

HOGS MAKE A 25C. ADVANCE IN YARDS

SALE OF FAIR STUFF IS MADE AT \$9.25

This indicates Best Stuff Would Bring \$9.50—Cattle Market Is Dull Sheep Market Is Steady—Ewes Go at \$6.

Portland Union Stockyards, Stockdale, Feb. 16.—The general trend of the livestock market was steady today.

Hogs were firm and fair quality, sold at \$9.25 during the day, and there is every likelihood that an advance over the extreme high figures printed would have been obtainable had the proper quality been offering.

On the basis of the stock sold today the top of the hog market could safely be placed at \$9.50, but it takes first class quality to bring this figure. Stock that sold at \$9.25 today averaged around 230 pounds and was officially classed as "fair."

There was only a very limited run of hogs in the yards today, a total of 73 head being received. These are the first arrivals since last Thursday, when very scant supplies were offering.

Cattle Market Is Dull.

With only a very small showing of supplies this morning, the cattle market at Stockdale was dull today. Arrivals totaled the same number as in hogs.

Attempts of a morning and afternoon publication to give out false quotations to the country shippers is condemned by livestock sellers here who say that they are very willing that the real state of the market be printed no higher nor lower than the prices actually received. There was a sale yesterday of 124 head of extra good steers at \$5.60, which means a slight decline from previous transactions. "The transaction was priced correctly by the Journal," says a livestock seller, "but the other papers added 10 cents to the price, and instead of saying the market was 10c lower, as it actually was, the claim was made that an advance was secured. Misleading quotations hurt the market more than anything else."

Sheep Market Is Steady.

Notwithstanding that sheep arrivals have been very limited in the yards up to yesterday, when 1150 head were received, none coming forward today, the general market for sheep is merely steady and sales made during the past 4 hours were around former values. One lot of ewes that averaged 100 pounds went at \$5, while wethers that averaged 112 pounds went at the same price. Today's range of livestock prices: Cattle—Best steers, \$5.60@5.65; good steers, \$5.40@5.50; common steers, \$3.50@4; medium cows, \$4.00@4.25; poor cows, \$2.50@3.

Hogs—Best east of the mountains, \$9.25; fancy, \$9; stockers, \$8.50; pigs, \$8.

Sheep—Best wethers, \$5; ordinary, \$4.50; spring lambs, \$6.50@6.75; straight ewes, \$5.75@6; mixed lots, \$5.50.

Calves—Best, \$5.75@6; ordinary, \$5@5.25.

RIVAL COMPOSERS WILL MEET IN GAY PAREE

Paris.—Ralph Edmunds of the Liebler Company of New York leaves on Monday for Milan, where Mascagni awaits him. Together they will hear voices and engage singers for Bessie Abbot's opera company, which will produce "Lady Godiva" early next November.

This is the first opera Mascagni has written since leaving America five years ago. He promised it to the Roman authorities for their international exposition and the newspapers are filled with angry protests against his giving it first in America. They accuse him of being a traitor to Rome, where all his operas since Cavallera have been produced at the Constanza Theatre, but the monetary temptation offered by the Liebler company was very great.

Mme. Mascagni insisted upon an absolute refusal of all terms.

As soon as Puccini heard of Mascagni's American opening he was spurred on to try and finish "The Girl of the Golden West," which has been delayed by difficulties of the last act. The Metropolitan Opera House had hoped to produce it this season but it is now certain that it will be given in
