Physicians today are recommending Cottolene for consumptives, dyspeptics, and others in a "run-down" condition. Never heard of them recommending lard for such a purpose, did you? Cottolene is a product of Nature, clean in source, making and manner of marketing. It makes food which the most delicate stomach can digest.

Cottolene is far superior to lard or cooking butter for all frying and shortening purposes.

Made only by THE N. K. FAIRBANK COMPANY, San Francisco, New Orleans, New York.
