

### SPENT A FORTUNE ON SKIN TROUBLE

But Lost All Hope of Cure—Grew worse and worse in spite of many doctors and three years of hospital treatment—Inflammation made her almost crazy with pain.

### CURED BY TWO SETS OF CUTICURA REMEDIES

"I began to have an itching over my whole body about seven years ago and this settled in my limb, from the knee to the toes. I went to see a great many physicians, a matter which cost me a fortune, and after I noticed that I did not get any relief that way, I went for three years to the hospital. But they were unable to help me there. I used all the medicines that I could see but became worse and worse. I had an inflammation which made me almost crazy with pain. When I showed my foot to my friends they would get really frightened. I did not know what to do. I was so sick and had become so nervous that I positively lost all hope.

"I had seen the advertisement of the Cuticura Remedies a great many times but could not make up my mind to buy them, for I had already used so many medicines. Finally I did decide to use the Cuticura Remedies and I tell you that I was never so pleased as when I noticed that, after having used two sets of Cuticura Soap, Cuticura Ointment and Cuticura Pills, the entire inflammation had gone. I was completely cured. I should be only too glad if people with a similar disease would come to me and find out the truth. I would only recommend them to use Cuticura. Mrs. Bertha Sachs, 1621 Second Ave., New York, N. Y., Aug. 20, 1909."

"Mrs. Bertha Sachs is my sister-in-law and I know well how she suffered and was cured by the Cuticura Remedies after many other treatments failed. Morris Sachs, 321 E. 9th St., New York, N. Y., Secretary of Deutsch-Ostrower Unit-Verbin. Kommer Hebrew Benevolent Society, etc."

A single set of Cuticura Remedies, costing but one dollar, consisting of Soap to cleanse, Ointment to heal and Pills to purify, has frequently cured chronic cases of torturing, disfiguring humors of infants, children and adults when the best methods known to the profession had failed. Guaranteed absolutely pure.

#### PRESIDENT'S SECRET SERVICE MEN LEAD SORRY LIFE

Washington—Life at the white House is irksome, at last for two members of the Taft official household. These are the secret service men, who are charged with the protection of the president, and who Sherlock Holmes in his immediate vicinity about twenty four hours a day.

For instance, the President has acquired the habit of pedestrianism, and consequently one James Sloan, and one Lucien C. Wheeler have also become walkers. President Taft has a habit of intending to start for a walk about three o'clock in the afternoon. That is, the presidential automobile is ordered around to the executive officers for that hour to take the President to a spot in the suburbs from which he can comfortably walk back to the White House.

Now when the auto, with its motorcycle outriders chug-chugs into the driveway, the secret service men hurry into overcoats, shift their arsenals and take up their stand at the entrance to the presidential sanctum to await the advent of their charge.

But, at three in the afternoon there are usually many sides of many questions to be considered and many grave matters to be determined. Congressmen, senators and cabinet members hurry in to submit various problems, and the president must listen to all, and consider all. Meanwhile two secret service men, two motorcycle outriders, and automobile and chauffeur await without. Without what? Why, without a president to go for his constitutional.

The length of time they await without varies. One evening it was 6:45 o'clock, fifteen minutes before the White House dinner hour when the president completed the day's labors. Other times the retinue waits only an hour.

#### The Rise in Mountain Tops.

"Corney Vanderbilt and Bob Collier have ordered Wright aeroplanes," said too familiarly perhaps—a flying man to a reporter. "They are both, I understand, negotiating, too, for high mountain tops to build castle-like houses upon. Mountain tops, all ready high, are going up. I'll tell you why.

"But, first, did you ever climb to the top of a high mountain? How pure and cool the air is up there! Below, for hundreds of miles, spreads the country, here in shadow, there in glittering sunshine. You see, perhaps, other mountains, cities, even the far-off sea. Those splendid views, that pure air, they uplift the heart like music. If you could live on a mountain top—if the windows of your house could but frame such lovely scenes!

"That, of course, was impossible a few years ago; it is still impossible today; a mountain top is too difficult of access. But when flying is perfected, then the rich business man, instead of living in stuffy town apartments, will have his luxurious castle six or seven thousand feet up in the air and he will fly to and from it in his monoplane or biplane, and from every vantage point he will gaze on views that will teach him, perhaps, the folly of making business a religion."

Congress has so much investigation material on hand that there is no hope of finding pigeon holes for it all—Washington Star.

**TO AILING WOMEN.**

A Little Sound Advice Will Help Many a Sufferer in Pendleton.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lame-ness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a fellow-sufferer tell you about Doan's Kidney Pills.

Mrs. J. T. Galloway, C. Ct., Elgin Ore., says: "Judging from the benefit I derived from Doan's Kidney Pills, I can recommend them as a reliable remedy for a severe pain across my back, which had annoyed me for some time. The results that followed the use of the first box were so beneficial that I continued taking them and my back has given me but little trouble since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents.

Remember the name—Doan's—and take no other.
