SNOW BLOCKADES PREVENT ARRIVALS OF ANY STOCK

Absence of Arrivals in the Livestock Market Fails to Cause Higher Bids—Talk of New Yards.

Portland Livestock Exchange, March 2.—With trains blocked on every side, there were no arrivals in the local market during the past 24 hours.

Because of the very liberal plan heretofore and the natural bearishness of the big interests, the loss of supplies at the moment was not felt.

Absence of livestock arrivals today compares with receipts for this day in recent years as follows:

Table with columns for Year, Hogs, Cattle, Sheep, and Price.

A year ago today hogs and sheep were firm at unchanged prices but cattle were weaker with prices 15c lower.

Colonist Rates To OREGON and the Great Northwest

The management of the Oregon Railroad & Navigation Co. (Oregon Lines) takes great pleasure in announcing that the low rates from eastern cities, which have done so much in past seasons to stimulate travel to and settlement in Oregon, will prevail again this spring DAILY from March 1 to April 15, inclusive.

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all homebuilders. Do all you can to let eastern people know about it, and encourage them to come here, where land is cheap and homebuilding easy and attractive.

FARES CAN BE PREPAID at home if desired. Any agent of the O. R. & N. Co. is authorized to receive the required deposit and telegraph ticket to any point in the east.

REMEMBER THE RATES—From Chicago \$33, from St. Louis \$32, from Omaha and Kansas City \$25. This reduction is proportionate from all other cities.

THE WHEAT MARKET

BEAR OPERATIONS ARE AGGRESSIVE IN WHEAT

Decline in Deferred Options at Liverpool Causes Early Selling and Drop in Chicago Prices.

Chicago, March 2.—Renewal of aggressive bear operations caused a decline of 1-8 to 3-8c a bushel in the wheat market at today's closing.

Market opened weak and with the bears in control; prices being 1-4 to 1-2c lower with September the weakest option.

Foreign weakness in deferred deliveries caused the early decline here. Liverpool opened 1-4 to 1-2d higher but closed 1-4d higher for March and 5-8d lower for May and July.

Stocks of wheat at milling centers continue to show a decided increase although present arrivals are but little in excess of those of a year ago.

GRAMOPHONE A DETECTIVE

Telephone Offenders Trapped by Use of Ingenious Device.

Copenhagen.—Exasperated telephone subscribers who, unable to "get through" as quickly as they would like, indulged in hard language towards the girl clerks, have been cleverly brought to book by the telephone administration.

At first it was found difficult to identify the offenders, so a gramophone apparatus was installed at the central exchange. The moment a subscriber began to use unseemly language, the girl would have it recorded by the gramophone.

Some of the first offenders were summoned to the director's office, and when they denied their hasty remarks they were convicted by an exact reproduction in their own voice on the gramophone. Telephone manners in Copenhagen have, as a result, greatly improved.
