One had Face Covered with Itching Eruption—Eyesight was Affected—Raw, Itching Humor Spread Over the Other from Head to Feet in a Single Day—Dreadful

# SKIN-TORTURES YIELD TO EASY TREATMENT

"In 1907 my face broke out in a mass of itching sores which finally affected my eyesight. I tried several highly recommended salves that cost one dollar an ounce, but to no avail. A friend of mine urged me to try Cuticura Soap and Cuticura Ointment as he was sure of good results from his own experience. I used the Cuticura Ointment for about six weeks, after washing thoroughly with the Cuticura Soap. My face is in perfect health now which I owe to the Cuticura Remedies. I shall always stand by them as one of the greatest blessings to the suffering thousands. Arthur D. Gridley, 532 Dean St., Brooklyn, N. Y., Apr. 9, 1909."

"In the middle of the night of March 30th I woke up with a burning itch in my two hands and I felt as if I could pull them apart. In the morning the itching had got to my chest and during that day it spread all over my body. I was red and raw from the top of my head to the soles of my feet and I was in continual agony from the itching. I could neither lie down nor sit up. I happened to see about Cuticura Remedies and I thought I would give them a trial. I took a good bath with the Cuticura Soap and used the Cuticura Ointment. I put it on from my head down to my feet and then went to bed. On the first of April I felt like a new man. The itching was almost gone. I continued with the Cuticura Soap and Ointment and during that day the itching completely left me. Frank Gridley, 325 E. 43rd St., New York City, Apr. 27, 1909."

# WHEAT ROSE AFTER STARTING DOWNWARD

## CHICAGO TRADING NOT BRISK YESTERDAY

In Portland Livestock Market Steers Range From \$5 to \$5.90—Hogs from \$9 to \$11—Chicago Market Is Steady.

Chicago, March 4.—There was a tendency among traders to sell wheat at the opening today, but the market closed with an advance of 1-8c to 1-2c a bushel over yesterday.

At the start of the market the trade was still talking of the bearish report of farmers' reserves of wheat given out by B. F. Snow yesterday. May opened at \$1.12 7-8 to \$1.13 1-8; July, \$1.04 3-4 to \$1.04 7-8, and September, \$1 3-8. There was only a small period after the start wherein weakness was displayed, but with the exception of September options, continued just about steady the rest of the day.

Because of damage reports, there was a further changing over of holdings from May and July into the September, and this was what forced the closing advance of 1-2c a bushel in that delivery.

Liverpool was weak and 1-2d lower at the opening, but improved later in the day and closed with an advance of 1-8d to 3-8d over yesterday.

While primary receipts continue but slightly larger than a year ago, the price is 5c lower. Primary movement shows, in bushels:

**U. of W. Captain Quits Team.**  
Seattle, Jimmy Clark, captain of the University of Washington baseball team, Wednesday quit the team in a huff and has announced that he will not play this season. Clark, who was not playing in the gymnasium, had practiced with Dr. Hall, athletic director, and was ordered out of the "gym." He then declared that he would not play baseball this spring and would resign as captain of the team. He says Dr. Hall has a grudge against him for some reason and that he believes there will be greater harmony if he quits. Clark will try out with the Vancouver team in the Northwestern league this spring. He practically won the northwest championship for Washington last year by his great pitching.

**Coughs That Hang On.**  
Coughs that start in the fall and hang on until spring are sure trouble breeders unless checked and cured. Bronchitis, pneumonia and consumption are the direct result. Foley's Honey and Tar cures the cough, stops the hard breathing and heals and soothes the inflamed air passages. Refuse substitutes. Koepfen Bros.

**Smell Murder at La Grande.**  
La Grande, Ore.—Coroner Bacon went to Crooks near Tolocaset east of here Thursday to investigate the mysterious death of an unknown man. What gives a color of murder to the incident is the fact that the body was discovered by a Tolocaset helper engineer who saw the pile of ties afire and went to extinguish it.

In his work he accidentally stumbled on the body, but it is not reported whether the body carries indications of foul play.

**A Night Alarm.**  
Worse than an alarm of fire at night is the metallic cough of croup bringing dread to the household. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. Foley's Honey and Tar has saved many little lives and is the only safe preparation for children as it contains no opiates. Koepfen Bros.

In the meantime the mean temperature is not getting any meaner.
