat opened strong and higher and closed 7-8c to 1 3-8c a bushel higher than yesterday.

Bullish cables from Argentina and a better demand for cash wheat at primary points, brought out an initial advance of 1-4c to 3-8c a bushel in the local market today. Closing was either at the best or within a fraction of the highest prices for the day.

Wheat was 1c a bushel higher for cash stuff at St. Louis and Omaha today.

Broomhall predicts world's shipments of wheat, exclusive of North America, at 6,800,000 bushels. He predicts a fair increase on passage.

Argentina shipments for week: Wheat, 472,000 bushels; corn, 376,000 bushels.

Liverpool market was firmer after the opening and closed 1 1-8d above yesterday.

It is reported today that two large mills located 25 miles from St. Louis are buying soft wheat today. This is unusual for them, as farmers generally give them enough.

Cash Wheat—No. 2 red, \$1.24@1.25; No. 3 red, \$1.20; No. 2 hard, \$1.12@1.14; No. 3 hard, \$1.08@1.13 1-2; No. 1 northern spring, \$1.13 1-2@1.14 1-2; No. 2 northern spring, \$1.12@1.14; No. 3 spring, \$1.10@1.12.

Corn—No. 2 corn, 64 1-2@65c; No. 3 white, 65 1-2@66c; No. 2 yellow, 65c; No. 4 corn, 62 1-2@64c; No. 4 white, 48@48 3-4c; standard, 49@49 1-2c.

Wheat Prices Easier. Portland, Jan. 21.—While there is no business in the wheat market, the tone is easier and tide-water interests have reduced their bids another cent a bushel all around, putting blue-stem at \$1.17 and club at \$1.07 a bushel, track delivery.

Country people do not take kindly to the lower range, and this has stopped entirely the movement of wheat at all centers in the Pacific northwest.

Flour is quiet with no change in tone.

Coarse grains and hay show no change in tone.

IMPERIALISTS PLEASED AT PROPOSED WEDDING

Paris.—French Imperialists hail with unfeigned delight the announcement that Prince Victor Napoleon and the Princess Clementine of Belgium are soon to wed, now that the old King Leopold is dead and can no longer interpose his objections to the union. Prince Victor is the head of the house of Bonaparte, three times buried from the throne of France. He is the grandson of Jerome Bonaparte, king of Westphalia and brother of Napoleon, and is a nephew of King Victor Emmanuel of Italy. He is the son of that Bonaparte familiarly known as Pion-Pion, who was a French prince during the reign of Napoleon the Third. It is believed here that Prince Victor's marriage with Clementine, great-granddaughter of Louis Philippe, will add strength to the imperialistic cause. The marriage of Prince Victor and Princess Clementine will be the first union of the Bourbons and Bonapartes. Princess Clementine being a descendant of Louis XV.

Simple Remedy for La Grippe.

FOREST RANGERS AT COLLEGE LOSE PAY

Seattle, Wash.—Seventy-five United States forest rangers at the University of Washington are wishing today, they had never "hired out" to Uncle Sam. The forest rangers have been wishing some time, but it did not become known until Thursday, when it was learned that the forestry department had notified the rangers at the university that they would not receive any pay during the college term.

The rangers left for the university to study forestry before the dismissal of Gifford Pinchot by President Taft. It was then understood that they would draw full salary while at school. Since the chief forester's removal the "no salary" notification has been received.

It is a dangerous thing to take a cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package. Koeppen Bros.
